Welcome from President Leahy

The safety of our community depends on each of us looking out for one another. When needed, we must also feel comfortable calling upon our dedicated police officers and our many trained campus professionals who provide educational programming, basic health care services, and mental health counseling throughout the year.

Whether you are using one of our emergency telephones to call for an escort across campus, to request an unexpected jump-start for a car, or to report a student in distress, I urge you to utilize the outstanding resources available to you as a member of the Monmouth University community.

Our police department works in close cooperation with neighboring jurisdictions and members of our Residential Life team, who also offer immediate coverage and counseling for safety and quality-of-life concerns 24 hours a day, seven days a week.

A synopsis of our annual reporting for the Clery Act, a federally mandated assessment required of all higher education institutions, provides a broad overview of campus policies and regulations aimed at securing a safe campus that fosters learning and inquiry outside the classroom.

The synopsis also includes a summary of the types of criminal activity on campus during the previous reporting period, and valuable information to ensure personal safety.

Campus security is not a function solely of our police department; it is a responsibility that we all share. I appreciate efforts of so many who ensure that Monmouth University is a safe and secure campus where we can learn and grow together.

Patrick F. Leahy, Ed.D.
President
Welcome to the 2021–2022 academic year at Monmouth University! In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act), I am pleased to provide you with this Guide for a Safe Campus.

The information contained in this publication provides crime statistics, which are regularly reported by Monmouth University to various local, state, and federal agencies. It also provides the University’s drug and alcohol policies and emergency management policies, as well as valuable safety tips and other University-specific information.

This publication is available online at monmouth.edu/mupd/SafeCampus/.

The University Police Department is an around-the-clock agency serving the needs of the University community every day of the year.

For emergencies and/or general assistance, please dial ext. 4444 from on-campus telephones and 732-571-4444 from cell phones or off-campus locations. You may also dial 911 in the event of an emergency, or use one of approximately 100 emergency telephones located throughout the campus. By simply lifting the telephone receiver, you will be connected directly to the police department. Please be advised that there are several emergency telephones on campus designed without receivers. These telephones are located primarily in parking lots. To use this type of phone, simply press the emergency button, and you will immediately be connected to the police department. The University Police Department also has a 24-hour confidential hotline that can be reached at 732-263-5222 and offers an escort service as described on page 8.

If you have questions regarding this publication, or if I may assist you in any way, please feel free to contact me at 732-571-4444.

Dean Volpe
Monmouth University Police Captain
Monmouth University

Monmouth University is a private, coeducational university committed to providing a learning environment that enables men and women to pursue their educational goals and realize their full potential to make significant contributions to their community and society. Small classes, which allow for individual attention and student–faculty dialogue, together with careful academic advising and career counseling, are hallmarks of a Monmouth education.

Founded in 1933, Monmouth earned university designation from the State of New Jersey in March 1995. The 170-acre, parklike campus includes two nationally recognized historic buildings, one of which is a National Historic Landmark.

In the 2021–2022 academic year, Monmouth University enrolled approximately 5,400 undergraduate and graduate students in seven schools that offer bachelor’s, master’s, and doctoral degree programs in the humanities, social sciences, science, education, business, social work, nursing, and health studies.

Approximately 800 undergraduate students reside in 11 residence halls, three apartment complexes on campus, and one off-campus apartment complex. Approximately 150 students are housed in off-campus university-owned apartments. Our suburban campus is located less than a mile from the Atlantic Ocean.

Student athletes compete in 23 Division I NCAA-sponsored sports.

If you have questions regarding the content of this publication, please contact the Monmouth University Police Department (MUPD) at 732-571-4444.

The safety and security of the campus community is the primary responsibility of the University Police Department. We have 15 state-commissioned police officers. The University Police Department also employs safety officers, dispatchers, and various other personnel, all dedicated to providing quality service to all members of the University community.

The graduate Physician Assistant, Doctor of Occupational Therapy, Speech-Language Pathology, Clinical Mental Health Counseling, and Addiction Studies academic programs are located at the Monmouth University Graduate Center at Monmouth Park Corporate Center, 185 State Highway 36 in West Long Branch. In maintaining the University’s commitment to safety, an MUPD Safety Officer is assigned to the site from 8 a.m. until closing Monday–Friday. An emergency phone is in the parking lot as well. The emergency phone in the parking lot allows immediate access to the West Long Branch Police Department.

Police Authority

University police officers are commissioned under the State of New Jersey Title 18A:6-4.2 and, in accordance with state laws, have “all powers of police and constables in criminal cases and offenses against the laws” as well as the authority to enforce New Jersey motor vehicle laws, local ordinances, and University rules and regulations. University police are also armed. They are fully trained at state-approved police academies and receive the same training as municipal police officers.

Police officers respond to all on-campus calls, and investigate and document all incidents. Additionally, the police departments of West Long Branch, the Township of Ocean, and Long Branch have full police authority on areas of the campus, since parts of the University campus fall within their respective jurisdictions. Those departments respond to matters on campus only upon request. In addition, the Monmouth University Police Department maintains an excellent working relationship with the Monmouth County Prosecutor’s Office, New Jersey Office of Homeland Security and Preparedness, the Monmouth County Sheriff’s Department, the New Jersey State Police, and the FBI, all of which offer investigative assistance when requested and will provide a regional advisor for legal aid.

LAW ENFORCEMENT RELATIONSHIPS

It is the University’s policy to work cooperatively with all state and federal law enforcement agencies as well as local police agencies and emergency management organizations. The University is mandated to notify the Monmouth County Prosecutor’s Office when a serious crime or death occurs on campus. The county either assumes responsibility or delegates its authority to the University Police Department to investigate criminal matters and determine what action should be taken. The University maintains a close working relationship with county investigators and legal counsel.

The University has a written Memorandum of Agreement with the Monmouth/Ocean County Emergency Response Team (MOCERT). In addition, the University has reciprocal mutual aid agreements with the surrounding local police agencies.

Local police agencies monitor and record criminal activity engaged in by students at off-campus locations and provide this information to the Monmouth University Police Department. The information is then forwarded to the Vice President for Student Life and Leadership Engagement for possible University sanctions. When deemed necessary, the Monmouth University Police Department in conjunction with the Long Branch Police Department jointly patrol areas in which students live and frequent off campus.

All individuals, whether they are members of the University community or visitors, are subject to all federal, state, and local laws while on campus and, therefore, may be subject to criminal charges when applicable, even for first offenses.

Police Response

The University Police Department provides vehicle and foot patrols on campus 24 hours a day, seven days a week, 365 days a year. Faculty, administrators, staff, and students are encouraged to immediately report all crimes, suspicious activities and/or behavior, and emergencies to the University police at 732-571-4444 or by dialing 911 in an emergency. Routine business calls or calls for nonemergency assistance should be directed to 732-571-4444. Students residing at the University Bluffs are reminded to contact the Long Branch Police Department at 732-222-1000 if they need assistance or 911 in an emergency.

There are approximately 100 emergency telephones on campus. These telephones can be identified by either a blue light and/or “Emergency” labels and provide direct contact to the University Police at all times. Also, regular telephones in all buildings have labels affixed to them that include the University Police Department telephone number.

The University Police Department reports directly to the Vice President for Student Life and Leadership Engagement, providing a daily exchange of information and maintains close and direct contact with the Vice President for Student Life and Leadership Engagement and the Assistant Vice President for Student Life, providing a daily exchange of information that is within the context of federal and state privacy laws.

REPORTING CRIMINAL ACTIVITY

Monmouth University encourages all members of the University community to report any criminal activity or suspicion of criminal activity to the University Police Department as soon as possible. If requested, the identity of the complainant will be kept confidential whenever possible.

Suspicious or criminal activity can be reported to the University Police Department at 732-571-4444. Emergency phones located throughout the campus can also be used to report suspicious activity or to summon emergency help.

UNIVERSITY REGULATIONS

In addition to local municipal judicial proceedings, the University has established rules and regulations (see the Student Handbook or the Employee Handbook). It is the policy of the University police to fully inform complainants of all options available to them through the University, as well as municipal, county, state, or federal entities, for dealing with offenses committed against them.

DISSEMINATION OF EMERGENCY INFORMATION

Monmouth University Emergency Notification System

Students, faculty, and staff are required to register for the Monmouth University Emergency Notification System. To do so, log onto the website at notify.monmouth.edu.

This service allows the University the ability to send alerts via phone and text to all subscribers regarding emergency situations, school closings, and other emergencies. All members of the campus community are required to enroll. It is the primary emergency notification system of the University. Registration is free, but there may be text message fees depending on your individual service plan.

EMERGENCY COMMUNICATIONS

In the event of an emergency that constitutes an immediate ongoing or continuing threat to the community and individuals, the University-Police Department will send a message through the emergency notification system advising of the situation and what actions should be taken. If upon receiving a message, more information is needed, people are advised to call the Emergency Information telephone line at 732-263-5900.

The Alertus function of the emergency notification system will display the emergency notification on all University computer screens.
Hawk Safety Alerts may be issued for certain crimes/incidents as defined in the Clery Act and as set forth in Monmouth University’s Reporting Crimes for Annual Security Report (Clery Act) Policy. Timely warnings may be issued for threats to persons or threats to property.

B. GEOGRAPHIC LOCATION

Timely warnings may be issued for any Clery Act crime that occurs: (1) on campus, (2) on public property within or immediately adjacent to the campus (or in an area frequented by University students), and (3) in or on non-campus buildings or property that Monmouth University owns or controls and such crimes have been reported to the Monmouth University Police or a Campus Security Authority.

C. CONTINUED THREAT OR DANGER TO THE CAMPUS COMMUNITY

The University shall consider whether or not the crime/incident represents a serious or ongoing threat to the University community. Such situations shall be evaluated on a case-by-case basis taking into account: the need to alert the campus community in order to enable people to protect themselves; the need to aid in the prevention of similar crimes/incidents; the continuing danger to the University community; and the risk of compromising law enforcement efforts to resolve the case in a timely manner. The possible risk of compromising law enforcement efforts to resolve the case in a timely manner may also be considered; however, in the event of a serious or continuing threat to students or employees, a timely warning shall be issued, but the timely warning shall not require the disclosure of specific law enforcement efforts which could compromise an ongoing criminal investigation.

III. PROCEDURES

A. DETERMINATION

The Monmouth University Police Captain or his or her designee (Shift Supervisor), upon review of all available information, is responsible for making the determination if a Hawk Safety Alert is appropriate.

The Monmouth University Police Captain or his designee (Shift Supervisor) shall then notify the Vice President of Student Life and Leadership Engagement (or their designees) and advise them of the crime(s)/incident(s) and circumstances that warrant the issuance of the Hawk Safety Alert. Once agreed upon, the alert shall be issued. If there is a question or disagreement on whether the alert should be sent out, the Clery Compliance Officer and/or the Vice President and General Counsel shall be consulted.

B. METHOD

The Hawk Safety Alert shall be issued using a method that allows
for the prompt notification of the appropriate segments of the University community. Methods of dissemination may include, but are not limited to, email, voicemail, emergency notification system, and the Monmouth University Police Department website. Hawk Safety Alerts shall include information that would promote safety and aid in the prevention of similar crimes/incidents.

C. CONTENT OF A TIMELY WARNING

Hawk Safety Alerts shall contain in the subject line the phrase “Hawk Safety Alert” and the type of alert (e.g., “Imminent On-Campus Threat,” “Non-Imminent On-Campus Threat,” or “Informational Alert”). The timely warning shall include information that would aid in the prevention of similar crimes and enable the members of the campus community to protect themselves. The body of the notification shall include, but not be limited to:

- A succinct description of the incident and/or type of crime including location, date, and time of occurrence, and reported offense;
- A physical description of the suspects including gender, age, height, weight, hair color, race, and other distinguishing characteristics if available and accompanied by other description characteristics;
- A composite drawing of the suspect or photograph if available;
- A description to an apparent connection to previous incidents if applicable;
- Race of victim, but only if there is an apparent bias motive;
- Sex of the victim, if relevant;
- Notice to the campus community to use caution and the provision of safety and/or crime prevention tips;
- Other relevant and pertinent information such as weapons and vehicles involved, if applicable.

The notification posted on the Monmouth University Police Department website shall include any suspect information, such as available description of the suspect that is not included in the campus email alert.

IV. STATUS UPDATES

When appropriate, status updates as to the resolution and/or disposition of the crime/incident will be similarly disseminated and updated as soon as possible.

V. REPORTING

A. CAMPUS SECURITY AUTHORITIES

It is the responsibility of Campus Security Authorities to notify the University police when they become aware of any incidents that are suspected to be crimes or alleged to be crimes.

B. COMMUNITY MEMBERS

Community members who know of a crime or other serious incident are encouraged to report that incident as soon as possible to the Monmouth University Police Department so a determination can be made whether to issue a Hawk Safety Alert.

VI. THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) AND THE TIMELY WARNING REQUIREMENT

Although personally identifiable information is generally precluded from disclosure, FERPA does not preclude the University from releasing information necessary for the purposes of a timely warning. Information may be released in an emergency situation without consent to protect the health and safety of others.
Security, Fire Safety, and Access to Facilities

University offices are generally open weekdays from 8:45 a.m. to 5 p.m. Classes begin at 8:30 a.m., and evening classes are in session until 10:05 p.m. Buildings are generally open by 7:30 a.m. and are secured by 10:30 p.m.

There are 11 residence halls and three apartment complexes on campus. All residence halls are locked 24 hours a day. Residents are supplied with an ID card to enter their residence hall and must utilize an intercom/telephone system to allow visitors to enter. Residents are supplied an ID card or a front door key for access to their residence hall or apartment building. All visitors must be escorted at all times by their host. Students are also responsible for the behavior of their guests throughout the campus. To ensure safety, please do not prop open doors or allow unfamiliar individuals to enter the building. The apartments are secured 24 hours a day. Suspicious individuals should be reported to the police.

The Office of Residential Life also employs student resident assistant staff members at each of the two off-campus housing facilities and has a resident staff member at all off-campus apartment complexes.

ESCORT SERVICE

The University Police Department offers a free escort service 24 hours a day to all members of the University community. The escort service may be provided by a police officer or safety officer on foot, or by police vehicle. For your protection, you are encouraged to utilize this service. This service is available on the main campus as well as at the University Bluffs.

When a resident of the University Bluffs cannot locate a parking spot onsite and is concerned for their safety, or for any other non-emergency safety concern, they can contact the Monmouth University Police Department at 732-571-4444 or ext. 4444 to request a police escort to and/or from their vehicle to their apartment. In the event of an emergency, they should call 911.

FIRE AND SAFETY

The University has a Supervisor of Electric, Fire, and Safety Systems who conducts, with the assistance of the three full-time Fire and Safety Technicians, safety inspections of all areas on campus. In addition, a University fire and safety committee meets regularly to address a variety of safety issues on campus. The University Police reports all noted conditions to the Department of Facilities Management for corrective action.

The University is in full compliance with the regulations set forth in the New Jersey Dormitory Safety Trust Fund Act of 2000. All residential halls and campus apartments have sprinklers and carbon monoxide (CO) detectors installed. University police along with fire and safety personnel conduct four fire drills per year in all buildings on and off campus and in off-campus residence facilities. In addition, University officials have an excellent relationship with the local fire marshals and welcome their input. All fire safety systems are inspected and tested annually by an outside vendor to ensure continued compliance.

All members of the University community are reminded that intentionally causing a fire alarm to activate wherein no fire condition is present is an indictable offense under the State of New Jersey Criminal Justice Code. All persons found to have perpetrated this crime, as with all other crimes on campus, will be arrested by the Monmouth University Police Department and prosecuted to the fullest extent of the law. In addition, students may be charged under the Student Code of Conduct. The police department maintains a fire log at dispatch that can be reviewed 24 hours a day, 365 days a year. All members of the University community are also reminded that all fires must be reported to the University Police Department. The police will then contact the appropriate fire and other emergency personnel needed.

ON-CAMPUS STUDENT HOUSING FACILITY FIRE SAFETY SYSTEMS

In order to provide safe and secure student housing, an understanding of the Residential Life Facility Fire Safety System is critical. The following procedure shall address the fire protection equipment in Monmouth University’s Campus Residence Halls.

All University Residence Halls feature the following fire protection equipment:

- Fire alarm systems are centrally monitored 24 hours a day, 365 days a year. All fire alarm devices in University Residence Halls (smoke detectors, CO detectors, heat detectors, pull stations, flow detectors, etc.) are “addressable” (i.e., the fire alarm panels can pinpoint the specific location of each device and send that information to the central monitoring station).
- Smoke detectors in all student living areas.
- Combination horn/strobe light fire alarms in all common areas requiring audible devices.
- Horn/strobe light fire alarms in all ADA-compliant bedrooms.
- Fire-suppression sprinklers in all student living areas.
- Rated fire doors with self-closing devices throughout the buildings.
- CO detectors in all areas with appliances that combust fuels (e.g., boiler rooms, furnace closets, kitchens, etc.).
- Fire alarm pull stations in all common areas.
1. Lit candles shall never be left unsupervised.
2. Candles shall be securely fixed in sturdy, approved candle holders or glass enclosures (e.g., hurricane lamps, etc.).

B. Open flames used in assembly areas holding more than 50 people shall require approval of the Chief of the Monmouth University Police and be in compliance with the requirements of the National Fire Protection Association (NFPA) Life Safety Code 101/13.72.

C. Any open flames utilized by Facilities Management personnel in furtherance of their assigned duties.

D. Food service operations, such as portable cooking equipment, shall be placed on a non-combustive surface.

E. Laboratories are excluded from this policy, but extreme care should be exercised to ensure safe operations.

F. Tailgating at sporting events. However, the Monmouth University Police and/or representatives of local or state jurisdictions have the authority to stop or prevent unsafe acts or conditions.

G. Bonfires, with the prior approval of the West Long Branch Fire Marshall and Chief of Monmouth University Police.

H. Open flame barbecue grills or propane tank barbecues for specific University events, such as Homecoming, with the necessary University approvals.

1. The storage of propane or barbecue grills in any University-owned or -sponsored housing for students is strictly prohibited.
2. The storage of propane or barbecue grills inside a University building requires the approval of the Monmouth University Police Captain, and shall comply with NFPA 58.

I. Pyrotechnic and open flame devices for special effects with the approval of the Monmouth University Police Captain.

Consideration shall only be given for areas in which there are fire sprinklers.

REFRIGERATORS AND APPLIANCES

Owned or rented refrigerators must be of a compact size, UL approved, and not in excess of 3.2 cubic feet. Only one refrigerator per resident is allowed. In triple rooms, a maximum of two refrigerators is permitted. Any exceptions must be approved by the area coordinator. Refrigerators may not be stored in closets or other areas that do not provide adequate ventilation. Extension cords are prohibited for use with refrigerators.
All appliances used for food preparation (e.g., hot plates, hot pots, toaster ovens, microwave ovens, popcorn poppers, etc.), with the exception of leased micro-fridge units and Keurig-type (single-serve) coffee makers are prohibited in the residence halls. In addition, halogen lamps (floor or desk) are not permitted. Possession or use of these appliances in the residence halls will result in an administrative fine and confiscation of the appliance. These appliances are considered a serious fire hazard since they draw more electricity than the buildings can provide.

**FLAMMABLE ITEMS**

Items that are flammable, such as hazardous fuels, liquids, or objects (e.g., gasoline, kerosene, fireworks, propane tanks, turpentine, or other art supplies, etc.) are prohibited.

**HOVERBOARDS**

Hoverboards or similar devices are prohibited in all residential facilities owned or operated by the University. Hoverboards may be used on campus but cannot be charged in any facility of the University.

**FIRE EDUCATION AND TRAINING**

It is Monmouth University Policy to strive to provide and maintain safe conditions and to follow operating practices that safeguard all students, employees, and visitors. The purpose of Fire Safety Training is to provide a safe environment. The goals of the training are to:

- Encourage safe practices and living habits throughout the University community;
- Reduce the threat of injury to faculty, staff, students, and visitors;
- Reduce the risk to property; and
- Mitigate injuries to persons and damage to property in the event of a fire.

**THE TRAINING**

1. The University police along with the University Office of Compliance shall coordinate/conduct fire drills for all residential halls (in conjunction with Residential Life Staff) and academic buildings. Fire drills will be conducted twice a semester.
2. Annual fire training for Residential Assistants shall be conducted in conjunction with the Monmouth University Office of Compliance.

**SMOKING ON UNIVERSITY PROPERTY**

1. Smoking is permitted on the grounds of the campus; however, smokers must be at least 25 feet away from building entrances or air intake systems. Smoking inside campus buildings is not permitted.
2. The University urges due consideration for others and compliance with safety measures while smoking.
3. Outside groups who utilize University facilities are required to comply with this policy.
4. Individuals wishing to smoke are required to stand at least 25 feet from the building entrance and are required to utilize appropriate receptacles to discard cigarettes.
5. Smoking, for purposes of this policy, shall be defined as the burning of, inhaling from, exhaling the smoke from, or the possession of a lighted cigar, pipe, or any other matter or substance that contains tobacco or any other matter that can be smoked, or the inhaling or exhaling of smoke or vapor from a hookah or an electronic smoking device (e-cigarette).
6. Appropriate disciplinary action will be taken against individuals who do not comply with this policy.

Upon request, the University Police Department will conduct crime prevention presentations on a variety of topics throughout the year. - Be assertive—don’t let anyone violate your space.
- Trust your instincts. If you feel uncomfortable in your surroundings, leave.
- Watch your keys. Don’t lend them. Don’t leave them. Don’t lose them. And don’t put your name, phone number, or address on the key ring.
- Be wary of isolated spots, like underground garages, offices after business hours, and apartment laundry rooms.
- Avoid walking or jogging alone, especially at night. Vary your route. Stay in well-traveled, well-lit areas.
- Have your key ready to use before you reach the door—home, car, or work.
• Park in well-lit areas and lock the car, even if you’ll only be gone a few minutes.
• Drive on well-traveled streets, with doors and windows locked.
• Never hitchhike or pick up a hitchhiker.
• Keep your car in good shape with plenty of gas in the tank.
• In case of car trouble, call for help on your cell phone. If you don’t have a phone, put the hood up, lock the doors, and put a banner in the rear mirror that says, “Help Call Police.”
• Do not have friends or relatives mail cash or gift cards (that can be easily cashed in) to your University address.
• Practice internet and phone safety. Do not release any personal or financial information to solicitors or vendors unless absolutely sure that they are legitimate. Please be especially careful with offers of employment.

Campus Crime Statistics Act (Clery Act) Policy
The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act) requires Monmouth University to collect, classify, count, and disseminate crime report statistics in an Annual Security Report (ASR) by October 1 of each year to all currently enrolled students and employees. Monmouth University must also provide the ASR to any prospective employee or student upon request.

The Clery Act requires Monmouth University to disclose statistics for reported crimes based on: where the crimes occurred; to whom the crimes were reported; the types of crimes that were reported; and the year in that the crimes were reported.

I. CLERY GEOGRAPHY
Monmouth University must disclose statistics for reported Clery crimes that occur: (1) on-campus, (2) on public property within or immediately adjacent to the campus, and (3) in or on non-campus buildings or property that Monmouth University owns or controls. As specified in the Clery Act, the following property descriptions are used to identify the location of crimes in and around Monmouth University’s campus:

A. ON-CAMPUS
On-campus property includes: (1) any building or property owned or controlled by an institution within the same reasonably contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution’s educational purposes, including residence halls; and (2) any building or property that is within or reasonably contiguous to the area identified in Section A(1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

B. NON-CAMPUS BUILDINGS OR PROPERTY

II. DEFINITIONS OF CRIMINAL OFFENSES
The Clery Act requires institutions to disclose three general categories of crime statistics. The Violence Against Women Reauthorization Act of 2013 (VAWA), amended the Clery Act to require institutions to disclose an additional fourth category of crime statistics. Pursuant to the Clery Act, definitions are to be used for reporting crimes in accordance with the Federal Bureau of Investigation’s Uniform Crime Reporting Program. The definitions for murder; robbery; aggravated assault; burglary; motor vehicle theft; weapons: carrying, possessing, etc.; law violations; drug abuse violations; and liquor law violations are from the Federal Bureau of Investigation’s (FBI) Uniform Crime Reporting (UCR) Handbook. For sex offenses, definitions are excerpted from the FBI’s National Incident-Based Reporting System (NIBRS) edition of the UCR. The definitions of larceny-theft (except motor vehicle theft), simple assault, intimidation, and destruction/damage/vandalism of property are from the Hate Crime Data Collection Guidelines of the FBI’s Uniform Crime Reporting Handbook.

A. CRIMINAL OFFENSES
The following definitions are used to classify Clery Criminal Offenses:

1. Criminal Homicide—These offenses are separated into two categories: (a) Murder and Non-Negligent Manslaughter, and (b) Negligent Manslaughter.

   a. Murder/Non-Negligent Manslaughter—The willful (non-negligent) killing of one human being by another.
b. Non-Forcible Sex Offenses
   i. Incest—Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
   ii. Statutory Rape—Nonforcible sexual intercourse with a person who is under the statutory age of consent.

B. HATE CRIMES

The second category of statistics that must be disclosed is hate crimes. A hate crime is a crime reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias against the victim. The categories of bias include the victim’s actual or perceived race, religion, gender, gender identity, sexual orientation, ethnicity, national origin, and disability. For each hate crime recorded, an institution must identify the category of bias that motivated the crime.

The following are the categories of hate crime that are required to be reported:

1. Criminal Homicide
   a. Murder and Non-Negligent Manslaughter
   b. Negligent Manslaughter

2. Sex Offenses
   a. Rape
   b. Fondling
   c. Incest
   d. Statutory Rape

3. Robbery

4. Aggravated Assault

5. Burglary

6. Motor Vehicle Theft

7. Arson

8. Larceny-Theft—The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Attempted larcenies are included. Embezzlement, confidence games, forgery, worthless checks, etc., are included.

9. Simple Assault—An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness.
10. **Intimidation**—To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

11. **Destruction/Damage/Vandalism of Property**—To willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

C. **ARRESTS AND DISCIPLINARY REFERRALS FOR VIOLATION OF WEAPONS, DRUG, AND LIQUOR LAWS**

The third category of crime statistics that universities must disclose are the number of arrests and the number of persons referred for disciplinary actions for the following law violations:

1. **Weapons, Carrying, Possessing, Etc.**—The violation of laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, concealment, or use of firearms, cutting instruments, explosives, incendiary devices, or other deadly weapons.

2. **Drug Abuse Violations**—The violation of laws prohibiting the production, distribution, and/or use of certain controlled substances and the equipment or devices utilized in their preparation and/or use. The unlawful cultivation, manufacture, distribution, sale, purchase, use, possession, transportation, or importation of any controlled drug or narcotic substance. Arrests for violations of state and local laws, specifically those relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs.

3. **Liquor Law Violations**—The violation of state or local laws or ordinances prohibiting the manufacture, sale, purchase, transportation, possession, or use of alcoholic beverages, not including driving under the influence and drunkenness.

D. **VIOLENCE AGAINST WOMEN REAUTHORIZATION ACT OF 2013 (VAWA) OFFENSES**

The fourth category of crime statistics that universities must disclose includes the following:

**New Jersey Sex Offense Definitions**

Consent in New Jersey is defined as:

**2C:2-10. Consent**

a. In general. The consent of the victim to conduct charged to constitute an offense or to the result thereof is a defense if such consent negatives an element of the offense or precludes the infliction of the harm or evil sought to be prevented by the law defining the offense.

b. Consent to bodily harm. When conduct is charged to constitute an offense because it causes or threatens bodily harm, consent to such conduct or to the infliction of such harm is a defense if:

   (1) The bodily harm consented to or threatened by the conduct consented to is not serious; or

   (2) The conduct and the harm are reasonably foreseeable hazards of joint participation in a concerted activity of a kind not forbidden by law; or

   (3) The consent establishes a justification for the conduct under chapter 3 of the code.

1. **Sexual Harassment** is conduct on the basis of sex that satisfies one or more of the following:

   b. Unwelcome conduct that a reasonable person would find so severe, pervasive, and objectively offensive that it denies a person equal access to the University’s educational program or activity; or

   c. Sexual Assault as defined by the Clery Act (please refer to Section V, “Definitions” below).

      i. Rape

      ii. Fondling

5. **Retaliation.**

V. DEFINITIONS:

1. **Actual Knowledge**: Actual knowledge means notice of sexual harassment or allegations of sexual harassment to the University’s Title IX Coordinator or any University official who has the authority to institute corrective measures on behalf of the University.

2. **Sexual Harassment**: Conduct, on the basis of sex, that satisfies one or more of the following:

   i. An employee conditioning educational benefits on participation in unwelcome sexual conduct (i.e., quid pro quo);

   a. This includes not only express communications but also situations where the quid pro quo nature of the incident is implied from the circumstances.

   b. Quid pro quo harassment does not cover conduct by non-employees.

   c. Unwelcome conduct is based on the Complainant(s)’s subjective statement that the Complainant(s) found the conduct to be unwelcome.

   (ii) Unwelcome conduct that a reasonable person would determine is so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the educational institution’s education program or activity; or
a. This requires a subjective element (unwelcome conduct) and an objective element (reasonable person).

b. Unwelcome conduct may only be actionable under Title IX where the seriousness (determined by a reasonable person to be so severe, pervasive, and objectively offensive that it negatively impacts equal access) jeopardizes educational opportunities.

(iii) Sexual assault (as defined in the Clery Act), or dating violence, domestic violence, or stalking as defined in the Violence Against Women Act (VAWA).

1. Sexual Assault (as defined by the Clery Act):
   a. Rape: The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim.
   b. Fondling: The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age and/or because of his/her temporary or permanent mental incapacity.
   c. Statutory rape: Non-forcible sexual intercourse with a person who is under the statutory age of consent.
   d. Incest: Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

2. Domestic Violence (as defined by the Violence Against Women Act): A felony or misdemeanor crime of violence committed by a current or former spouse or intimate partner of the victim; by a person with whom the victim shares a child in common; by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner; by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

3. Dating Violence (as defined by the Violence Against Women Act): Violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the reporting party’s statement with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

4. Stalking (as defined by the Violence Against Women Act): Engaging in a course of conduct directed at a specific person that would cause a reasonable person to (1) fear for the person’s safety or the safety of others; or (2) suffer substantial emotional distress. Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means follows, monitors, observes, surveils, threatens, or communicates to or about, a person, or interferes with a person’s property.

3. Affirmative Consent: Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that the person has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity (i.e., lack of consciousness, being asleep, being involuntarily restrained, or being intoxicated).

4. Force: the use or threat of physical violence to overcome an individual's free will to choose whether or not to participate in sexual activity or provide consent. Force may include words, conduct, or appearance. Force includes causing another's intoxication or impairment through the use of drugs or alcohol. Coercion, intimidation, and non-physical threats can all be forms of force. Consent obtained by force is not valid.

5. Coercion: to force one to act or not act based on fear of harm to self or others. Means of coercion may include, but are not limited to, pressure, threats, emotional intimidation, or the use of physical force. Consent obtained through coercion is not valid.

6. Incapacitation: a physical condition where a person is unconscious or physically unable to leave or provide consent. This includes a mental condition, permanent or temporary, that makes the victim incapable of understanding the nature of the activity or unable to communicate due to a mental or physical condition.

7. Complainant(s): any individual who is alleged to be the victim of sexual harassment.

8. Respondent(s): any individual who is reported to be the perpetrator of sexual harassment.

9. Retaliation: Retaliation is any adverse action taken or threatened (including intimidation, threats, harassment, and other such action) against any Complainant(s) or person reporting or filing a complaint of sexual harassment or any person cooperating in the investigation of allegations of sexual harassment to include testifying, assisting, or participating in any manner in an investigation or any person related to or connected with such persons.
VI. REPORTING OBLIGATION:

Mandated Reporters: Monmouth University considers all University employees responsible for reporting any matters of sexual misconduct, including sexual harassment, to the Title IX Coordinator. Only designated confidential resources are excluded from this reporting obligation.

Confidential Resources: All University employees who work in the following offices are exempt from reporting matters of sexual misconduct to the Title IX Coordinator:

- Counseling and Psychological Services
- Health Services

Reporting an incident of sexual harassment or prohibited conduct to a mandated reporter, as defined in this section, does not serve as actual knowledge, as defined in Section V. Definitions, for the University.

VII. SUPPORTIVE MEASURES:

Supportive measures are available to all parties regardless of whether they choose to go through any process. These options will be provided to a party once an allegation of a violation of this policy is made to the Title IX office.

Supportive measures that are available, as appropriate, include but are not limited to:

1. Counseling and Psychological Services (confidential on-campus resource)
2. Health Services (confidential on-campus resource)
3. Monmouth Medical Center (off-campus resource)
4. Monmouth University Police Department (on-campus resource)
5. Off-Campus Police Departments
6. 180 Turning Lives Around (off-campus confidential resource)
7. Academic accommodations including, but not limited to, class schedule modifications
8. Work schedule accommodations for University employment
9. Letters of No Contact between the parties
10. Residential accommodations (i.e., changing a student’s campus residence)

VIII. EMERGENCY REMOVAL:

Respondent(s) may be removed from a University program or activity on an emergency basis if the University has deemed that there is an immediate threat to the physical health or safety of any student or other individual arising from the allegation of sexual harassment. This determination must be made as part of an individualized safety and risk analysis. The Respondent(s) must be provided with notice of the removal and an opportunity to challenge the decision immediately following the removal. The hearing panel for an emergency removal of a student is comprised of two (2) administrators and one (1) faculty member. An adjudicator will be used for an emergency removal of an employee.

IX. FILING A COMPLAINT:

A formal complaint is a document that initiates the University’s grievance process under this policy. In order to file a formal complaint, a Complainant(s) must submit a written document to the Title IX Coordinator alleging sexual harassment against a Respondent(s) and request initiation of the grievance procedure. A Complainant(s) must be participating in or attempting to participate in an educational program or activity of the University at the time of filing the formal complaint.

A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by email. The formal complaint must include the Complainant(s)’s physical or digital signature or some other means to indicate that the Complainant(s) is the person(s) filing the complaint. The Title IX Coordinator may also sign a formal complaint of sexual harassment.

Upon receipt of a formal complaint, the Title IX Coordinator will notify the parties of the allegations, and the grievance process is initiated including an investigation and adjudication of allegations of sexual harassment.

X. GRIEVANCE PROCESS:

The grievance process detailed below will treat Complainant(s) and Respondent(s) equitably and acknowledges that the Respondent(s) is presumed not responsible for the alleged conduct and that the determination of responsibility will be made at the conclusion of the grievance process. The grievance process will include an investigation, adjudication or hearing and appeal(s). The burden of gathering evidence and burden of proof is on the University, not the parties.

If a Respondent(s) is found responsible for the alleged conduct at the conclusion of the grievance process, disciplinary sanctions or other actions may be imposed. A Complainant(s) may be given remedies designed to restore or preserve equal access to the educational program or activity. These remedies may be the same as supportive measures.

An objective evaluation of all relevant evidence and credibility determinations will be made by trained individuals who have no bias or conflict of interest for or against Complainant(s) or Respondent(s).

Investigations will be conducted by trained individuals who are impartial and free from bias in their investigation duties. The parties and their advisors will be provided with equal access to review the evidence gathered by the investigator as well as the investigation report. The parties and their advisors will have ten (10) business days to inspect, review, and to respond to the evidence. The parties and their advisors will have ten (10) business days to review and to respond to the investigation report before the report can be finalized.
The time frames included in the grievance process are reasonably prompt and allow for extensions or delay for good cause with written notice to both parties.

XI. HEARING PROCESS:

A. LIVE HEARINGS FOR STUDENT RESPONDENT(S)

The Office of Student Life will provide simultaneous written notice of the charges, date, and time of the hearing and the names of the hearing panel members to the Complainant(s) and the Respondent(s) prior to the hearing. The hearing panel will be comprised of one member of the administration, one faculty member from the University Disciplinary Committee, and one student designated by the Student Government Association. The Vice President for Student Life and Leadership Engagement or his/her designee reserves the right to substitute a member of the administration for the student member for emergency removal hearings and during semester breaks and holidays when students are not generally present on the campus. Both the Respondent(s) and the Complainant(s) will have an opportunity to object beforehand to the panel members. Such objection will specify the basis thereof, and a determination as to whether to replace the panel member shall be made by the University. The Respondent(s) may NOT waive his/her right to a hearing. The “preponderance of the evidence” standard will be used to make determinations in hearings. This means determining whether “is it more likely than not” that a violation of the Title IX Sexual Harassment policy occurred.

The Respondent(s) and the Complainant(s) have the right to review any evidence provided to the University during the investigation. Both the Respondent(s) and the Complainant(s) have the right to submit written statements as to their account of the matter. Upon request, accommodations may be made to limit face-to-face contact between the Respondent(s) and the Complainant(s) during disciplinary hearings. In addition, both parties to the matter are entitled to have one advisor of choice. Each party is responsible for presenting his/her own information and, therefore, advisors are not permitted to speak or participate directly in any meeting but are only allowed to provide support and/or guidance directly to their respective party. During the hearing the advisor will be required to ask all cross-examination questions of the opposing party and their witnesses. This means that the advisor for the Complainant(s) will ask questions of the Respondent(s) and the Respondent(s)’ witnesses and the advisor for the Respondent(s) will ask questions of the Complainant(s) and the Complainant(s)’ witnesses. The parties should select an advisor who has a schedule that will allow attendance at the scheduled dates and times for meetings and hearings. Delays will not normally be permitted due to the scheduling conflicts of an advisor. The Title IX Coordinator and judicial officer must be notified by the parties at least two (2) business days prior to any scheduled meeting or hearing if they plan to have an advisor present for the meeting or hearing and, if so, the identity of the advisor. If a party does not have an advisor for the hearing, one will be provided by the University for the purposes of cross-examination as described above. The Title IX Coordinator, his/her designee, and the judicial officer reserve the right to remove an advisor from any meeting or hearing for violation of this policy.

1. Request for accommodations

All students with disabilities who are involved in the student conduct process including Complainant(s), Respondent(s), supporters, and witnesses may seek accommodations for any stage of the student conduct process, including hearings, conduct meetings, investigations, and any prehearing meetings. Any student requesting an accommodation must do so far enough in advance to allow the request to be reviewed and an appropriate accommodation identified and implemented. Accordingly, each student seeking an accommodation is strongly encouraged to do so as early as possible in the student conduct process. To request an accommodation please refer to the policy on the following page: monmouth.edu/disability-services/current-students.

Either party may request that the hearing take place with the parties located in separate rooms or locations using technology to allow the parties to see and hear each other. This request must be made at least five (5) business days prior to the scheduled hearing date.

2. Statement of witness

Any persons having specific knowledge of the matter may be called as witnesses. Every effort will be made during the investigation to obtain names and written statements of witnesses and documentary evidence for both the Complainant(s) and the Respondent(s). The hearing panel must preclude any evidence provided by a party or a witness if that individual does not participate in cross-examination.

3. Control of the hearing proceedings

The presiding hearing officer shall exercise control over the manner in which the hearing is conducted to avoid unnecessary lengthy hearings and to prevent harassment or intimidation of witnesses. Anyone who disrupts a hearing or who fails to adhere to hearing guidelines may be excluded from the proceedings and is subject to disciplinary action.

4. Standard evidence

A preponderance of the evidence standard shall be applied. Therefore it must be established that it is more likely true than not true that the alleged violation took place. It should be noted that the resolution is not dependent upon the number of witnesses who testify on either side, but rather on the credibility and weight that is attributed to such testimony and relevant evidence.

5. Privacy of hearings

The hearing shall be conducted in private. People not directly involved in the hearing are excluded from the proceedings.
6. Questions during hearings
   The hearing panel may address questions to any party during the proceedings or to any witness called by the parties or by the hearing panel. Complainant(s) and Respondent(s) may address their questions of their own witnesses through the hearing panel, that shall have the discretion to decide whether the question will be posed to the witness. Complainant(s) and Respondent(s) may not question each other or each other’s witnesses directly. Instead, each party must have an advisor at the hearing to conduct cross-examination of the other party and the witnesses of the other party. Cross-examination must be conducted at a live hearing in real-time, directly and orally by the advisor.

   The hearing officer must determine whether each question is relevant prior to the party or witness responding. If a question is deemed relevant, the question may be answered. If a question is deemed irrelevant, the hearing officer must provide an explanation for the determination and exclusion of the question. The hearing officer may determine that it is necessary to pause the hearing temporarily in order to make a determination on relevance.

   Questions that challenge the credibility of a party or a witness may be relevant.

   Questions and evidence about a Complainant(s)’s prior sexual behavior are irrelevant unless they are offered: 1) to prove that someone other than the Respondent(s) committed the alleged conduct or 2) to prove consent.

7. Evidence of Consideration
   All relevant evidence including pertinent records, exhibits, and written statements may be received for consideration by the hearing panel. Both the Respondent(s) and the Complainant(s) would have received copies of such for review and comment prior to the investigation report being finalized. All evidence gathered during the investigation will be available at the hearing and may be reviewed and utilized by the Respondent(s) and Complainant(s).

   The hearing panel may preclude records, exhibits, and the testimony of any witness that were not submitted in conformance with this requirement if, in the opinion of the hearing panel, allowing such records, exhibits, or testimony would substantially impair the Complainant(s)’s or the Respondent(s)’s ability to effectively present their case. In making this determination the hearing panel shall consider such factors as the reasons why the record, exhibit, or statement was not on file, the nature of the testimony summarized in the proposed witness’s statement prior to the hearing, and other appropriate factors.

8. Appearance of witnesses
   The hearing panel may request the presence of witnesses by sending them a letter via hand-delivery or certified mail, return receipt requested, or via email with a read/received receipt.

9. Failure to appear at hearings
   The failure of individuals charged with misconduct to appear at a hearing after proper notice will not prevent the hearing from taking place or invalidate the outcome.

10. Recording hearings
    A recording of the hearing shall be made. The recording will be under the control of the Vice President for Student Life and Leadership Engagement. A copy of the recording will be made/available to the parties following a written request of the same.

11. Determination of the hearing
    Within five (5) business days after the hearing deliberations are completed, the hearing panel shall determine (by majority vote) whether the Respondent(s) has violated the Title IX Sexual Harassment Policy. The Chairperson, on behalf of the hearing panel, shall prepare a written report to the Vice President of Student Life and Leadership Engagement or his/her designee consisting of: a statement of each charge, whether the hearing panel has found the Respondent(s) responsible or not responsible, evidence presented to the panel, facts used to reach each decision, credibility assessment of those who testified, any sanctions imposed on the Respondent(s), and any remedies being offered to the Complainant(s).

12. Notification of the hearing board decision
    The Vice President of Student Life and Leadership Engagement or his/her designee will notify both the Complainant(s) and the Respondent(s) simultaneously in writing of the hearing panel’s decision within five (5) business days of the receipt of the decision. The President of the University will also be notified of the decision.

13. Appeals Process
    A decision reached by a hearing panel may be appealed by either party. The appeal must be submitted in writing to the Vice President of Student Life and Leadership Engagement or his/her designee within five (5) business days of the finding by the hearing panel.

    An appeal shall be limited to the review of the verbatim record of the initial hearing and supporting documents unless a further hearing is required to receive and evaluate new evidence. The party filing the appeal has the burden of establishing the basis for the appeal. An appeal may be initiated for one or more of the following purposes:
1. The hearing process as described in the policy was materially violated in such a manner that the outcome could have been affected.

2. The Title IX Coordinator, investigator, or hearing panel member(s) had a conflict of interest or bias that affected the outcome of the matter.

3. Submission of new evidence sufficient enough to alter a decision, or other relevant facts not brought out in the original hearing because such new evidence or facts were not known to the person appealing at the time of the original hearing.

The following Appeal process shall apply:

1. The appeal and any supporting documentation shall be sent to the opposing party for review. The opposing party shall be given five (5) business days to submit a reply.

2. The Vice President of Student Life and Leadership Engagement or his/her designee shall review the matter and render a decision on the appeal within twenty (20) business days from receipt of the written appeal.

3. Within five (5) business days of the receipt of the decision by the Vice President for Student Life and Leadership Engagement or his/her designee, an appeal can be made by either party to the President. The appeal and any supporting documentation shall be sent to the opposing party for review. The opposing party shall be given five (5) business days to submit a reply.

4. The President or his/her designee shall make a final decision on the case within twenty (20) business days from the receipt of the appeal. The President or his/her designee shall make a final decision on the case.

Following the President’s or his/her designee’s decision, the matter shall be concluded with no further recourse under this policy. All deadlines and timeline requirements set forth in this section may be extended for good cause. Both the Respondent(s) and the Complainant(s) will be notified in writing of any delay and provided the date of the new deadline. Some examples of good cause may include considerations such as the absence of a party, a party’s advisor, or a witness; concurrent law enforcement activity; or the need for language assistance or an accommodation of disabilities.

14. Possible sanctions

1. Record to personnel file

2. Educational programs and/or professional development programs

3. Disciplinary probation

4. Reassignment of work duties and/or location

5. Suspension from employment

6. Termination of employment

XII. DISMISSAL OF FORMAL COMPLAINT:

A formal complaint must be dismissed from consideration under this policy if the conduct does not meet the definition of sexual harassment described herein (Section V. Definitions, 2. Sexual Harassment) or if the conduct did not occur in the education program or activity against a person in the U.S. This dismissal only pertains to the Title IX Sexual Harassment Policy, not to other University policies that may be implicated.

A formal complaint may, at the University’s discretion, be dismissed from consideration under this policy if: 1) the Complainant(s) informs the Title IX Coordinator in writing that they wish to withdraw the formal complaint or allegations therein, 2) if the Respondent(s) is no longer enrolled or employed by the University, or 3) if specific circumstances prevent the University from gathering sufficient evidence to reach a determination.

The University must give the parties simultaneous written notice of a dismissal, mandatory or discretionary, and the reasons for the dismissal.

XIII. CONSOLIDATION:

The University may, in its discretion, consolidate formal complaints that arise out of the same facts.

XIV. INFORMAL RESOLUTION:

The University typically will not use mediation or any other informal procedure to resolve cases involving allegations of sexual assault or other nonconsensual sexual contact.

In certain instances of sexual harassment, the parties may voluntarily agree to follow an informal resolution procedure instead of the formal resolution procedure. In order to proceed with an informal resolution option, a formal complaint must be filed with the Title IX Coordinator.

Following the filing of the formal complaint, both parties must give voluntary, informed, written consent to request informal resolution to the Title IX Coordinator. The Title IX Coordinator or designee will determine, in their discretion, whether a matter is appropriate for an informal resolution process and whether any proposed resolution as a result of an informal resolution process is appropriate. If a matter is deemed to be appropriate for an informal resolution process, the Title IX Coordinator or his/her designee may arrange for mediation between the parties or coordinate other voluntary informal resolution.

Informal resolution procedures are optional and may be terminated at any time, prior to agreeing to a resolution, by any of the parties involved or the University and the matter may be referred to the formal hearing process.
procedure. Any agreements that are made during the informal resolution procedure must be documented, signed by the involved parties and the Title IX Coordinator or his/her designee. In the event that no agreement is reached, the matter may be referred to the formal hearing procedure for further action. All parties may have an advisor of choice at all meetings during the informal resolution process. Advisors are not permitted to speak or participate directly in any meeting but are only allowed to provide support and/or guidance directly to their respective party.

Informal resolution may not be utilized when the allegation is that of an employee sexually harassing a student.

XV. RETALIATION:
The University will take appropriate steps to assure that a person who in good faith reports, complains about, or participates in an informal resolution or formal investigation of a sexual harassment and/or discrimination allegation will not be subjected to retaliation. The University also will take appropriate steps to assure that a person against whom such an allegation is made is treated fairly. The Director of the Office of Equity and Diversity will take appropriate follow-up measures to assure the goals of this policy are met. Persons who believe they are experiencing retaliation are strongly encouraged to lodge a complaint with the University using the same procedure for lodging a discrimination/sexual harassment complaint.

XVI. RECORD KEEPING:
Records must be maintained for a minimum of seven (7) years. Matters involving Student Respondent(s) will be kept in Student Life, and matters involving Employee Respondent(s) will be kept in the Title IX office. This requirement applies to all records created to investigate an allegation of sexual harassment as defined in Section V. Definitions, 2. Sexual Harassment, of this policy.

XVII. TRAINING:
All investigators, hearing panel members, adjudicators, and Title IX coordinators will receive annual training. Trainings will posted on the Monmouth University website.

SEXUAL MISCONDUCT POLICY AND PROCEDURES
Monmouth University affirms the right of its students to participate in a community that is conducive to learning and personal growth. In order for this to be achieved, the environment of the campus needs to be one in that students feel safe and secure in their surroundings and free to explore the variety of opportunities available to them. Acts of sexual misconduct that include but are not limited to sexual assault, gender-based harassment, dating violence, domestic violence, sexual harassment, sexual exploitation, and stalking pose a serious threat to this spirit of community, and, as such, Monmouth University prohibits all forms of sexual misconduct and will endeavor to address these issues in the following manner.

I. NONDISCRIMINATION STATEMENT
Monmouth University supports equal opportunity in every phase of our operation including recruitment, admission, educational programs, and employment practices of recruitment, hiring, promotion, reclassification, transfer, compensation, benefits, termination, layoff and return from layoff, social and recreational programs, and any other aspects of education or employment. The University does not discriminate on the basis of race, color, creed, ancestry, national origin, nationality, sex (including pregnancy and sexual harassment), affectional or sexual orientation, gender identity or expression, atypical hereditary cellular or blood trait, genetic information, marital status, domestic partnership or civil union status, age, liability for military service, protected veteran status, or status as an individual with a mental or physical disability, including AIDS and HIV-related illnesses or any other protected category under applicable local, state, or federal law. The University also complies with all major federal and state laws and executive orders requiring equal employment opportunity and/or affirmative action.

Monmouth University affirms the right of its faculty, staff, and students to work and learn in an environment free from discrimination and harassment, including sexual harassment, and has developed procedures to be used to resolve discrimination or harassment complaints. II. JURISDICTION OF THE UNIVERSITY

In meeting its educational mission, Monmouth University recognizes the importance of establishing and enforcing acceptable community standards of behavior. In doing so, members of the University community should know that they will be held accountable for both their behavior and actions on campus as well as off campus as they relate to established laws and regulations of federal, state, and local agencies, as well as policies of the University.

In connection, individuals who are members of the University community have a responsibility to represent themselves in a lawful and responsible manner at all times, both on and off campus. It would be unreasonable to suggest that a person committing a wrong act, on or off campus, which violated both the Student Code of Conduct and Criminal statutes, could not be punished by all injured parties, e.g., the citizens of the state or local community and the University.

The University reserves the right to exercise its discretion on taking disciplinary action against students of the University when the University’s reputation or its orderly functioning as an academic community are clearly involved and distinct or to protect the safety and well-being of the campus community.

III. PROHIBITED CONDUCT

Monmouth University prohibits the following specified conduct:

1. Sexual Misconduct
2. Sexual Assault
3. Nonconsensual Sexual Contact
4. Dating Violence
5. Domestic Violence
6. Stalking
7. Sexual Exploitation
8. Sexual Harassment
9. Gender-Based Harassment
10. Retaliation

IV. DEFINITIONS

1. Sexual Misconduct
   Sexual Misconduct is defined as any sexual act or sexual contact upon another person without his or her explicit consent, that is a sexual offense under New Jersey criminal law (See NJSA title 2C:14-1, et. al.). Sexual Misconduct encompasses the act of sexual assault.

2. Sexual Assault
   Sexual Assault is sexual penetration of another person under any one of the following circumstances: (1) under the legal age of consent, (2) with a person who is incapable of giving consent because of temporary or permanent mental or physical incapacity, or (3) through the use or perception of physical force, threat, coercion.

3. Nonconsensual Sexual Contact
   Sexual Contact means any form of intentional touching, either directly or through clothing, of the victim’s intimate parts designed to degrade or humiliate the victim or cause sexual arousal or gratification to the actor. Sexual contact can also occur when an actor intentionally touches himself or herself while in the view of and aware of the victim’s presence and with the same purpose of humiliation, arousal, or self-gratification.

   Nonconsensual Sexual Contact is having sexual contact with another individual without affirmative consent, when an individual in incapacitated, or by threat or force.

4. Dating Violence
   Dating Violence is an act of domestic violence between individuals in a social relationship of a romantic or intimate nature.

5. Domestic Violence
   Domestic Violence is an actual or threatened physical harm or infliction of fear of imminent physical harm upon a family member,
6. Stalking

Stalking occurs when an individual engages in conduct directed at a specific person that would cause a reasonable person to fear for their safety or the safety of a third person or suffer other emotional distress. This includes cyber-stalking.

7. Sexual Exploitation

Sexual exploitation refers to nonconsensual abuse or exploitation of another person’s sexuality for the purpose of sexual gratification, financial gain, personal benefit or advantage, or any other non-legitimate purpose. (e.g., observing another individual’s nudity/sexual activity; allowing another to observe nudity/sexual activity without the knowledge and consent of all participants; nonconsensual streaming or distribution of images, photography, video or audio recording of sexual activity/nudity without the knowledge and consent of all participants).

8. Sexual Harassment

Sexual harassment is unwelcome action, language, or visual representation of a sexual nature that has the effect of unreasonably interfering with an individual’s education, employment, or participation in a University activity or that creates a hostile working, educational, or living environment. A form of quid pro quo (this for that) sexual harassment exists when submission to or rejection of unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature results in adverse educational or employment action, or the threat of such adverse action, or limits or denies an individual’s educational or employment access, benefits, or opportunities.

9. Gender-Based Harassment

Acts of aggression, intimidation, stalking, or hostility based on gender or gender stereotyping constitute gender-based harassment. Gender-based harassment can occur if students are harassed either for exhibiting what is perceived as a stereotypical characteristic of their sex or for failing to conform to stereotypical notions of masculinity or femininity. To constitute harassment, the conduct must unreasonably interfere with another person’s education or participation in educational programs or activities or create an intimidating, hostile, demeaning, or offensive academic or living environment.

10. Retaliation

Retaliation is any adverse action taken or threatened (including intimidation, threats, harassment, and other such action) against any complainant or person reporting or filing a complaint of sexual misconduct or any person cooperating in the investigation of allegations of sexual misconduct to include testifying, assisting, or participating in any manner in an investigation.

V. KEY TERMS

1. Affirmative Consent

Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that the person has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. Consent cannot be given when a person is incapacitated, which occurs when an individual lacks the ability to knowingly choose to participate in sexual activity. (e.g., lack of consciousness, being asleep, being involuntarily restrained, or being intoxicated).

2. Bystander Intervention

An active bystander is someone who acknowledges a problematic situation and takes on the personal responsibility to intervene with the goal of preventing a situation from escalating. The bystander must decide if they will speak up, step in, or offer assistance.

3. Force

Force is the use or threat of physical violence to overcome an individual’s free will to choose whether or not to participate in sexual activity or provide consent. Force may include words, conduct, or appearance. Force includes causing another’s intoxication or impairment through the use of drugs or alcohol. Coercion, intimidation, and non-physical threats can all be forms of force. Consent obtained by force is not valid.

4. Coercion

Coercion is to force one to act or not act based on fear of harm to self or others. Means of coercion may include, but are not limited to, pressure, threats, emotional intimidation, or the use of physical force. Consent obtained through coercion is not valid.

5. Incapacitation

Incapacitation is a physical condition where a person is unconscious or physically unable to leave or provide consent. This includes a mental condition, permanent or temporary, that makes the victim incapable of understanding the nature of the activity or unable to communicate due to a mental or physical condition.
VI. REPORTING PROCESS

1. For student complaints involving faculty or non-faculty employees of the University, please refer to the policies and procedures found on the following page: monmouth.edu/equity-and-diversity/discrimination-and-harassment.

2. For student complaints involving persons who are neither students nor employees of the University, please contact the following:
   - Monmouth University Police Department: 732-571-4444
   - The Office of Equity and Diversity (Title IX Coordinator): 732-571-7577
   - The Office of Student Life: 732-571-3417

3. For complaints against students in accordance with the Student Code of Conduct please contact the following:
   - Office of Student Life: 732-571-3417
   - Office of Equity and Diversity (Title IX Coordinator) 732-571-7577
   - Monmouth University Police Department 732-571-4444

4. For student complaints involving another student(s), there are several options regarding how to proceed. These options are:
   - Meeting with the Monmouth University Police Department, (732-571-4444) if the incident took place on campus, or meeting with the local police department if the incident took place off campus to file a police report. (See section XVI for local law enforcement contact information.)
   - Meeting with the Office of Student Life to file a complaint under the Student Code of Conduct and/or to request interim measures (732-571-3417).
   - File a complaint with the Title IX Coordinator/Deputy Title IX Coordinator in the Office of Equity and Diversity (732-571-7577).
   - Meet with a confidential resource, which includes Counseling and Psychological Services (732-571-7517) and the Health Center (732-571-3464).
   - Make an anonymous report concerning an act of sexual misconduct without disclosing Complainant’s name or the name of the Respondent or without requesting any action. This can be done by contacting the Office of Equity and Diversity, Office of Student Life, or Monmouth University Police Department.
   - A student may choose to take advantage of any or all of these options, simultaneously.
   - A student may choose not to pursue any of these options.

Students who may be victims/survivors of a sexual misconduct are encouraged to report the assault to the proper authorities as soon as possible. A psychological counselor from the Office of Counseling and Psychological Services, a representative from the Office of Student Life, or an individual from the Monmouth University Police Department will assist a student in notifying the proper authorities if the student requests assistance.

Equally important is the need for the student to seek medical attention immediately. It is critical that this be done as soon as possible to preserve any physical evidence. If a student wishes to have someone accompany them to the hospital, the student should inform MUPD, the Office of Student Life, the Office of Equity and Diversity, or a psychological counselor from the Office of Counseling and Psychological Services.

VII. AMNESTY POLICY

In order to encourage reporting, Monmouth University will grant amnesty to a student who violates the student code of conduct (for example, the use of illegal drugs or underage consumption of alcohol) while reporting sexual assault and/or sexual misconduct. For instance a student may be engaging in underage consumption of alcohol and witness another individual being sexually assaulted. The student’s should not hesitate to report the sexual assault because of their underlying violation of the student code of conduct. The University will not take action against that student for their underage consumption of alcohol because they reported a sexual assault.

This policy does not grant amnesty for students who are involved in criminal activity aside from the above mentioned violations of the student code of conduct. The University may require that the student who reported the incident attend educational remedies regarding the use of drugs and alcohol.

VIII. TITLE IX COORDINATOR

Monmouth University has a designated Title IX Coordinator and a Deputy Title IX Coordinator. These employees are responsible for compliance with Title IX of the Education Amendments of 1972, which prohibits sex discrimination, including sexual harassment, gender-based harassment, and sexual violence, in education programs.

The names and contact information for the Title IX/Deputy Title IX Coordinators can also be found at the following page: monmouth.edu/equity-and-diversity/our-office.
Following receipt of notice of an alleged violation of this policy, The Title IX Coordinator/Deputy Title IX Coordinator will conduct an assessment into the allegations to ensure that the alleged Respondent does not pose a threat to the campus community. The Title IX Coordinator/Deputy Title IX Coordinator will interview all involved parties as well as any witnesses to the incident. Both the Complainant and the Respondent will be informed of the options, resources, and interim measures available to them. The Title IX Coordinator/Deputy Title IX Coordinator will notify the Complainant and the Respondent of the outcome of the assessment, in writing, within five (5) business days of the completion of the assessment. If the assessment conducted by the Title IX Coordinator/Deputy Title IX Coordinator establishes that the Respondent poses a threat to the campus community, the University may choose to move forward under the Student Code of Conduct without the cooperation of the Complainant. The Title IX Coordinator/Deputy Title IX Coordinator cannot provide confidentiality to any parties involved in an allegation of sexual misconduct. Privacy will be provided to all parties involved to the extent that any information obtained will only be shared with people necessary to conduct the assessment. If the Title IX Coordinator/Deputy Title IX Coordinator receives an anonymous report of an alleged violation of this policy, an assessment will be conducted within the best of their ability given the information provided.

IX. INFORMAL RESOLUTION PROCEDURES FOR SEXUAL MISCONDUCT COMPLAINTS

The University will not use mediation or any other informal procedure to resolve cases involving allegations of sexual assault or other nonconsensual sexual contact.

In certain instances of sexual misconduct, the parties may voluntarily agree to follow an informal resolution procedure instead of the formal resolution procedure. The Title IX Coordinator or designee will determine whether a matter is appropriate for an informal resolution process and whether any proposed resolution as a result of an informal resolution process is appropriate. If a matter is deemed to be appropriate for an informal resolution process, the Title IX Coordinator or designee may arrange for or facilitate mediation between the parties or coordinate other voluntary informal resolution.

Informal resolution procedures are optional and may be terminated at any time by any of the parties involved or the University and the matter may be referred to the formal hearing procedure. Any agreements that are made during the informal resolution procedure must be documented, signed by the involved parties and the Title IX Coordinator or designee. In the event that no agreement is reached, the matter may be referred to the formal hearing procedure for further action.

All parties may have an advisor of choice at all meetings during the informal resolution process.

X. PROCEDURES FOR ON-CAMPUS DISCIPLINARY ACTION UNDER THE STUDENT CODE OF CONDUCT

1. Timeframes

A Complainant (student, employee, or third party) who is a victim of prohibited conduct by a student may file charges against any student of the University for that Prohibited Conduct. Persons wishing to file charges based on the Student Code of Conduct must do so through the Office of Student Life. The Assistant Vice President for Student Life or another judicial officer will conduct an investigation into the matter to ascertain the particular facts of the case. The investigation is a prompt, fair, impartial process that provides an equal opportunity for the parties to provide information and identify relevant witnesses. In sexual misconduct cases, mediation is not an option.

The University will seek to resolve every report under this policy within sixty (60) calendar days of an initial report, not counting any appeal. The University recognizes that each case has its own unique circumstances, and timeframes for each stage of the process may vary depending on the details of a case. The University may extend any timeframe for good cause, with a written explanation to the Complainant and Respondent.

The University’s process for responding to, investigating, and adjudicating reports under this policy will continue during any law enforcement proceeding or civil proceeding. The University generally will not wait for the conclusion of any related criminal proceeding. However, brief delays may occur to allow law enforcement to gather initial evidence.

2. Interim and Final Remedial Measures

In all cases, the University will take appropriate steps designed to mitigate the effects of the alleged prohibited conduct, prevent its reoccurrence, and make accommodations for the complainant(s) and respondent(s). These measures will be applied in a manner equitable to all parties involved. Such measures may include but are not limited to offering:

- Academic accommodations (e.g., changing a student’s academic schedule, allowing a student to withdraw from or retake a class without penalty, or providing access to tutoring or other academic support).
- Residential accommodations (e.g., changing a student’s campus residence).
- Work accommodations (e.g., adjusting a student’s work schedule for University employment).
- Issuance of a “no contact” letter through the Office of Student Life. The duration of these letters may vary depending on the particular situation in which they are issued and may be permanent.
• Training and educational materials for the campus community.
• Protective measures (e.g., interim suspension of the Respondent).

Any decisions regarding interim measures shall be made by the Office of Student Life in consultation with relevant University administrators. Such action may be taken in the immediate aftermath of an incident and/or while an investigation or a disciplinary action is pending. It is not necessary to file a complaint under this Policy, participate in the adjudication process, or file a criminal complaint in order to request services or accommodations from the University. Students may request accommodations even in cases where the victim has requested that no investigation be undertaken.

Students are provided written notice of these options in the Student Handbook, the University Sexual Misconduct Policy, as well as this guide, which is distributed to the campus community twice annually.

The Title IX Coordinator/Deputy Title IX Coordinator will seek to minimize unreasonable burdens on either party; however, reasonable efforts will be made to allow the parties to continue their academic, University housing, and/or University employment arrangements. While the University cannot provide confidentiality with respect to interim measure and accommodations, the University will only provide this information to those individuals who need to know in order to make them effective.

XI. HEARING, DETERMINATION, AND OUTCOME

The Office of Student Life will provide simultaneous written notice of the charges, date and time of the hearing, and the name of the hearing panel members to the Complainant and the Respondent no less than five (5) business days prior to the hearing. The hearing panel will be comprised of one member of the administration, one faculty member from the University Disciplinary Committee, and one student designated by the Student Government Association. The Vice President for Student Life and Leadership Engagement or his/her designee reserves the right to substitute a member of the administration for the student member for interim suspension hearings and during semester breaks and holidays when students are not generally present on campus. Both the Respondent and the Complainant will have an opportunity to object beforehand to the panel members. The Respondent may NOT waive his/her right to a hearing. The “preponderance of the evidence” standard will be used to make determinations in hearings. This means determining whether “is it more likely than not” that a violation of the Student Code of Conduct occurred.

The Respondent and the Complainant have the right to review any information provided to the University that will be used during the disciplinary proceedings. Both the Respondent and the Complainant have the right to submit written statements as to their account of the matter. Upon request, accommodations may be made to limit face-to-face contact between the respondent and the complainant during disciplinary hearings. In addition, both parties to the matter are entitled to have one advisor of choice. However, a person who will be a witness in the hearing may not also serve as an advisor. Each party is responsible for presenting his/her own information, and, therefore, advisors are not permitted to speak or participate directly in any meeting or hearing but are only allowed to provide support and/or guidance directly to their respective party. The parties should select an advisor who has a schedule that will allow attendance at the scheduled dates and times for meetings and hearings. Delays will not normally be permitted due to the scheduling conflicts of an advisor. The Title IX Coordinator and judicial officer must be notified by the parties at least two (2) business days prior to any scheduled meeting or hearing if they plan to have an advisor present for the meeting or hearing and, if so, the identity of the advisor. The Title IX Coordinator, his/her designee, and the judicial officer reserve the right to remove an advisor from any meeting or hearing for violation of this policy.

1. Request for Accommodations

All students with disabilities who are involved in the student conduct process, including complainants, respondents, supporters, and witnesses, may seek accommodations for any stage of the student conduct process, including hearings, conduct meetings, investigations, and any prehearing meetings. Any student requesting an accommodation must do so far enough in advance to allow the request to be reviewed and an appropriate accommodation identified and implemented. Accordingly, each student seeking an accommodation is strongly encouraged to do so as early as possible in the student conduct process. To request an accommodation, please refer to the policy on the following page: monmouth.edu/disability-services/current-students.

2. Statement of Witnesses

Any persons having specific knowledge of the matter may be called as witnesses. Every effort will be made to obtain names and written statements of witnesses and documentary evidence for both the complainant(s) and the respondent(s). If available, these documents must be submitted to the Office of Student Life at least five (5) business days prior to the hearing. The hearing panel may preclude the testimony of any witness who does not submit a statement in conformance with this requirement if, in the opinion of the hearing panel, allowing such testimony would substantially impair either the complainant’s or the respondent’s ability to effectively present their case. In making this determination the hearing panel shall consider such factors as the reasons why a statement was not on file, the nature of the testimony summarized in the proposed witness’s statement prior to the hearing, and other appropriate factors.
3. **Control of the Hearing Proceedings**

The presiding hearing officer shall exercise control over the manner in which the hearing is conducted to avoid unnecessary lengthy hearings and to prevent harassment or intimidation of witnesses. Anyone who disrupts a hearing or who fails to adhere to hearing guidelines may be excluded from the proceedings and is subject to disciplinary action.

4. **Burden of Proof**

A preponderance of the evidence standard shall be applied. Therefore it must be established that it is more likely true than not true that the alleged violation took place. It should be noted that the resolution is not dependent upon the number of witnesses who testify on either side, but rather on the credibility and weight that is attributed to such testimony.

5. **Privacy of Hearings**

The hearing shall be conducted in private. People not directly involved in the hearing are excluded from the proceedings.

6. **Questions during Hearings**

The hearing panel may address questions to any party during the proceedings or to any witness called by the parties or by the hearing panel. Complainants and Respondents may address their questions of witnesses through the hearing panel, which shall have the discretion to decide whether the question will be posed to the witness.

7. **Evidence for Consideration**

Pertinent records, exhibits, and written statements may be received as evidence for consideration by the hearing panel at the discretion of the chairperson. If available, these documents must be submitted to the Office of Student Life at least five (5) business days prior to the hearing. Both the Respondent and the Complainant will receive copies of such and will be given a similar, timely opportunity to review the documents.

8. **Appearance of Witnesses**

The hearing panel may require the presence of witnesses by sending them a letter via hand-delivery or certified mail, return receipt requested, or via email with a read/received receipt. University students and employees are expected to comply with such requests unless a verified hardship would result.

9. **Failure to Appear at Hearings**

The failure of individuals charged with misconduct to appear at a hearing after proper notice will not prevent the hearing from taking place or invalidate the outcome.

10. **Recording of Hearings**

A recording of the hearing shall be made. The recording will be under the control of the Vice President for Student Life and Leadership Engagement. A request to review the recording must be made in writing, and the recording must be reviewed in the Office of Student Life.

11. **Determination of the Hearing**

Within five (5) business days after the hearing deliberations are completed, the hearing panel shall determine (by majority vote) whether the Respondent has violated the Student Code of Conduct. The Chairperson, on behalf of the hearing panel, shall prepare a written report to the Vice President of Student Life and Leadership Engagement or his/her designee consisting of: a statement of charges, evidence presented to the panel, the decision of the hearing panel, and the sanctions imposed.

12. **Notification of the Hearing Board Decision**

The Vice President or his/her designee will notify both the Complainant and the Respondent simultaneously in writing of the hearing panel’s decision within five (5) business days of the receipt of the decision. The President of the University will also be notified of the decision.

**XII. APPEALS PROCESS**

An appeal shall be limited to the review of the verbatim record of the initial hearing and supporting documents unless a further hearing is required to receive and evaluate new evidence. An appeal may be initiated for one or more of the following purposes:

1. The hearing process as described in the code was materially violated in such a manner that the outcome could have been affected.

2. A violation of individual/organization rights as outlined in this document.

3. Submission of new evidence sufficient enough to alter a decision, or other relevant facts not brought out in the original hearing because such facts were not known to the person appealing at the time of the original hearing.

4. To determine if the sanctions imposed were appropriate for the violation(s) of the Student Code that the student was found to have committed.

A decision reached by a hearing panel or a sanction imposed may be appealed by either party. The appeal must be submitted in writing to the Vice President of Student Life and Leadership Engagement or his/her designee within five (5) business days of the finding by the hearing panel.
1. The appeal and any supporting documentation shall be sent to the opposing party for review. The opposing party shall be given five (5) business days to submit a reply.

2. The Vice President or his/her designee shall review the matter and render a decision on the appeal within twenty (20) business days from receipt of the written appeal.

3. Within five (5) business days of the receipt of the decision by the Vice President for Student Life and Leadership Engagement or his/her designee, an appeal can be made to the President. The appeal and any supporting documentation shall be sent to the opposing party for review. The opposing party shall be given five (5) business days to submit a reply.

4. The President or his/her designee shall make a final decision on the case within twenty (20) business days from the receipt of the appeal. The President or his/her designee shall make a final decision on the case.

Following the President’s or his/her designee’s decision, the matter shall be concluded with no further recourse.

All deadlines and timeline requirements set forth in this section may be extended for good cause. Both the respondent and the complainant will be notified in writing of any delay and provided the date of the new deadline.

XIII. SANCTIONS FOR SEXUAL MISCONDUCT

In accordance with the Student Code of Conduct, the following sanctions may be imposed by a hearing board or officer on a student found to have violated the sexual offense section in the code.

a. Fine—a monetary fine may be imposed as part of a student’s sanction. Fines are payable within a prescribed period of time to the Office of Student Life.

b. Disciplinary Probation—may include, but not be limited to, the possible exclusion or restricted participation in privileges or extracurricular University activities for a specified period of time including the possibility of more severe sanctions in the event of further violation of University regulations during the period of probation.

c. Education/Service Work—a requirement to participate in an educational program or to perform a number of service work hours. Included in this sanction may be a requirement to participate in a psychological consultation/assessment and/or counseling.

d. Residence Hall Probation—a defined period of time whereby a student living in residence is given an opportunity to modify his/her behavior without further violations.

e. Residence Hall Suspension—separation from the residence halls for a defined period of time.

f. Residence Hall Expulsion—permanent separation from the residence halls.

g. Suspension—separation of the student from the University for a definite or indefinite period of time. This action will be on record in the disciplinary files of the Vice President for Student Life and Leadership Engagement.

h. Expulsion—permanent separation of the student from the University. This action will be permanently recorded in the files of the Vice President for Student Life and Leadership Engagement.

XIV. ON-CAMPUS RESOURCES

Campus Sexual Assault
Victim’s Bill Of Rights

I. INTRODUCTION
A college or university in a free society must be devoted to the pursuit of truth and knowledge through reason and open communication among its members. Academic communities acknowledge the necessity of being intellectually stimulating where the diversity of ideas is valued. Its rules must be conceived for the purpose of furthering and protecting the rights of all members of the university community in achieving these ends. The boundaries of personal freedom are limited by applicable state and federal laws and institutional rules and regulations governing interpersonal behavior. In creating a community free from violence, sexual assault, and nonconsensual sexual contact, respect for the individual and human dignity are of paramount importance. The state of New Jersey recognizes that the impact of violence on its victims and the surrounding community can be severe and long-lasting. Thus, it has established this Bill of Rights to articulate requirements for policies, procedures, and services designed to insure that the needs of victims are met and that the colleges and universities in New Jersey create and maintain communities that support human dignity.

II. BILL OF RIGHTS
The following rights shall be accorded to victims of sexual assault that occur:

- On the campus of any public or independent institution of higher education in the state of New Jersey; and
- Where the victim or alleged perpetrator is a student at that institution; and/or
- When the victim is a student involved in an off-campus sexual assault.

“Campus authorities” as used in this act shall mean any individuals or organizations specified in an institution’s statement of campus security policy as the individuals or organizations to whom students and employees should report criminal offenses.

A. HUMAN DIGNITY RIGHTS
- To be free from any suggestion that victims must report the crimes to be assured of any other right guaranteed under this policy.
- To have any allegations of sexual assault treated seriously; the right to be treated with dignity.
- To be free from any suggestion that victims are responsible for the commission of crimes against them.
- To be free from any suggestion that victims were contributorily negligent or assumed the risk of being assaulted.
- To be free from any pressure from campus personnel to:
  - Report crimes if the victim does not wish to do so.
  - Report crimes as lesser offenses than the victim perceives the crime to be.
  - Refrain from reporting crimes.
  - Refrain from reporting crimes to avoid unwanted personal publicity.

B. RIGHTS TO RESOURCES ON/OFF CAMPUS
- To be notified of existing campus- and community-based medical, counseling, mental health, and student services for victims of sexual assault whether or not the crime is formally reported to campus or civil authorities.
- To have access to campus counseling under the same terms and conditions as apply to other students in their institution seeking such counseling.
- To be informed of and assisted in exercising:
  - Any rights to confidential or anonymous testing for sexually transmitted diseases, human immunodeficiency virus, and/or pregnancy.
  - Any rights that may be provided by law to compel and disclose the results of testing of sexual assault suspects for communicable diseases.

C. CAMPUS JUDICIAL RIGHTS
- To be afforded the same access to legal assistance as the accused.
- To be afforded the same opportunity to have others present during any campus disciplinary proceeding that is allowed the accused.
- To be notified of the outcome of the sexual assault disciplinary proceeding against the accused.

D. LEGAL RIGHTS
- To have any allegation of sexual assault investigated and adjudicated by the appropriate criminal and civil authorities of the jurisdiction in which the sexual assault occurred.
- To receive full and prompt cooperation and assistance of campus personnel in notifying the proper authorities.
- To receive full, prompt, and victim-sensitive cooperation of campus personnel with regard to obtaining, securing, and maintaining evidence, including a medical examination when it is necessary to preserve evidence of the assault.
E. CAMPUS INTERVENTION RIGHTS

- To require campus personnel to take reasonable and necessary actions to prevent further unwanted contact of victims by their alleged assailants.
- To be notified of the options for and available assistance in changing academic and living situations after an alleged sexual assault incident if so requested by the victim and if such changes are reasonably available.

F. STATUTORY MANDATES

- Each campus must guarantee that this Bill of Rights is implemented. It is the obligation of the individual campus governing board to examine resources dedicated to services required and to make appropriate requests to increase or reallocate resources where necessary to ensure implementation.
- Each campus shall make every reasonable effort to ensure that every student at that institution receives a copy of this document.
- Nothing in this act, or in any “Campus Assault Victim’s Bill of Rights” developed in accordance with the provisions of this act, shall be construed to preclude or in any way restrict any public or independent institution of higher education in the state from reporting any suspected crime or offense to the appropriate law enforcement authorities.

EDUCATIONAL AND AWARENESS PROGRAMS FOR PREVENTION OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, STALKING, INTERPERSONAL VIOLENCE, AND SEXUAL MISCONDUCT

Monmouth University sponsors programs throughout the year to promote awareness of sexual assault, acquaintance rape, domestic violence, dating violence, stalking, interpersonal violence, and other forms of sexual misconduct. Specific programs are presented during the New Student Orientation program and twice a year as part of the Greek education program. Additional programs are conducted throughout the year by the Office of Counseling and Psychological Services, the Office of Residential Life, and the Office of Student Life. The Office of the General Counsel, the Office of Equity and Diversity, and Student Life also conduct educational sessions and awareness for both students and employees throughout the year.

Monmouth University’s Office of Counseling and Psychological Services sponsors numerous programs throughout the year that are presented by both campus clinicians and outside specialists. Programs include, but are not limited to:

Monmouth University is a Community Partner with 180 Turning Lives Around, the local women’s center. The agency regularly participates in campus programs on sexual assault, partners with the University, and presents programs for students. The University is also a member of the Campus Consortium of the New Jersey Coalition Against Sexual Assault. The agency also supports Monmouth University programming and assists us with training staff and students; and in recent years a campus chapter, “Begin by Believing,” was established. Incoming students also receive CPS Emergency Services wallet cards with 24-hour hotline numbers.

Visa and Immigration Resources

Immigration & Visa Information for Victims of Sexual & Interpersonal Violence

In March 2013, Congress passed, and the President signed, a bill to reauthorize the Violence Against Women Act (VAWA). It requires institutions to provide written notices to students and employees (and to student and employee victims) about “existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims, both within the institution and in the community.”

Institutions are encouraged to notify victims about U and T nonimmigrant statuses, which are available to certain nonimmigrant crime victims. Other relevant information would be how withdrawing from courses—a common interim measure or accommodation—may affect status, or whether reporting to police may reveal that someone is out of status.

International students and scholars with questions about their immigration and visa status are advised to seek the assistance of an immigration attorney. This document is a resource to explain certain aspects of the law but is not a replacement for legal advice.

I’ve been a victim of assault; does my immigration status affect my ability to access on-campus resources?

No. Under the law, students, and staff who are victims or survivors of sexual and interpersonal violence receive the same rights under Title IX of the 1972 Education Amendments (Title IX) and the Violence Against Women Act (VAWA), regardless of immigration and visa status. Information about on-campus medical and counseling resources, as well as available accommodations, may be found at: monmouth.edu/student-life/handbook and monmouth.edu/sexual-misconduct/.

Can I press criminal charges as a documented or undocumented immigrant?

Yes. Information about New Jersey’s criminal definitions of sexual assault, domestic violence, dating violence, and stalking may be found in this Annual Security Report, which can also be located at the following link: monmouth.edu/university/campus-safety.aspx. Specific questions about filing charges may be addressed to:

Monmouth University Police Department
Captain Dean Volpe
732-571-4444

Are there specific visa and immigration statuses for victims of crimes?

Yes. For victims of sexual assault, domestic violence, dating violence, and stalking, there may be other visa options, including U and T visas. For specifics, talk to an immigration attorney.
U visa:

- Victim/applicant must be a victim of qualifying criminal activity and likely to be helpful to the investigation and/or prosecution of that criminal activity
- Generally valid for four years
- For more information, consult an immigration attorney, and see: uscis.gov/humanitarian/victims-human-trafficking-other-crimes/victims-criminal-activity-u-nonimmigrant-status/
  victims-criminal-activity-u-nonimmigrant-status

Visa Options: F-1 and J-1 status students
- Options for reduced course load approval due to medical conditions certified by a licensed medical doctor, doctor of osteopathy, or licensed clinical psychologist
- Options for, and consequences to, withdrawing from your academic program
- Information about returning to the academic program at a later date, if the student chooses to withdraw
- Options and consequences for accompanying spouses
- General information on options for changing visa status.
  (Referral to a qualified immigration attorney)

T visa
- For victims of human trafficking
- Must comply with reasonable requests from law enforcement for cooperation in investigation or prosecution of trafficking act(s) (unless unable to cooperate because of physical or psychological trauma), and must be able to demonstrate that the victim/applicant would suffer extreme hardship if removed from the United States
- Generally valid for four years
- For more information, consult an immigration attorney, and see: uscis.gov/humanitarian/victims-human-trafficking-other-crimes/victims-human-trafficking-t-nonimmigrant-status

Is there an office on campus that can provide me additional information?
Yes. International Students and Faculty Services can provide useful information regarding immigration status. Note that for questions regarding changes to other visa statuses, or legal options that fall outside of standard F-1 and J-1 student visas, or employer-sponsored work visas, consult a qualified immigration attorney.

What are immigration lawyers and what do they do?

Immigration lawyers are licensed attorneys who specialize in the field of immigration law. They function as the client’s advocate, and can represent clients before immigration agencies, both in immigration court as well as in filing applications for immigration benefits. The lawyer can give general advice and can discuss immigration options. Like all lawyers, immigration lawyers are bound by professional ethical and legal requirements, and keep client discussions confidential.

Where can I find a local immigration attorney?

- U.S. Citizenship and Immigration Services (USCIS), a bureau of the Department of Homeland Security (DHS), offers two sites to help individuals find free or low-cost legal representation.
- USCIS Find Help in Your Community webpage | USCIS Find Legal Services webpage
- The Board of Immigration Appeals (BIA) provides a listing of attorneys by state who provide immigration services either for free or for little cost.
- The American Immigration Lawyers Association (AILA) offers an online Immigration Lawyer Referral Service that can help a student or scholar find an immigration lawyer.

Good Samaritan Practice

The health and safety of students is of paramount concern to all at Monmouth University. Resources such as the University Police Department, Office of Residential Life, Substance Awareness, and the Health Center are available for students to seek assistance for themselves, and, equally important, their fellow students. Recognizing there are times when students or members of a University organization find themselves in a position where medical assistance is needed to ensure the proper care of a person who is significantly intoxicated or under the influence of drugs, the University has established this Good Samaritan Practice.

This practice has been established to ensure that proper medical assistance and intervention is sought in these instances and not delayed for fear of punitive action by the University under the Student Code of Conduct. All students are expected to act first out of concern for themselves and others by contacting appropriate University personnel, e.g., a Resident Assistant (RA), Area Coordinator (AC) or Head Resident, or the University Police to obtain emergency assistance.

UNDER THE GOOD SAMARITAN PRACTICE:

- Students and/or organizations that seek assistance from University, police, or medical authorities to address a situation involving a significantly intoxicated or under-the-influence individual(s) will not be charged with a violation of the University’s alcohol and/or drug policy.

- The practice applies to both the caller and the subject of the call if they under the legal drinking age to consume.

- This practice does not, however, preclude the University or other appropriate authorities from taking disciplinary action for other Student Code of Conduct offenses that may be associated with the situation, e.g., vandalism, theft, physical or sexual assault, etc., or the University Police Department filing appropriate criminal charges.

- Individuals and/or organizations involved in a situation that falls under the Good Samaritan Practice will be required to complete certain educational and counseling initiatives that are intervention and prevention based. Failure to complete these activities would result in action under the Code of Conduct.

Students and/or organizations that demonstrate a consistent and repeated pattern of such behavior, after appropriate intervention and education has been provided, will not be considered under this practice.

Alcoholic Beverages Policy

The Division of Student Life at Monmouth University is committed to the educational and social growth of students within the University’s community. On campus, students and their guests interact through a variety of programs and activities. The purpose of these events is to promote a healthy social experience on campus. The misuse and abuse of alcohol in whatever form is inconsistent with this purpose. The University encourages and supports students who abstain from the use of alcoholic beverages. It acknowledges that we live in a social environment that establishes by law a minimum age for the use of alcohol (21). Monmouth University does permit the consumption of alcohol on campus provided the guidelines established by the University, and departments within, are followed.

This policy has been established to regulate the use of alcohol on Monmouth University property or in University-owned or -sponsored housing and to promote the responsible conduct of Monmouth University students and others with regard to such use.

In addition, Monmouth University students are expected to follow the laws of the state of New Jersey off campus as well involving the use of alcoholic beverages. Students violating local and state alcoholic regulations off campus will be disciplined under the Student Code of Conduct. We recognize the need for order and regulation in this process and will not tolerate disruptive behavior or conduct that infringes upon the rights of those who wish to pursue their academic interests as responsible members of this community. The specific ramifications of violating this policy are outlined and specifically noted in the University’s Student Code of Conduct.

A. THE USE OF ALCOHOLIC BEVERAGES ON CAMPUS IS REGULATED PRIMARILY BY THE LAWS OF THE STATE OF NEW JERSEY AS FOLLOWS:

1. No one under 21 years of age may purchase, possess, or consume alcoholic beverages.

2. Transportation of open alcoholic beverage containers in any kind of vehicle, including University vehicles, on or off campus is a violation of state law. The transportation of alcoholic beverages by persons under 21 on campus is strictly prohibited. No person, regardless of age, may consume alcoholic beverages in public areas of the campus unless specifically approved by the Vice President for Student Life and Leadership Engagement or his/her designee.

3. The Attorney General has defined public areas as including Residence Hall entrances and lobbies, lounges, hallways and stairwells, or common grounds of a college or university to which the general public by specific or implied invitation has access, and in which an individual could have no reasonable expectation of privacy.
4. The sale or distribution of alcoholic beverages to persons under the legal drinking age is a serious criminal offense. Individuals can be held liable to both criminal and civil action (i.e., lawsuits for damages and negligence) for the injury or death of any person resulting, either directly or indirectly, from the distribution of alcoholic beverages by them to a person under the legal drinking age.

5. Any University official who knowingly distributes alcohol to an underage person will be charged criminally and will be disciplined.

6. All employees are expected to exercise good judgment when consuming alcohol on campus and are expected to behave appropriately and within the confines of the law.

B. DEFINITION OF ALCOHOL:

This policy has been designed to ensure a uniform application and understanding. The definition of “alcoholic beverage” is to be interpreted in the broadest sense. Therefore, alcohol and alcoholic beverages are defined as any beverage that has an alcoholic content. This would include, but not be limited to, all forms of alcoholic beverages, beer, wine, wine coolers, and distilled spirits.

C. JURISDICTION AND VIOLATIONS:

1. The All University Social Event Alcohol Policy shall apply to every function and event, excluding those held at private residences owned by the University, including but not limited to receptions, banquets, dinners, tailgating, picnics, or any outdoor event, social event, and campus-wide activity sponsored by organizations or individuals associated with Monmouth University. All events must be registered and regulated as outlined below.

2. This policy shall be in effect during all periods of the year, including the summer.

3. Student violations of this policy will be reviewed under the jurisdiction of the Student Code of Conduct and appropriate sanctions applied. Applicable sanctions are outlined within the Code of Conduct. Violations by other constituencies or groups within the University may include criminal prosecution, disciplinary action up to and including discharge, and the loss of future approval for alcohol-related events for a prescribed period of time.

D. RESTRICTIONS ON QUANTITY:

Kegs, beer balls, and similar products are prohibited on University property. Kegs and beer balls, as well as taps, will be subject to confiscation by University officials should they be discovered.

E. REGISTRATION AND REGULATIONS OF EVENTS – POLICY IMPLEMENTATION

1. Any event at which there will be alcoholic beverages must be authorized by the Vice President for Student Life and Leadership Engagement or his/her designee.

An Application for Social Affair Permit must be submitted for approval to the Vice President for Student Life and Leadership Engagement or his/her designee four (4) weeks in advance of the event to allow time to obtain approvals from the West Long Branch Monmouth University Police Captain and the West Long Branch Clerk and submission to the State of New Jersey if there is a cost associated with the alcohol either based on an admission fee or a cash bar. A Monmouth University Alcohol Contract must be submitted for approval to the Vice President for Student Life and Leadership Engagement or his/her designee two (2) weeks prior to the event if alcohol is being served without charging a fee. If University funds are being used for the purchase of alcohol, an Alcohol Approval Form must first be submitted to the area vice president or school dean for approval and signature two weeks in advance of the event. School deans must get approval from the Vice President for Academic Affairs and Provost if utilizing funds out of the Dean’s budget.

2. All wine and cheese parties, theatre receptions, pre- and post-game activities, and all other events where the consumption of alcohol has been authorized must comply with all hosting responsibilities outlined in this policy.

3. Events involving alcohol will be permitted within University housing on the north side of campus, within the Quad, or other open areas on the north side of campus only with the approval of the Vice President for Student Life and Leadership Engagement or his/her designee.

4. Unauthorized consumption, possession, selling, or serving of alcoholic beverages is prohibited.

5. Any person who is authorized to host an event with alcohol must follow all guidelines established by this policy and adhere to the section entitled, “Hosting Responsibilities for an Event.”

6. The Vice President for Student Life and Leadership Engagement may suspend the privilege of serving alcoholic beverages on the campus by any group or organization for any
time period considered appropriate when there is evidence that the group or organization has failed to cooperate with the University in achieving the objectives of this alcohol policy.

7. Events selling alcohol under the University’s liquor license are restricted to the following spaces:
   - The Great Hall (first floor and other portions of building)
   - Stafford Center (first and second floors)
   - Magill Commons (entire building)
   - Pollak Theatre Lobby

**F. HOSTING RESPONSIBILITIES FOR AN EVENT:**

Any person(s) authorized to host an event is responsible for the following:

1. Make appropriate arrangements to obtain all applicable permits and complete and submit a Monmouth University Alcohol Contract. If University funds are being used to purchase the alcohol being served, an Alcohol Approval Form must be first submitted to the area vice president or school dean for approval and signature two weeks prior to the scheduled event. If the event is being sponsored by the school dean utilizing the dean’s budget, the school dean must get approval from the Vice President for Academic Affairs and Provost. A copy of the form is available on the shared drive under Public Forms. A copy of these materials must be submitted to the Vice President for Student Life and Leadership Engagement at least two (2) weeks in advance of the event. A guest list must also be provided noting the name of each guest and their affiliation to the University, e.g., staff, faculty, alumni, etc.

2. If alcoholic beverages are being served at an event, either through the cost of admission or on a cash basis, a Social Affairs Permit from the New Jersey State Division of Alcoholic Beverage Control (ABC) will be required. The process to apply for a license must be started at least four (4) weeks in advance of the event by first contacting the Office of the Vice President for Student Life and Leadership Engagement for approval and further directions. The cost associated with obtaining such a license will be the responsibility of the host and due at the time of application. Once your event is approved by the Division of ABC you will be issued an event license that must be displayed at your event and a copy must be submitted to the Vice President for Student Life and Leadership Engagement or his/her designee.

3. Provide adequate safety and security as determined by the Vice President for Student Life and Leadership Engagement in consultation with the University Monmouth University Police Captain and the event’s sponsor.

4. The consumption of alcoholic beverages will take place only during the timeframe authorized by the Vice President for Student Life and Leadership Engagement or his/her designee, and within the designated area. The event must stop serving alcohol at least one half hour before the time that the event is scheduled to end. Any deviation from the established timeframe or designated area will be a violation of this policy.

5. Ensuring that provisions are made to regulate portions of alcoholic beverages that will be served during an event. Intoxicated persons should not be served. In addition, “drinking games” and shots are strictly prohibited.

6. The alcohol provided for the event must be acquired from a liquor store or a retail licensee (see attached Addendum A).

7. The host or host organization is responsible for the care of the facility and must make all arrangements to have the area cleaned.

8. It is the responsibility of the host to ensure that all state and local laws with regard to the possession or consumption of alcoholic beverages are being complied with. Failure to do so will result in disciplinary action against the host of the organization or the organization itself.

9. The host or a designee is responsible for being present at the event throughout the entire period that alcohol is being served or consumed. There are no exceptions to this policy.

**G. PROHIBITION OF “OPEN” EVENTS AND CONSUMPTION**

1. All University events on campus that involve the consumption of alcohol are limited to the members of the University and their invited guests.

**H. AMENDMENTS TO THE POLICY**

All requests for amendments to this policy must be directed to the Vice President for Student Life and Leadership Engagement for consideration. Any changes to this policy will be made in accordance with policy implementation as outlined in the Administrative Policies and Procedures Handbook.

**EDUCATION AND PREVENTION**

The education and prevention regarding the use and misuse of alcohol is a responsibility that is shared by the entire campus community. To ensure an understanding of this policy and compliance, the University
has established a variety of programs and mechanisms to promote responsible consumption of alcohol and provide for adequate education regarding the effects of alcoholic beverages.

To accomplish this:

1. The prevention of behavior that violates this policy and the abuse of alcoholic beverages will be coordinated by the Division of Student Life.

2. The University will provide resources and time for the prevention of, and the education concerning, conduct that violates this policy. The University will provide information to deans, Student Life personnel, directors, student organizations, and staff regarding: student rights and responsibilities concerning this policy, the availability of personal counseling regarding alcohol abuse, and the opportunities for alcohol-free sponsored events and programs.

3. The University will provide training to those students who work in a variety of “peer helping” roles on the University’s campus that encompass referrals, resources, and methods for handling conduct covered in this policy.

HEALTH RISKS

The health risks most commonly associated with the use of alcoholic beverages are described below:

Whether in the form of beer, wine, or liquor, alcohol is a mind-altering chemical, which has effects similar to barbiturates and narcotics. Alcohol acts as a depressant to the central nervous system. In small amounts, alcohol can produce mild relaxation and a feeling of well-being. In large amounts, alcohol can cause intoxication, sedation, unconsciousness, or death.

Hangovers are probably the best known sign of too much alcohol in the body. They are caused by the body’s reaction to the toxic, or poisonous, effects of alcohol. Often those effects can occur at very low levels of drinking.

Liver—95% of all alcohol is metabolized by the liver. Because clearing alcohol out of the body is a “priority,” the other functions of the liver, such as regulating blood glucose levels, are slowed down.

Stomach—Alcohol causes a surge in the flow of digestive acids, which can irritate the stomach lining. Nausea and vomiting frequently occur, while regular, heavy drinking can cause ulcers and chronic stomach problems.

Nervous System—Alcohol suppresses almost every function, causing problems such as slurred speech, uncoordination, loss of balance, and memory loss.

Heart—Alcohol makes the heart work harder and less efficiently. Long-term heavy drinking is associated with heart muscle disease, irregular heartbeats, and an increased risk of coronary artery disease.

Other Heart Problems—Heavy, prolonged, or excessive drinking can lead to malnutrition, cancer, psychological problems, miscarriages, possible birth defects, and infertility in women, as well as impotency and sterility in men.

UNIVERSITY RESOURCES AND PROGRAMS

PROGRAM REVIEW
In compliance with Federal Law, this policy will be reviewed biennially to determine the effectiveness of the University’s Alcohol and Drug Prevention Program to implement changes to the program as required, and to ensure that disciplinary sanctions are consistently enforced.

APPENDIX A
USCS 11145G. DRUG AND ALCOHOL ABUSE PREVENTION
Notwithstanding any other provision of law, no institution of higher education shall be eligible to receive funds or any form of financial assistance under any Federal program, including participation in any federally funded or guaranteed student loan program, unless it certifies to the Secretary that it has adopted and has implemented a program to prevent the use of illicit drugs and the abuse of alcohol by students and employees that, at a minimum includes:

1. The annual distribution to each student and employee of —

**Substance Abuse Policy**

The use of drugs by students can create conditions that are contrary to those deemed necessary for the maintenance of an optimal academic environment. Monmouth University affirms its responsibility to secure this optimal educational atmosphere by establishing the following policy:

The use, possession, or sale of alcohol, illegal drugs, or narcotics, and/or paraphernalia by a student will subject that individual to disciplinary action and legal prosecution under federal, state, or local statutes. The decision rendered shall be determined by the circumstances of the student’s involvement. In addition, the presence of the odor of marijuana, and the possession of drug paraphernalia or any device used to ingest marijuana in any campus residence hall, building, etc., may also subject students to internal disciplinary action.

**A. DRUG LAWS**

According to the New Jersey Code of Criminal Justice pertaining to controlled substances, students should be aware of the following:

1. It is unlawful for any person, knowingly or purposely, to manufacture, distribute or dispense, possess, or have under his/her control with the intent to manufacture, distribute, or dispense, a controlled dangerous substance or controlled substance analog.

2. It is unlawful for any person, knowingly or purposely, to obtain or to possess a controlled dangerous substance unless the substance was obtained directly by a valid prescription from a practitioner (physician, dentist, etc.).

3. Anyone convicted of distributing a controlled substance to a person under age 18 will be subject to twice the term of imprisonment, fine, and penalty.

4. New Jersey law provides strict liability for drug-induced deaths. Even if the victim voluntarily takes the drug, the person who distributes or dispenses the controlled substance can be prosecuted for a homicide. Anyone convicted of any drug offense, including use, will have to pay a special penalty that starts at $500 and goes up to $32,000.

5. Anyone convicted of any drug offense will automatically lose his or her driver’s license for at least six months. It doesn’t matter if a car was used in committing the offense.

**B. HEALTH RISKS**

The health risks most commonly associated with the use of alcoholic beverages, drugs, and narcotics are described below:
Drugs and Narcotics
We live in a drug-oriented society. Drugs have saved lives, reduced pain, and improved the quality of our lives. However, misuse and abuse of drugs can cause critical injury or death.

Marijuana—Marijuana is a drug taken to produce a high or euphoric feeling and a state of relaxation. The short-term effects of marijuana include distortion of time perception, increased heart rate, dilation of the blood vessels, and loss of short-term memory. Visual perception and psychomotor skills are also decreased, which have adverse effects on driving ability. The effects of long-term use include loss of motivation, chronic bronchitis, decreased lung capacity, and an increased risk of lung cancer. In men, marijuana use can result in reduced levels of testosterone.

Cocaine—Cocaine is a powerful stimulant. It is most often inhaled (snorted) into the nose. It can also be smoked or injected. No matter how it is taken, the drug’s immediate effect is to create a high that is often described as orgasmic or euphoric. It creates increased alertness, suppresses appetite, and temporarily relieves depression. Studies indicate that cocaine’s effect on the body and psyche is dangerous. It is thought that some of the damage caused by cocaine is irreversible. The least harmful effects are nosebleeds and nasal erosions that result from irritation of the lining of the nose. Most dangerous are the “coke blues”, which are intense downs that often occur after a high, which results in the user trying other drugs to relieve the psychological and emotional discomfort. There is a strong psychological dependency on “coke”, which slowly increases as tolerance develops.

Stimulants—Caffeine is the most widely used stimulant, and can be found in coffee, tea, cola, and cold medications. Amphetamines are also stimulants. They are also referred to as “speed” and “uppers.” Stimulants increase awareness, keep people awake, and depress the appetite. Short-term effects include elevated blood pressure, nervousness, and hyperactivity. Long-term effects include insomnia, malnutrition, and acute psychosis.

Depressants—Depressants, also called “downers,” include quaaludes, barbiturates, and tranquilizers. These drugs reduce anxiety, induce sleep, and promote relaxation. Used together, they can be extremely dangerous and can suppress the central nervous system enough to cause death. Downers cause slower response time, loss of rational judgment, decreased coordination, and loss of motor skills. Driving skills are seriously affected. Tolerance and physical dependence often develops.

Hallucinogens—Hallucinogens include LSD, mescaline, and PCP. They produce dream-like perceptions and/or panic reactions that produce horrifying perceptions. PCP is a hallucinogen, which is particularly dangerous and can cause a person to become violent to himself/herself and others.

Ecstasy—Ecstasy (MDA) is a drug that became popular in the 1980s. It has been billed as “the perfect drug” by enhancing thinking, coordination, and empathy. The use of “Ecstasy” also results in irreversible brain damage. Although most hallucinogens do not result in physical or psychological dependence, tolerance to them can develop.

Narcotic Analgesics—These drugs include opium, morphine, heroin, and codeine. They relieve pain. Improper use of narcotics can result in physical dependence in a relatively short period of time. A narcotic overdose can result in death.

Steroids—Steroids are drugs that resemble the male sex hormone, testosterone. Popular since the 1950s, steroids have been used by athletes and body builders to increase muscle mass and improve athletic performance. The true effectiveness of steroids in improving strength and performance is not known; however, it is known that steroids pose certain health risks. Taken in large doses, steroids can cause psychological dependence, increased anger, aggression, depression, and will stunt growth in adolescents who have not attained their full height. Men may also experience nipple and breast growth, shrunken testicles, and baldness. Intravenous steroid users are at risk for hepatitis, liver cancer, an altered sex drive, and AIDS.

Medical marijuana, while legally permitted in New Jersey, is prohibited on the Monmouth University campus and on all Monmouth University-owned or -controlled property. As an institution of higher education and an employer, Monmouth University is required to comply with the Drug Free Schools and Communities Act. Since the federal government does not recognize the difference between medical and recreational use of marijuana, Monmouth University must prohibit all marijuana use, possession, or cultivation (including medical marijuana) on its campus and on all University-owned or -controlled property. Therefore, even a student with a valid medical marijuana prescription will not be permitted to use, possess, or cultivate medical marijuana on the Monmouth University campus or on any Monmouth University-owned or -controlled property. Monmouth University will not pursue charges under the Student Code of Conduct for students who possess a valid medical marijuana prescription and engage in the off-campus use of medical marijuana, which is consistent with their prescription. Campus Security Authorities

A. DEFINITION
The Clery Act regulations define the following persons as campus security authorities:

1. A member of a campus police department or a campus security department of an institution.
2. Any individual or individuals who have responsibility for campus security but who does not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).
3. Any individual or organization specified in an institution’s statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
4. An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings unless the official is exempt from being a campus security authority as set forth in this policy.

B. RESPONSIBILITIES OF CAMPUS SECURITY AUTHORITIES (CSAs)

1. Campus Security Authorities must report allegations of Clery Act crimes that they conclude happened in good faith to the Monmouth University Police Department. Allegations of Clery Act crimes can be reported on the Monmouth University Campus Security Authority Crime & Incident Report Form and submitted to the Monmouth University Police Department. A copy of the form can be obtained from the Monmouth University Police Department. It is important to report allegations to the Monmouth University Police Department immediately because the report may be the basis for determining if there is a serious or continuing threat to the safety of the campus community that may warrant a timely warning or Hawk Safety Alert. If a CSA is unsure whether or not an incident is a Clery crime, he or she should report it.

2. Unless a CSA is a Monmouth University Police Officer, he or she is not responsible for determining authoritatively whether or not a crime took place and should never try to apprehend an alleged perpetrator of a crime.

3. If an individual reporting an incident needs assistance, a CSA should explain how to get help. CSAs should let a victim know that help is available even if he or she does not want an investigation conducted. If it is an emergency situation, the CSA should immediately contact the Monmouth University Police Department at 732-571-4444 or call 911.

4. CSAs do not have the responsibility to try and convince a victim to contact law enforcement if a victim chooses not to do so. However, if a victim does not want a report to go any further than the CSA, a CSA must explain that he or she is required to submit the report for statistical purposes, but can submit the report without identifying the victim.

D. EXAMPLES OF NON-CAMPUS SECURITY AUTHORITIES AT MONMOUTH UNIVERSITY

Individuals who would not meet the criteria for being campus security authorities include, but are not limited to:

1. A faculty member who does not have any responsibility for student and campus activity beyond the classroom.

2. Clerical staff.

3. Professional counselors whose official responsibilities include providing mental health counseling to members of the Monmouth University community and functioning within the scope of his/her license or certification.

4. All physicians, nurse practitioners, clinicians, coordinators in Health Services whose official responsibilities include treating, examining, and/or counseling members of the Monmouth University community and functioning within the scope of his/her license or certification, including, but not limited to:
   a. Substance Awareness Coordinators  
   b. Volunteer Substance Awareness Assistants  
   c. University Health Clinicians  
   d. Consulting Physicians  
   e. University Nurse Practitioners  

Note: Individuals in Sections C and D above who are not acting within the scope of their license may be considered a campus security authority if they meet the definition. An example would be a psychological counselor who is an advisor to the student club. If an incident was reported during a club event, the individual must report as a CSA.
I. WHAT ARE MY RESPONSIBILITIES AS A CAMPUS SECURITY AUTHORITY?

- If an individual reporting an incident needs assistance, a CSA should explain how to get help. Let a victim know that help is available even if he or she does not want an investigation conducted. The decision to act on this option is the victim’s. However, in the midst of an emergency situation, a CSA should immediately contact the MUPD at 732-571-4444 or call 911.

- If a victim does not want a report to go any further than the CSA, explain that you are required to submit the report for statistical purposes, but you can submit it without identifying the victim.

- If a crime is reported to you and goes no further than that, Monmouth University will not have fulfilled its obligation under the law and the campus community might not have the information they need to stay safe on campus. If the Department of Education finds that Monmouth University did not report a crime/incident in its annual security report, it can be fined and lose its federal funding, i.e., financial aid. Again: IF IN DOUBT, REPORT!

- Submit your crime/incident report in a timely manner. Forms can be accessed by the Office of the General Counsel or the MUPD. You may even report in an email to the MUPD.

- Reports shall be submitted to the MUPD.

II. PREPARATION AND DISCLOSURE OF CRIME STATISTICS

The Monmouth University Police Department is responsible for collecting and reporting the annual crime statistics from local police agencies and campus security authorities. This information is included in the Monmouth University Guide for a Safe Campus. By October 1 of each year, notification of the new Guide for a Safe Campus is emailed to current students and employees. A hard copy of the report is available upon request to the Monmouth University Police Department. The crime statistics are also submitted to the United States Department of Education on an annual basis.

The Monmouth University Police Department collects its own statistics and accepts supplemental numbers from campus security authorities in their reporting roles. The Monmouth University Police Department also annually sends a request to local law enforcement agencies that have jurisdiction over some of the University’s Clery geography. Additionally, an annual notice is sent to each individual Campus Security Authority at Monmouth University to ensure that all incidents have been reported for the previous calendar year. Clery reporting covers the preceding calendar year, January 1 to December 31.

Crime and Fire Statistics Charted

The charted statistics on the following pages are provided in compliance with the Clery Act and are for informational purposes only. If you have questions regarding this information, please contact Monmouth University Police Captain Dean Volpe at 732-571-4444.

The Monmouth University Police Department has an excellent working relationship with neighboring police departments and is notified of any significant criminal activity reported to local police involving Monmouth University students.
Surrounding police departments have also been requested to immediately report any serious crimes adjacent to the campus, or any imminent dangerous situation near the campus, to the University police. This information will then be forwarded to the campus community.

In order to assist the University police in complying with requirements set forth by the Jeanne Clery Act, members of the University community are encouraged to report all criminal activities to the Monmouth University Police Department at 732-571-4444 to ensure timely warnings are issued, and to ensure inclusion of those activities in the annual statistics.

Per Federal Law, Monmouth University is required to annually disclose statistical data on all fires that occur in on-campus student housing facilities. Listed below are the nonemergency numbers to call to report fires that have already been extinguished in on-campus student housing. If you find evidence of such a fire or if you hear about such a fire, please contact one of the following:

- University Police Department: 732-571-4444
- William Siemer- Executive Director for Campus Planning and Facilities Management: 732-571-3546

When calling, please provide as much information as possible about the location, date, time, and cause of the fire.

CONFIDENTIAL REPORTING

Students wanting to report criminal activities confidentially should contact the Director of Counseling and Psychological Services, the Vice President for Student Life and Leadership Engagement, or the Assistant Vice President for Student Life. Employees who wish to report criminal activities confidentially should contact the Executive Director for Campus Planning and Facilities Management.

As a matter of University policy, members of the counseling and psychological services staff are required to inform individuals they are counseling that they can confidentially report crimes as stated in the paragraph above.

Sexual Harassment Policies And Procedures

PROCEDURES FOR REPORTING AND RESOLVING COMPLAINTS REGARDING DISCRIMINATION/SEXUAL HARASSMENT AGAINST FACULTY

I. INTRODUCTION

Consistent with the University’s mission as an institution of higher education and its policies against discrimination and sexual harassment, the University abides by all applicable federal, state, and local laws that prohibit discrimination, including, but not limited to, on the basis of race, religion, color, national or ethnic origin, age, sex (including sexual harassment), sexual orientation, marital status, disability, gender identity, or other legally protected classes in any educational or employment program, policy, or practice of Monmouth University (including outside contractors and visitors). In accordance with these laws and policies, the University also prohibits retaliation against anyone who has complained about discrimination or otherwise exercised rights guaranteed by these laws. Regardless of the means selected for resolving allegations of discrimination, including sexual harassment, the initiation of a complaint will not cause any reflection on the complainant nor will it affect such person’s employment, compensation, or work assignments. Every effort should be made to resolve any incident as soon as possible while the facts and potential testimony of witnesses, if any, are current.

II. PROCEDURE

The procedures described below are provided for the prompt and equitable resolution of complaints by faculty, students, and non-faculty employees who believe they have been subjected to discrimination, including sexual harassment in violation of the University’s policy against discrimination and sexual harassment. These procedures will be followed when the alleged violator is a faculty member of the University. Separate procedures address non-faculty members. Allegations of discrimination, including sexual harassment involving a student, are addressed through the Student Code of Conduct. Nothing in this procedure shall limit or prohibit the filing of a grievance or action under a collective bargaining agreement, the University’s Code of Conduct for student disciplinary actions, or with an external agency responsible for addressing issues of discrimination or sexual harassment.

A. OPTIONAL INFORMAL PROCESS BETWEEN THE PARTIES

1. If a person believes that he or she has been discriminated against, the following are the optional procedures for informal resolution. If the complainant wishes, he or she may choose to file a formal complaint rather than pursue the procedures for informal resolution. (See Section II C.)

2. Those initiating an informal resolution process may inform, either orally or in writing, the individual perceived as engaging in discriminatory conduct or communication as soon as possible that such conduct or communication is offensive and must stop. If a meeting is arranged, a neutral witness may be present. The Director of the Office of Equity and Diversity may be present to provide assistance in attempting to resolve the alleged complaint.

3. If a person does not wish to or feel comfortable communicating directly with the alleged violator or if the direct communication with that individual has not resolved the problem, the person should contact one of the following for assistance or advice as soon as possible:

   a. Appropriate Chairperson, School Dean, or officer of the Faculty Association.
   b. Counselor/Advisor in Counseling and Psychological Services.
   c. The Vice President for Student Life and Leadership Engagement.
   d. His/her immediate supervisor.
   e. The Executive Director for Campus Planning and Facilities Management.
   f. The Provost.
   g. The Director of the Office of Equity and Diversity.

4. The Director of the Office of Equity and Diversity may be contacted directly at any time regarding any issue of discrimination or sexual harassment. Again, if the individual filing the complaint wishes, he or she may choose to file a formal complaint, (see Section II, C for formal complaint procedures).

5. Any University official approached with a complaint pursuant to this procedure, including the appropriate officials listed above, shall immediately notify the Director of the Office of Equity and Diversity of the complaint and its substance.

6. The Director of the Office of Equity and Diversity will initiate the informal resolution process.

B. INFORMAL RESOLUTION PROCESS

1. The initial attempt at resolving a complaint regarding discrimination or sexual harassment may be conducted according to an informal process.

2. During this initial phase, the student, employee, or faculty...
member filing the complaint (complainant) may meet with the appropriate University officials designated in Section II, A.2 or the Director of the Office of Equity and Diversity in order to describe the complaint verbally. No written outline of the complaint is required at this stage unless requested by the Director of the Office of Equity and Diversity. The requesting party will be afforded an opportunity to review the written complaint.

3. The Director of the Office of Equity and Diversity will investigate the complaint informally. This investigation is limited to meetings with the complainant, the person accused of having committed the alleged act or acts (respondent), and except for unusual circumstances, any other appropriate campus administrators, faculty members, members of the nonacademic staff, and/or students who may have knowledge of the situation.

4. The following items shall be included in the initial meeting with both the complainant and the respondent as soon as possible thereafter:
   a. A copy of the University policy allegedly violated and a copy of these procedures will be given.
   b. Assurance that the matter will be pursued.
   c. Assurance that the Director of the Office of Equity and Diversity or another appropriate official will be available throughout the process to answer questions or address concerns.
   d. Assurance that the matter will be kept confidential to the extent possible.
   e. Assurance that retaliation will not be permitted. Any acts of retaliation shall be subject to investigation and shall be properly addressed.

5. The Director of the Office of Equity and Diversity, along with, when appropriate, other involved University officials, shall discuss the initiation of the complaint with the respective parties, the process of investigation and resolving the complaint, and the timetable for the completion of this process, i.e., investigation, resolution, and recommendation. An attempt to resolve the complaint with the complainant and the respondent will follow.

6. The Director of the Office of Equity and Diversity will attempt to reach an informal resolution within fifteen (15) working days and inform the complainant of the results in writing, including providing information about how to file a formal complaint. If the informal resolution is not completed, the Director of the Office of Equity and Diversity will contact the complainant, who may choose to extend the informal process for up to fifteen (15) working days or to move directly to the formal complaint process.

7. Every effort will be made to resolve the complaint at the lowest level possible and consistent with the desires of the person bringing forward the complaint. However, the University recognizes that under certain circumstances, it has a legal obligation to ascertain where discrimination and/or sexual harassment exist irrespective of whether a formal complaint is actually filed. Therefore, at any point during the informal process, either the complainant, respondent, or the Director of the Office of Equity and Diversity may move the complaint to the formal process set forth below.

C. FORMAL COMPLAINT PROCEDURE

1. Should the initial informal attempt or attempts to resolve the matter be unsuccessful, or if the student or employee chooses not to utilize the informal complaint process, the complainant may initiate the formal complaint procedure. A formal complaint must be submitted in writing to the Director of the Office of Equity and Diversity.

2. The student or employee should file a formal complaint within ninety (90) working days following the last alleged discriminatory incident. Where the informal complaint process has been pursued, the ninety (90)-day limit can be extended.

3. When a student believes that it is not in his or her best interest for a complaint to be investigated during the course of a semester, the formal complaint must still be filed within the above time limit. However, at the written request of the student and approval by the Director of the Office of Equity and Diversity, notice to the charged parties shall be delayed to no later than fourteen (14) working days after the end of the semester in which the alleged discriminatory act is alleged to have occurred. Under such circumstances, all of the time limits dependent on the date of the formal complaint shall start to run from within fourteen (14) working days after the end of the semester.

4. The written complaint must be filed with the Office of Equity and Diversity and include the following:
   a. The complainant’s name, campus location, and status within the University community, including title, department, and school as appropriate.
   b. The basis of the alleged act or acts of sexual harassment or discrimination; that is, race, religion, color, national or ethnic origin, age, sex, sexual orientation, marital status, disability, gender identity, or other protected class.
   c. A brief description of what occurred, including dates, times,
and names of witnesses or individuals who can corroborate the allegations, and the complainant’s reason for concluding that the behavior or action was discriminatory or sexually harassing.

d. The name and position in the University community held by the person or persons who committed the alleged act(s).

e. Copies of materials, if any, which may be relevant to the investigation of the complaint.

f. The date(s) on which the alleged act(s) was committed.

g. The date(s) on which the complainant first knew of the alleged act(s), and any steps the complainant has taken to date, if any, to resolve the complaint.

h. A statement indicating the remedy sought by the complainant.

i. The signature of the complainant.

D. PROCEDURES FOR INVESTIGATING FORMAL WRITTEN COMPLAINTS

1. As soon as possible, but within fourteen (14) working days after receipt of the written complaint, the Director of the Office of Equity and Diversity of the University shall review the materials, which comprise the written complaint, and commence investigation of the complaint. The Director of the Office of Equity and Diversity shall consult, if appropriate, with a faculty resource person with regard to academic and classroom behavioral issues. The Provost, when appropriate, upon request from the Director of the Office of Equity and Diversity, shall select the faculty resource person in consultation with the Faculty Association. The formal investigation may include initial meetings with the complainant and with the respondent, a discussion of the available procedures, and an exploration of possible avenues for resolution of the complaint. As part of the investigation, the Director of the Office of Equity and Diversity will notify the respondent of the allegations within ten (10) working days from receipt of the complaint, and shall provide the respondent with a copy of the written complaint.

2. If the investigation of a complaint would require interviewing students or employees who may not be available between semesters, and those interviews are significant to the complaint, these deadlines will be delayed until the beginning of the following semester and the complainant so notified.

3. Possible outcomes of an investigation are (1) a finding that the allegations are not warranted or could not be substantiated, (2) a finding that the allegations are substantiated and constitute sexual harassment, discrimination, or inappropriate behavior and, if so, will be referred to the Provost for corrective action, (3) a finding that the allegations were brought forth in bad faith or a malicious manner and, if so, will be referred to the appropriate administrative authority for corrective action, (4) a finding that the allegations could not be substantiated, but still warrant preventative or corrective training/education by the University for the affected area.

4. The Director of the Office of Equity and Diversity shall, as soon as possible, but within sixty (60) working days after receipt of the written complaint, make every effort to complete a fact-finding investigation of the complaint and submit a final report to the Vice President and General Counsel.

5. The Vice President and General Counsel will review the findings of the investigation with the Provost, who will then take appropriate action, if any. The Faculty Association will be notified that a decision has been made and the name of the faculty member involved. The Director of the Office of Equity and Diversity will be notified by the Vice President and General Counsel as to the proposed actions, if any, against the parties in the complaint.

6. The Director of the Office of Equity and Diversity will within five (5) working days notify all parties of the determination and consult with the appropriate University authorities to insure implementation of the decision.

E. UNIVERSITY ACTION

Where required by state and federal law, the University may assume the role of a complainant and pursue a report or complaint of sexual harassment or discrimination, either informally or formally. The University may respond to complaints or reports by persons external to the University community about alleged sexually harassing or discriminatory conduct by University faculty.

III. DISCIPLINE

Whenever a violation of this policy is brought to the University’s attention through appropriate channels, prompt corrective action will be taken. For example, individuals found to have engaged in discrimination, sexual harassment, or retaliation pursuant to these procedures may be subject to disciplinary action for violations of the University’s policies (up to and including separation from the University). The University will follow applicable University procedures in taking any disciplinary action. Any disciplinary action taken against a member of a collective bargaining unit will be in accordance with the applicable collective bargaining agreement.
IV. APPEALS

PROCEDURES FOR REPORTING AND RESOLVING COMPLAINTS REGARDING DISCRIMINATION/SEXUAL HARASSMENT AGAINST NON-FACULTY EMPLOYEES

I. INTRODUCTION
Consistent with the University’s mission as an institution of higher education and its policies against discrimination and sexual harassment, the University abides by all applicable federal, state, and local laws that prohibit discrimination on the basis of race, religion, color, national or ethnic origin, age, sex (including sexual harassment), sexual orientation, marital status or disability in any educational or employment program, policy, or practice of Monmouth University (including outside contractors and visitors). In accordance with these laws and policies, the University also prohibits retaliation against anyone who has complained about discrimination or otherwise exercised rights guaranteed by these laws. Regardless of the means selected for resolving allegations of discrimination, including sexual harassment, the initiation of a complaint will not cause any reflection on the complainant nor will it affect such person’s employment, compensation or work assignments or, in the case of students, grades, class selection, or other matters pertaining to his or her status as a student at the University. Every effort should be made to resolve any incident as soon as possible while the facts and potential testimony of witnesses, if any, are current.

II. PROCEDURE
The procedures described below are provided for the prompt and equitable resolution of complaints by faculty, students, and non-faculty employees who believe they have been subjected to discrimination, including sexual harassment in violation of the University’s policy against discrimination and sexual harassment. These procedures will be followed when the alleged violator is not a faculty member or a student of the University. Separate procedures address faculty members. Allegations of discrimination, including sexual harassment involving a student, are addressed through the Student Code of Conduct. Nothing in this procedure shall limit or prohibit the filing of a grievance or action under a collective bargaining agreement, the University’s Code of Conduct for student disciplinary actions, or with an external agency responsible for addressing issues of discrimination or sexual harassment.

All employees and students, covered by this procedure, who believe they have been subjected to discrimination, including sexual harassment, have several ways to make their concerns known.

A. INITIAL ATTEMPT AT INFORMAL RESOLUTION (OPTIONAL)
1. If a person believes that he or she has been discriminated against, the following are the optional procedures for informal resolution. If the complainant wishes, he or she may choose to file a formal complaint rather than pursue the procedures for informal resolution. (See Section II, C.)

2. Those initiating an informal resolution process may inform, either orally or in writing, the individual perceived as engaging in discriminatory conduct or communication as soon as possible that such conduct or communication is offensive and must stop. If a meeting is arranged, a neutral witness should be present.

3. If a person does not wish to or feel comfortable communicating directly with the alleged violator or if the direct communication
with that individual has not resolved the problem, the person should contact one of the following for assistance or advice as soon as possible:

a. Your immediate supervisor, appropriate School Dean, or Chairperson.
b. Counselor/Advisor in Counseling and Psychological Services.
c. The Vice President for Student Life and Leadership Engagement.
d. The Executive Director for Campus Planning and Facilities Management.
e. The Provost.
f. The Director of the Office of Equity and Diversity.

4. The Director of the Office of Equity and Diversity may be contacted directly at any time regarding any issue of discrimination or sexual harassment. Again, if the individual filing the complaint wishes, he or she may choose to file a formal complaint, (see Section II, C for formal complaint procedures).

5. Any University official approached with a complaint pursuant to this procedure, including the appropriate officials listed above, shall immediately notify the Director of the Office of Equity and Diversity of the complaint and its substance.

6. The Director of the Office of Equity and Diversity will initiate the informal resolution process.

B. INFORMAL RESOLUTION PROCESS

1. The initial attempt at resolving a complaint regarding discrimination or sexual harassment may be conducted according to an informal process.

2. During this initial phase, the student or employee filing the complaint (complainant) may meet with the appropriate University officials designated in Section II, A.2 or the Director of the Office of Equity and Diversity in order to describe the complaint verbally. While no written outline of the complaint is required at this stage, such a written outline or any other written materials related to the complaint will be reviewed.

3. The Director of the Office of Equity and Diversity will investigate the complaint informally. This investigation may include but is not limited to meetings with the complainant, the person accused of having committed the alleged act or acts (respondent), and any other appropriate campus administrators, faculty members, members of the nonacademic staff, and/or students who may have knowledge of the situation.

4. The following items shall be included in the initial meeting with both the complainant and the respondent as soon as possible thereafter:

a. A copy of the University policy allegedly violated and these procedures will be given.
b. Assurance that the matter will be pursued.
c. Assurance that the Director of the Office of Equity and Diversity or another appropriate official will be available throughout the process to answer questions or address concerns.
d. Assurance that the matter will be kept confidential to the extent possible.
e. A statement regarding non-retaliation.

5. The Director of the Office of Equity and Diversity, along with, when appropriate, other involved University officials, shall discuss the initiation of the complaint with the respective parties, the process of investigation and resolving the complaint, and the timetable for the completion of this process, i.e., investigation, resolution and recommendation. An attempt to resolve the complaint with the complainant and the respondent will follow.

6. The Director of the Office of Equity and Diversity will attempt to reach an informal resolution within fifteen (15) working days and inform the complainant of the results in writing, including providing information about how to file a formal complaint. If the informal resolution, is not completed, the Director of the Office of Equity and Diversity will contact the complainant who may choose to extend the informal process for up to fifteen (15) working days or to move directly to the formal complaint process.

7. Every effort will be made to resolve the complaint at the lowest level possible and consistent with the desires of the person bringing forward the complaint. However, the University recognizes that under certain circumstances, it has a legal obligation to ascertain where discrimination and/or sexual harassment exist irrespective of whether a formal complaint is actually filed. Therefore, at any point during the informal process, either the complainant, the respondent, or the Director of the Office of Equity and Diversity may move the complaint to the formal process set forth below.

C. FORMAL COMPLAINT PROCEDURE

1. Should the initial informal attempt or attempts to resolve the matter be unsuccessful, the complainant may initiate the formal complaint procedure. A formal complaint must be submitted in writing to the Director of the Office of Equity and Diversity.
2. The student or employee should file a formal complaint within ninety (90) working days following the last alleged discriminatory incident. Where the informal complaint process has been pursued, the ninety (90)-day limit can be extended.

3. When a student believes that it is not in his or her best interest for a complaint to be investigated during the course of a semester, the formal complaint must still be filed within the above time limit. However, at the written request of the student and approval by the Director of the Office of Equity and Diversity, notice to the charged parties shall be delayed to no later than fourteen (14) working days after the end of the semester in which the alleged discriminatory act is alleged to have occurred. Under such circumstances, all of the time limits dependent on the date of the formal complaint shall start to run from within fourteen (14) working days after the end of the semester.

4. The written complaint must be filed with the Office of Equity and Diversity and must include the following:
   a. The complainant’s name, campus location, and status within the University community, including title, department, and school as appropriate.
   b. The basis of the alleged act or acts of sexual harassment or discrimination; that is, race, religion, color, national or ethnic origin, age, sex, sexual orientation, marital status, or disability.
   c. A brief description of what occurred, including dates, times, and names of witnesses or individuals who can corroborate the allegations, and the complainant’s reason for concluding that the behavior or action was discriminatory or sexually harassing.
   d. The name and position in the University community held by the person or persons who committed the alleged act(s).
   e. Copies of materials, if any, that may be relevant to the investigation of the complaint.
   f. The date on which the alleged act(s) was committed.
   g. The date on which the complainant first knew of the alleged act(s), and any steps the complainant has taken to date, if any, to resolve the complaint.
   h. A statement indicating the remedy sought by the complainant.
   i. The signature of the complainant.

D. PROCEDURES FOR INVESTIGATING FORMAL WRITTEN COMPLAINTS

1. As soon as possible, but within fourteen (14) working days after receipt of the written complaint, the Director of the Office of Equity and Diversity of the University shall review the materials that comprise the written complaint and commence investigation of the complaint. The Director of the Office of Equity and Diversity shall consult, if appropriate, with a faculty resource person with regard to academic and classroom behavioral issues. The Provost when appropriate, upon request from the Director of the Office of Equity and Diversity, shall select the faculty resource person. The formal investigation may include initial meetings with the complainant and with the respondent, a discussion of the available procedures, and an exploration of possible avenues for resolution of the complaint. As part of the investigation, the Director of the Office of Equity and Diversity will notify the respondent of the allegations within the ten (10) working days from receipt of the complaint, and shall provide the respondent with a copy of the written complaint.

2. If the investigation of a complaint would require interviewing students or employees who may not be available between semesters, and those interviews are significant to the complaint, these deadlines will be delayed until the beginning of the following semester and the complainant so notified.

3. Possible outcomes of an investigation are (1) a finding that the allegations are not warranted or could not be substantiated, (2) a finding that the allegations are substantiated and constitute sexual harassment, discrimination, or inappropriate behavior and, if so, will be referred to the appropriate administrative authority for corrective action, (3) a finding that the allegations were brought forth in bad faith or a malicious manner and, if so, will be referred to the appropriate administrative authority for corrective action, or (4) a finding that the allegations could not be substantiated but still warrant preventative or corrective action by the University.

4. The Director of the Office of Equity and Diversity shall, as soon as possible, but within sixty (60) working days after receipt of the written complaint, make every effort to complete a fact-finding investigation of the complaint and submit a final report to the Vice President and General Counsel.

5. The Vice President and General Counsel will review the findings of the investigation with the appropriate area Vice President, who will then take appropriate action. The Director of the Office of Equity and Diversity will be notified by the Vice
President and General Counsel as to the proposed actions, if any, against the parties in the complaint.

6. The Director of the Office of Equity and Diversity will within five (5) working days notify all parties of the determination and consult with the appropriate University authorities to insure implementation of the decision.

The University may assume the role of a complainant and pursue a report or complaint of sexual harassment or discrimination, either informally or formally. The University may respond to complaints or reports by persons external to the University community about alleged sexually harassing or discriminatory conduct by University employees.

III. DISCIPLINE

Whenever a violation of this policy is brought to the University’s attention through appropriate channels, prompt corrective action will be taken. For example, individuals found to have engaged in discrimination, sexual harassment, or retaliation pursuant to these procedures may be subject to disciplinary action for violations of the University’s policies (up to and including separation from the University). The University will follow applicable University procedures in taking any disciplinary action. Any disciplinary action taken against a member of a collective bargaining unit will be in accordance with the applicable collective bargaining agreement.

Such an appeal shall be submitted in writing and shall be decided within fourteen (14) working days of its receipt. The determination of the President will be deemed final and binding.

V. CONFIDENTIALITY

1. Cases involving discrimination and especially sexual harassment are particularly sensitive and demand special attention to issues of confidentiality. Dissemination of information relating to the case should be limited to individuals who have a legitimate need to know or who have information relevant to the investigation in order that the privacy of all individuals involved is safeguarded to the extent practicable under the circumstances.

2. Every effort should be made to protect members of the University community so that they may use the discrimination and sexual harassment grievance procedures without fear of reprisal or retaliatory action.

3. University employees and students are obligated to comply with requests to provide statements during an investigation.

VI. FALSE CHARGES

Once a complaint of sexual harassment and/or discrimination has been made, the University has an obligation to investigate the matter. The right of each student to reasonable privacy will likewise be honored, respecting the student’s rights granted under FERPA.

Monmouth University recommends that all students register a Confidential Contact who will be notified if a student has been determined as missing. The Confidential Contact form is sent out to all students residing on campus during the beginning of every academic semester. Students can also find this registration form through Web Advisor listed under e-Forms if they choose to register a contact at a later date. The Confidential Contact will be notified within 24 hours if a student is reported missing. MONMOUTH UNIVERSITY EMERGENCY NOTIFICATION SYSTEM

Register at: notify.monmouth.edu

In an effort to keep all members of the Monmouth University community apprised of the latest school closings and important emergency information, community members are required to visit notify.monmouth.edu and register for Monmouth University Emergency Notification System. This service allows the University to send emergency alerts to students, faculty, and staff. You can receive these alerts on your mobile and home telephones. Communication during crisis situations is an important part of the University’s response to emergency situations. It is key to the health and safety of the campus community that they be notified of important information in as timely a manner as possible. It is also important to note that our communication system may be redundant, as any one system may be compromised due to weather, malicious intent, or normal wear and tear.

Communication between police dispatch, the campus community, and first responders is a key to the successful resolution of any incident or emergency on or near the campus. We ask that you review and familiarize yourself with these systems. Please also note the important requirement to sign up for Monmouth University Emergency Notification System, since this is our primary emergency notification resource.

It is only with knowledge of the emergency communication system that you can take advantage of it in time of need.

Emergency Action Plan

I. POLICY
A. This plan has been developed to comply with the OSHA Hazardous Waste Operations and Emergency Response Rule, as set forth in OSHA 29 C.F.R. 1910.120 (q), and 1910.38(a). This plan is designed to minimize hazards to workers at Monmouth University (the “University”). In the event of a fire, chemical spill, or other incident, University employees shall follow the procedures below, evacuate from the danger area, and are not permitted to assist in handling the emergency except as specified in this and referenced plans.

PLEASE NOTE: This policy applies to all segments of the University except Monmouth Park Corporate Center (“MPCC”). In the event of an emergency at the MPCC, dial 911. On campus, contact MUPD at ext. 4444 (732-571-4444).

B. This plan applies to:
   1. Fire emergencies;
   2. Natural gas leaks;
   3. Bomb threats and suspicious letters or packages;
   4. Chemical exposures and spill procedures;
   5. Accidents and first aid;
   6. Maintenance emergencies; and
   7. Research animal on campus.

C. FIRE EMERGENCIES
1. The University Fire Evacuation Policy outlines the procedure to be followed to evacuate students and employees from a campus building in the event of an emergency.
2. The Monmouth University Police Department (MUPD) must be notified immediately of such situations at ext. 4444 (732-571-4444).
3. MUPD shall notify the local fire department of the emergency.
4. The Fire Evacuation Policy, at a minimum, shall include the elements listed at OSHA 1910.38 (a) and (b), and shall be reviewed annually and updated as necessary.

Fire Evacuation Policy

I. POLICY STATEMENT:
A. Employees are not required to fight fires and should evacuate the building they occupy immediately in the event of a fire. The University Police Department has primary responsibility for managing fire emergencies (until relieved by applicable fire department personnel) and must be notified immediately of such situations at their emergency number, ext. 4444, or if dialing from off campus, 732-571-4444. Employees may use fire extinguishers to fight small, incipient-stage fires (no larger than a wastepaper basket) only if they have been trained in the proper use of a fire extinguisher and are confident in their ability to cope with the hazards of a fire. In such cases, fire-fighting efforts must be terminated when it becomes obvious that there is danger of harm from smoke, heat, or flames.

II. EMERGENCY COORDINATORS:
A. Each University department head must maintain a current copy of the Fire Evacuation Policy and Procedures and review the contents of this document with all employees in the department.
B. In addition, the Director of Compliance/Risk Manager must appoint at least two Emergency Coordinators for each building or group of buildings on campus. One of the Emergency Coordinators will serve as the primary emergency contact and the other(s) will serve as the back-up coordinator(s). All assigned emergency coordinators will be provided the same information and training.
IV. EVACUATION PROCEDURES:
A. Evacuate via the nearest stairwell or street-level exit.
B. Do not use elevators.
C. Each University building has a predesignated assembly point.
D. After you have left the building, go to the predesignated assembly point and remain there. At the assembly point, supervisors will account for all personnel and report any that are unaccounted for to the University Police.
E. During an emergency, students and visitors who may not be familiar with this plan must be informed by faculty or department personnel of the requirement to evacuate.
F. Special attention should also be given to any person requiring assistance because of a disability, especially those who are visitors or unfamiliar with the building.
   1. People requiring evacuation assistance should proceed to the nearest stairwell and position themselves to the side of the stairwell. The presence and location of these individuals should be reported to the emergency responders or University Police (ext. 4444).
   2. Emergency personnel will attend to their evacuation.
   3. In the unlikely event that a person needing evacuation assistance must be evacuated before emergency personnel arrive, the person shall be asked to instruct as to the safest method of evacuation for him or her.
G. No one is permitted to reenter any building until the ranking police officer or commander on the scene has given the “all clear” message.

V. TRAINING:
A. Each department head is responsible for training its employees on all elements of this Emergency Action Plan and Fire Evacuation Policy.
B. New employees will be provided instruction on where to obtain this document and given the Fire Evacuation Factsheet attached to this policy during initial training by the Office of Compliance when first assigned to the department.
C. Additional training is necessary when an employee’s responsibilities under the plan change or when there are changes to the plan. Additional training is available upon request from the Office of Compliance (compliance@monmouth.edu).

III. REPORTING FIRE AND EMERGENCIES:
A. If a fire is discovered, activate the nearest fire alarm and call the University Police Department at ext. 4444.
   1. Give your name, the location of the emergency, and the nature of the emergency.
   2. If the fire alarm does not work, or the building is not equipped with one, dial ext. 4444 and notify occupants verbally of the emergency and the need to evacuate.
   3. You should only attempt to put out the fire if you have been trained and are comfortable with using a fire extinguisher; otherwise, immediately evacuate the building.
   4. Hazardous equipment or processes should be shut down before leaving unless doing so presents a greater hazard.
   5. Remember to close all doors when leaving as long as conditions permit.
VI. RESIDENCE HALLS:

A. The Associate Vice President for Student Life is responsible for establishing evacuation procedures for University students residing in residence halls, campus apartments, and University, sponsored housing.

B. These procedures shall be in writing and made available to Conference Services and Special Events, Athletics, and all other departments that utilize the residence halls, athletics, and/ or campus apartments to house students, employees, or visitors. See “PROCEDURES FOR RESIDENTIAL LIFE STAFF TO ASSIST IN EVACUATION OF RESIDENCE HALLS.”

VII. CONFERENCE AND EVENT SERVICES:

A. The Senior Director of Conference Services and Special Events, or their designee, is responsible for notifying groups who have contracted through them for space of the evacuation procedures for all areas they will be occupying.

B. These groups must be notified of the evacuation procedures for the areas they will be occupying prior to the start of their event.

VIII. FIRE DRILLS:

A. The New Jersey Uniform Fire Code, as well as other State and local regulations and ordinances, require that the University conduct inspections and fire drills of campus buildings.

B. These inspections and drills must conform to the regulatory requirements and must be properly documented.

C. When discrepancies and/or violations occur, they must be identified and corrected.

D. Violations include, but are not limited to:
   1. Failure of building occupants to exit a building;
   2. Disregard of fire alarms; and
   3. Disregard of a legitimate directive of police officers and other emergency personnel.

A. The University prohibits, without prior approval, the use of open flames (e.g., candles, incense, hot plates, bonfires, etc.) of any type, anywhere on campus, including sporting events.

B. Exceptions to this Policy can be found listed in the section “MONMOUTH UNIVERSITY LIST OF EXCEPTIONS REGARDING OPEN FLAMES.”

C. The procedure for obtaining approval requires the group to submit, in writing, a memorandum including the details of the event to the Dean, University Monmouth University Police Captain, Area Vice President, and department head.

X. POSTINGS:

The Monmouth University Fire Evacuation Information Plaque shall be displayed in each department area within the building.

XI. DISTRIBUTION:

This Fire Evacuation Policy and the Fire Evacuation Factsheet shall be distributed annually to all employees.

PROCEDURES FOR RESIDENTIAL LIFE STAFF TO ASSIST IN EVACUATION OF RESIDENCE HALLS

however, all threats are taken seriously. All bomb threats (even if considered to be a hoax) must be reported to the Monmouth University Police Department (MUPD).

The purpose of this policy is to inform University personnel of the proper procedures to follow in the event of a bomb threat. All employees are required to familiarize themselves with these procedures.

Most bomb threats are received by telephone. These threats are sometimes reported by persons who want to create an atmosphere of anxiety or panic, which could possibly result in the disruption of normal activities at a specific location(s). Terrorist or politically motivated bombers usually select targets that will bring publicity and political gain. Criminally motivated bombers usually select targets for reasons related to revenge, intimidation, extortion, etc.

In the event a bomb threat is received, a command post will be established at MUPD Headquarters where authorized personnel will be stationed to direct operations.

Emergency coordinators will assist in coordinating the evacuation of their building or area. (According to the University’s Fire Evacuation Policy, there should be an emergency coordinator in each building. Employees should familiarize themselves with the location of the nearest emergency exit in your building. Each department head is responsible for accounting for his/her personnel. The building’s Emergency Coordinator should identify himself or herself to the first responding police officer.

The following procedures should be followed in the event you receive a phone call, a verbal or physical threat, or suspicious mail or package.

II. RECEIVING AND REPORTING A THREAT

A. Remain calm; call MUPD at ext. 4444 and notify your department head.

B. The MUPD Shift Commander or his/her designee will immediately notify the Major Crimes Unit of the Monmouth County Prosecutor’s Office.

C. If possible, obtain the following information by using the Bomb Threat Checklist:

1. If your phone has a caller ID display, copy the numbers and/or letters. Do not hang up the phone. If possible, have another person listen in on the conversation. Immediately have someone contact MUPD from another phone. Give the name, phone number, and room number where the bomb threat was received so the person who received the call can be reached if needed.

2. Listen. Be calm and courteous. Do not interrupt the caller. Obtain as much information as you can. Take notes on exact
phrases or statements. Note the time the call is received, the sex and accent of the caller, his/her attitude, and any background noises that can help identify where the caller may be located (bells, talking, traffic, etc.). Try to keep the caller on the line as long as possible.

3. The most crucial information you can obtain from the caller is what time the bomb will explode, where it is located, and the appearance of the bomb. Also ask if they placed the bomb, where they placed it, and their name.

4. If the threat was left on a voicemail, notify MUPD immediately and do not delete or forward the message.

5. Do not use two-way radios or cell phones: radio signals have the potential to detonate a bomb. If at all possible, use a landline telephone.

6. Do not evacuate the building until MUPD arrives and assesses the threat.

7. Do not activate the fire alarm. This may cause unnecessary panic.

8. The MUPD Shift Commander will respond and make a determination whether or not the fire alarm should be activated, if occupants should evacuate, and/or to search the building.

QUESTIONS TO ASK:

1. When is the bomb going to explode? When will the device function? When will the release occur?
2. What is the material involved? How much material is involved?
3. Where is it right now?
4. What does it look like? What kind of device is it?
5. What will cause the device to function?
6. Did you place the device? Why? Are there additional devices?
7. What is your name? Where are you? What is your address?
III. SUSPICIOUS LETTER OR PACKAGE:

A. If you see a suspicious package, do not touch or move it. Evacuate the area. Do not assume it is the only package.

B. If the threat is received as a letter or in some other form of writing, upon discovery the letter or note should be immediately secured and the MUPD must be contacted at ext. 4444. The note should be handled as little as possible as it may be useful in an investigation. If the suspicious letter was not yet opened, do not open it. MUPD will collect the letter as is for further analysis.

C. Be familiar with the following Letter and Parcel Bomb Recognition Points:
   1. Foreign mail, airmail, an unexpected delivery, and/or special delivery
   2. Restrictive markings, such as “confidential” or “personal”
   3. Excessive postage
   4. Handwritten or poorly typed addresses
   5. Incorrect titles
   6. Titles but no names
   7. Misspellings of common words
   8. Oily stains or discoloration
   9. No return address
   10. Excessive weight
   11. Rigid envelope
   12. Lopsided or uneven envelope
   13. Protruding wires or tinfoil
   14. Excessive securing material, such as masking tape or string
   15. Visual distractions
   16. Strange odor
   17. Strange sounds

IV. EVACUATION PROCEDURE

Once the circumstances of the threat are assessed, a decision will be made whether or not to evacuate an area or building of the University. You should remain calm. Do as directed—do not waste time.

If you are directed to evacuate, please do the following:

A. Take outdoor clothing, keys, handbag, briefcase, etc. with you if it can be done without delay. Evacuate via the nearest accessible exit. DO NOT RUN. DO NOT USE ELEVATORS.

B. In classrooms, the faculty member is responsible for immediately evacuating students from the building and ensuring that the classroom door is closed upon exiting.

C. In science laboratories, ensure that all burners, and/or open flames are turned off and gas jets are closed before leaving the classroom and the door is closed after you exit.

D. Staff and personnel in offices should make sure that all doors are shut as they leave.

E. In residential buildings, if safety and circumstances permit, upon exiting the building the Residential Life staff RAs should knock on the doors of the residents of their floor and direct the residents to immediately leave the building.

F. Each University building has a predesignated assembly point. Staff and students should gather at the assembly point as soon as possible for further direction. Further instructions will be provided by emergency responders; evacuees should stand a minimum of 300 feet from the building or where directed.

G. You are required to cooperate with emergency personnel.

H. Individuals with physical disabilities may remain in a building during an emergency evacuation only if they are nonambulatory, or when elevator assistance is essential for their evacuation and such individuals are located either above or below the ground floor. Please advise the appropriate emergency personnel if you require assistance. Evacuees who have knowledge of the location(s) of individuals requiring evacuation assistance should contact or seek out the emergency responders and provide that information after they have evacuated. All other persons physically able to evacuate should evacuate.

Once the area and/or building has been evacuated, Emergency Personnel and Facilities Management Staff will be posted at all possible entrance points to prevent people from inadvertently entering a hazardous area. Once evacuated, staff must not reenter the facility. If a search is needed, this will be performed by emergency personnel, who have been trained to deal with these types of situations.

When the situation has been resolved, emergency/security personnel will direct employees and students when it is safe to reenter the building or provide further direction.

Please Note: The Office of University Marketing and Communication (732-571-5346) will handle any press inquiries. University personnel are not authorized to make any statement to the press or news media.

V. HANDLING OF SUSPICIOUS UNOPENED PACKAGES OR ENVELOPES

At any time a package or envelope is received that appears suspicious, these instructions should be followed.
When personal protective equipment is required, authorized employees to be trained in its proper use and maintenance; and

Standard operating procedures for proper handling and storage of hazardous substances. These procedures have been implemented and are enforced as a method of emergency prevention.

2. EXPOSURES/SPILLS AT EDISON SCIENCE BUILDING OR SPILLS REQUIRING OUTSIDE RESOURCES

IV. ANNUAL REVIEW

This plan shall be reviewed annually and updated as necessary.

Campus Lockdown

I. PURPOSE

In the event that a situation occurs involving dangerous intruders or other such incidents that could result in harm to individuals or University property, the Campus Lockdown protocol will be put into effect. These procedures are meant to be general guidelines for actions to help maximize the safety and well-being of all participants. Specific threats may require additional action or intervention.

It is important to note that this policy references two types of buildings, card access and non-card access buildings. Card access buildings are buildings that can be electronically locked down from the Dispatch Center located in Police Headquarters. Non-card access buildings are buildings that must be manually locked down utilizing conventional lock mechanisms.

II. POLICY

In the event that an emergency situation occurs and it becomes necessary for the University to activate the lockdown procedure, the following actions will be taken:

A. The University Police shift commander will have the authority to initiate a lockdown of the University or any part thereof if he/she believes that there is a significant potential of danger to people or property.
B. The Monmouth University Police Department will notify members of the Monmouth University community via the University Emergency Notification System, which serves as the primary method of emergency notification.

C. Upon completion of electronic lockdowns, the University Police Dispatcher will notify the Monmouth University Police Captain or, or in his or her absence, the next-highest-ranking University police officer. The Dispatcher will then notify the Executive Director for Campus Planning and Facilities Management and the Vice President for Student Services. They will coordinate notification to the President, the President’s Cabinet, and other University officials as required.

D. Additional methods of emergency notification that may be utilized are:
   - University voicemail
   - University webpage
   - University and other email
   - University radio station (WMCX)
   - Police vehicles’ public address systems and megaphones
   - University electronic signs
   - Social media

The broadcast notification message will include the term “lockdown” and will briefly describe the nature of the emergency and what actions members of the University community should take.

E. The police dispatcher will lockdown all the University buildings that are on the card access system. This action will secure all card access doors and deny entry to all individuals except employees who have authorization to that building or specific room.

F. Possible actions to take in the event of a lockdown:

If indoors when the message is heard, students and employees will remain in their present locations pending further instructions and follow these steps:
   - Close and lock doors. If a door(s) cannot be locked, it should be secured by other means, e.g., block them with furniture, etc. Stay away from all windows and doors. Turn off all lights, lower your cell phone ringers, and remain silent. If silence is necessary, do not use cell phones except for emergency notification to the University Police Department at 732-571-4444.
   - Move to a location in the room on the same wall as the door, but at the opposite end so you are not visible to someone looking through the door. Everyone should remain on the floor if gunshots are heard.
   - Students and employees in hallways or other open areas must proceed immediately to a classroom or office where they can lock themselves in. If a classroom or office door is locked, go to the next available room to take shelter.
   - No one should leave the secured room until an “all clear” message has been announced on the emergency notification system.
   - If outdoors when the message is heard, students and employees should seek shelter in the nearest building; if the building(s) are secured, you should immediately take cover behind the closest point of cover.

G. Residential halls are secured 24 hours a day, 7 days a week. If possible, members of the Office of Residential Life will make announcements to resident students that lockdown procedures are in effect. This will be in addition to the notification methods listed above.

H. All entrances to the University shall be blocked and motorists/pedestrians will be denied access. If necessary, the University Police Department shall utilize assistance from surrounding municipal police departments to achieve this goal.

I. Special attention should be paid to classes that are outside of a building and other outdoor areas such as the athletic fields. Instructors, coaches, counselors, or those in charge of a particular outside activity, should direct those individuals under their supervision to a safe interior location.

J. Outside groups utilizing the campus will be briefed by Conference Services and Special Events personnel on all emergency management procedures.

K. When the University police are confident that the threat(s) that necessitated the activation of the lockdown procedure have been neutralized, they will issue the “all clear” signal to the University community via the University Emergency Notification System, as well as other systems.

L. Please note that some other threats may override the above suggested lockdown procedures such as a confirmed fire or intruder inside a specific building.

M. It is important to know that experts and officials advise that there is no single (or absolute) response or direction that will secure everyone’s safety. Every situation is considered unique and complex depending on numerous factors. These procedures represent some best general practices that are recommended. For this reason, the best or appropriate lockdown procedures to follow in a given situation may vary. It is important that you remain calm and only deviate from suggested procedures when circumstances indicate that following the procedure is reducing your safety level.
Active Shooter

WHAT TO DO IN THE EVENT OF AN ACTIVE SHOOTER: RUN-HIDE-FIGHT

Active shooter situations are always unpredictable, but there are things that should be immediately done to protect oneself. If it is possible to do so safely, exit the building immediately when you become aware of an incident, move away from the immediate path of danger, and take the following steps:

1. Notify anyone you encounter to exit the building immediately.
2. Evacuate to a safe area away from the danger and take protective cover. Stay there until assistance arrives.
3. Call the Monmouth University Police Department at 732-571-4444 or dial 911. Provide each dispatcher with the following information:
   - Your name.
   - Location of the incident (be as specific as possible).
   - Number of shooters (if known).
   - Number of weapons (if known).
   - Type of weapons (e.g., handgun, rifle) if known.
   - Identification or description of shooter(s).
   - Number of persons who may be involved.
   - Your exact location.
   - Injuries to anyone, if known.
4. Take cover. Individuals not immediately impacted by the situation should take protective cover and stay away from windows and doors until notified otherwise.
5. If you are directly involved in an incident and exiting the building is not possible, the following actions are recommended:
   - Go to the nearest room or office.
   - Close and lock or barricade the door.
   - Turn off the lights.
   - Seek protective cover.
   - Keep quiet and act as if no one is in the room.
   - Do not answer the door.
   - Notify the Monmouth University Police Department at 732-571-4444 or dial 911 if it is safe to do so. Keep cell phones on vibrate.
   Provide each dispatcher with the following information:
   - Your name.
   - Location of the incident (be as specific as possible).
6. As a last resort, if unable to run or hide, you must fight back using whatever objects are available.

Wait for police to assist you out of the building.

The Monmouth University Police Department (MUPD), along with surrounding municipal departments, are trained and equipped to respond to an emergency incident of this nature. During the initial phase of the incident, the MUPD will evaluate the situation to determine the best course of action to ensure the safety of the members of the University community. The MUPD will convey to the members of the University community information regarding the incident.

The MUPD provides an informational course for the University community in response to active shooter situations throughout the year. If interested, please contact the MUPD.

Evacuation

In the event of an emergency requiring the complete evacuation of Monmouth University, the following guidelines will be followed:

1. The decision to evacuate the University would be made by the University President or his or her designee in consultation with the chair/co-chair of the crisis management team, and in conjunction with the Borough of West Long Branch, Office of Emergency Management. In the absence of the University President, the following chain of succession will be utilized: the Executive Director for Campus Planning and Facilities Management and the Vice President for Student Life and Leadership Engagement.
2. The University community may be directed to one of the following locations:
   a. A specific, designated location, off campus. This could be a school, military base, or regional evacuation center. In the event of an evacuation, the University Police Department will advise the campus community where to evacuate to, and will make every attempt to distribute maps and/or directions prior to any evacuation beginning.
   b. Based on the type of situation presented, it may be necessary to provide general direction to a safe area.
3. In the event of an evacuation, the University population would be notified as to the appropriate action through one or more of the following means:
   • Classroom notification
   • Monmouth University Emergency Notification System
evicemail
   • University email
   • University radio WMCX 88.9 (FM)
   • Police vehicle public address systems and megaphones
   • University website
   • Electronic signs
   • Area media outlets
   • University social media sites

4. Understanding that circumstances requiring a full campus evacuation are difficult to define at this time, it is hard to estimate what evacuation routes may be available and/or effective. The University, in making this plan, would make it a priority to route individuals through main thoroughfares, which should be monitored by state, county, and local emergency personnel. You might also consider alternate routes if you are familiar with the area. Once off campus, members might also be directed by outside law enforcement to a different route. At this point, you would be obligated to follow their directions.

5. Those without access to transportation are encouraged to establish a personal contact/buddy system in order to assist them in evacuating the campus. You should establish a pre-arranged location to meet.

6. It is very difficult to predict everything that might happen under such circumstances. The important thing is to remain calm and follow the directions of law enforcement, emergency personnel, and key campus personnel.

IMMEDIATE ACTION TO BE TAKEN UPON NOTICE OF AN EVACUATION

1. If time is critical, students and staff will be directed to bypass step #2 (below) and immediately begin evacuating the campus. All nonresident students should return to their vehicles and evacuate the campus upon notice of an evacuation.

2. Time and situation permitting, all resident students will report to their residential facility, and employees/staff will report to their offices. Under the supervision of Residential Administrative staff and department heads they will then:
   a. Gather personal belongings: keys, wallets, purses, medications, extra clothing as weather conditions dictate, and emergency phone numbers, as well as any personal survival kit (if in possession of one).
   b. Log off University network systems and shut down computer.
   c. Secure all doors and windows.
   d. Exit buildings and go to your vehicle.
   Do not use elevators.
   e. Those students, faculty, and staff willing to transport individuals without rides should drive to the Rebecca Stafford Student Center, which will be the assembly point for those without transportation.

Suggested Evacuation Routes

To points north:
From University: Take Cedar Avenue west to Monmouth Road. Continue on Monmouth Road to Route 36. Turn left onto Route 36 west and follow Route 36 west to the Garden State Parkway north.

From University Bluffs: Take Ocean Avenue to Cedar Avenue west. Follow University directions above.

From Monmouth Park Corporate Center: Take Route 36 west to the Garden State Parkway north.

To points south:
From University: Take Cedar Avenue west to Monmouth Road. Continue on Monmouth Road to Route 36. Turn left onto Route 36 west and follow Route 36 west to the Garden State Parkway south.

From University Bluffs: Take Ocean Avenue to Cedar Avenue west. Follow University directions above for points south.

From Monmouth Park Corporate Center: Take Route 36 west to the Garden State Parkway south.

To points west:
From University: Take Cedar Avenue west. This will turn into Monmouth Road. Continue on Monmouth Road to Route 36. Turn left on Route 36 west and follow to the Garden State Parkway south. Follow Garden State Parkway south to Route 195 west.

From University Bluffs: Take Ocean Avenue to Cedar Avenue west. Follow University directions from Cedar Avenue.

From Monmouth Park Corporate Center: Take Route 36 west to the Garden State Parkway south. Follow Garden State Parkway south to Route 195 west.
3. University personnel will ensure that all members of the campus community are evacuated. Those members of the campus community who do not normally have transportation available to them should have pre-arranged plans to secure a ride with a roommate, co-worker, or friend. Those unable to locate their pre-arranged ride, or are unable to make immediate arrangements to obtain a ride, should assemble in the Student Center. Under the direction of the Vice President for Student Life and Leadership Engagement (or designee), Human Resources and Student Services administrators (Director of Student Activities and Student Center Operations, Assistant Directors of Student Activities, etc.) will staff the Student Center and perform the following functions:

   a. Contact the West Long Branch Office of Emergency Management (732-229-5000 or 732-229-1756) and advise the Office of Emergency Management of the emergency transportation needs.

   b. Stand by to assist and record the names of individuals who accept transportation through the Office of Emergency Management.

If the Office of Emergency Management cannot supply transportation, the previously listed Human Resources and Student Services administrators should:

1. Triage those in need of transportation into geographic areas they will be traveling to.

2. Greet those volunteers offering rides and make arrangements for them to transport those without rides who are from the same geographic area.

3. Time permitting, document those members who have accepted alternate transportation, and with whom they accepted transportation.

4. The University Police Department will direct vehicles off campus to their recommended evacuation routes.

5. Members of the Monmouth University Police Department, Residential Life, and Facilities Management will conduct a search to make sure that the entire campus has been evacuated and buildings secured. Arrangements will then be made to evacuate any remaining members of the Residential Life staff, Facilities Management staff, and University Police personnel still on campus.

6. Once at the designated evacuation location, or in an area considered outside the evacuation zone, evacuated members should contact those family members on their personal emergency list.

7. After a successful evacuation, all members of the University community will be under the control of Emergency Management and/or Red Cross workers at a designated shelter or safe area. International students, and students unable to return to their homes or designated meeting places because of their proximity to the disaster, should make their status known to Emergency Management/Red Cross personnel so that arrangements can be made for shelter and food.

THE UNIVERSITY BLUFFS APARTMENT RESIDENTS

The above evacuation procedures would apply to these students as well, with the following added procedures:

1. Because of the inability of students to walk to the Student Center, it is imperative for those students without transportation to arrange for a pre-arranged ride in the event of an evacuation.

2. If pre-arranged rides cannot be obtained, the student should immediately contact the University police to determine evacuation arrangements.

Emergency Shelter at Monmouth University

Taking shelter can be a critical element in protecting the campus community in times of emergency situations. Sheltering at Monmouth University will take two forms. They are Consolidation and Shelter-in-Place. Although seeking shelter would normally be for a short duration (4 to 12 hours), the University has food/water capability for sheltering the campus population for a 72-hour period.

PROCEDURES:

CONSOLIDATION PLAN

1. The decision to utilize any part of the Consolidation plan would be made by the University President or his/her designee in consultation with the Chairperson of the Crisis Management Team. In the absence of the University President, the following chain of succession will be utilized: the Executive Director for Campus Planning and Facilities Management and the Vice President for Student Life and Leadership Engagement.

2. In the event of consolidation, those affected would be notified as to the appropriate action through one or more of the following means:

   • University Emergency Communication System
   • University voicemail
   • University email
   • Police vehicle P.A. systems and megaphones
   • Monmouth University website
   • Electronic signs
3. In the consolidation plan, the University would house the campus population (or parts of the campus population) in any, or all, of the following three buildings:
   - The Samuel Hays Magill Commons (the Dining Hall)
   - The Rebecca Stafford Student Center
   - OceanFirst Bank Center

   It should be noted that in utilizing this plan, the Samuel Hays Magill Commons (Dining Hall) would be the first building used, followed by the Rebecca Stafford Student Center. The last facility to be utilized would be the OceanFirst Bank Center.

4. The decision to consolidate into any/all of the above buildings might be for any of the following reasons, as well as those not mentioned:
   a. An electrical blackout, or emergency situation on the North Campus, requiring a movement of that particular campus population to the above facilities. Campus Police and Residential Life personnel will notify students as to which of the above facilities they would report to.
   b. A fire/smoke/dangerous condition in a residential life facility requiring the evacuation of that facility to one of the above locations.
   c. The emergency evacuation of any campus building, requiring that those individuals evacuated, be given shelter.
   d. The need to move any outdoor campus activity (sport camp, picnic, etc.) to a secure indoor location due to an emergency situation.

5. Upon evacuation of any building, normal crisis management procedures will be in effect regarding assembly points and head counts of individuals. Furthermore, whenever possible:
   a. When the affected building is a residential life facility, police personnel and residential life staff will search the affected building(s) to ensure that everyone has been evacuated.
   b. When the affected building is a building other than a residential life facility, police personnel and facilities management personnel will search the affected buildings to ensure that everyone has been evacuated.
   c. The police department will further ensure that the building(s) involved are locked prior to leaving.

6. Once evacuation or assembly indoors has taken place, department heads, resident assistants, area coordinators, and appropriate group leaders will be advised to proceed to their designated consolidation locations. All groups should be kept separate and intact.

7. Members of the Crisis Management Team, or other designated persons, will assume responsibility for the structures where members are evacuated to, and will set up a command post inside their respective building(s). Upon consolidation being completed, they will meet with department heads, area coordinators, and group leaders, and give them pertinent instructions. If consolidation is ordered, the following individuals must report to the below listed consolidation locations. If any of the consolidation locations are not, or cannot be used, the individual(s) should report to an open consolidation location.
   - The Samuel Hays Magill Commons (Dining Hall)
     Mary Anne Nagy
     Kathy Maloney
   - The Rebecca Stafford Student Center
     Shannon Killeen
     Amy Bellina
   - OceanFirst Bank Center
     James Pillar
     Vaughn Clay
     Lu-Ann Russell

8. Once in their designated location, department heads, area coordinators, and group leaders should keep an active roster of their group. They should further keep their group together. A member of each group should respond to the building command post and receive information on food, sleeping arrangements, medical treatment, communications options, and hygiene arrangements.

   There may be incidents where contaminated water is an issue. If this is the case, signs will be immediately posted advising the campus population of this fact.

9. If parents or guardians respond to pick up a juvenile being sheltered, proper identification of the parent/guardian must be obtained for each juvenile taken from the location. The head of each sheltered group is responsible for making sure this documentation is carried out. Any questions as to the appropriateness of releasing a juvenile to a responding adult should be forwarded to the highest ranking University official on scene.

10. Once consolidated, any adult wishing to leave must be signed out of the facility and removed from active rosters.

11. All evacuated members will be prohibited from returning to their evacuated facility until formal approval is given.

Shelter-in-Place Plan

1. Although evacuation of the campus is the University’s planned response to most serious emergency situations where advance notice is given, there are situations where evacuation might not
be effective. Sheltering in place is the use of any classroom, office, residential facility, or building for the purpose of providing temporary shelter for any of the following reasons:

- Hazardous material release
- Chemical truck overturning
- Chemical train derailment
- Chemical facility accident
- Pipeline rupture
- Terrorist attack
- Release of biological agents
- Release of chemical agents
- Radiological release
- Weather-related incidents (tornado, hurricane, and flood)

2. The decision to utilize the Shelter-in-Place plan would be made by the University President or his/her designee in consultation with the Chairperson of the Crisis Management Team. In the absence of the University President, the following chain of succession will be utilized: the Executive Director for Campus Planning and Facilities Management, and the Vice President for Student Life and Leadership Engagement.

3. In the event of the utilization of the Shelter-in-Place plan, those affected would be notified by one or more of the following means:

- University Emergency Communication System
- University voicemail
- University email
- Police vehicle P.A. systems and megaphones
- Monmouth University website
- Electronic signs

4. Certain emergency conditions might necessitate shutting down the HVAC and exhaust systems. If Facilities Management personnel are readily available, they will shut down the needed HVAC and exhaust systems. If Facilities Management personnel are unavailable, trained emergency personnel will shut down the HVAC and exhaust systems.

5. Many Shelter-in-Place emergencies do not permit the luxury of consultation regarding the implementation of this plan. Time permitting, the decision to shelter in place would be made by the University President and his/her designee in consultation with the Chairperson of the Crisis Management Team. Every attempt should be made by the University police to follow this procedure. If, in the opinion of the ranking, on-duty police supervisor, a dangerous situation required the immediate implementation of the Shelter-in-Place plan, he/she should begin the notification process of the campus population in the following order of priority:

a. A University Emergency Communication System message will be sent out.

b. Police dispatch will notify patrol units to advise the campus population by P.A. system to immediately seek shelter, and to implement the Shelter-in-Place plan.

c. Contact with campus radio (WMCX) will be made advising them to begin broadcasting the implementation of the Shelter in place plan, the reason, and the need to stay indoors until further notice.

d. Contact with Facilities Management will be made advising them to shut down the HVAC and exhaust systems on campus (if appropriate). If Facilities Management personnel are unavailable, trained emergency personnel will shut down the HVAC and exhaust systems.

e. Contact will be made with the University Executive Director for Campus Planning and Facilities Management, Vice President of Student Life and Leadership Engagement, and the Monmouth University Police Captain.

f. The Office of the Executive Director for Campus Planning and Facilities Management will notify the campus population of the implementation of the plan, and the need to stay indoors, as well as other pertinent information. They will make this notification by Regroup as well as one or more of the following means: University email, University voicemail, and University website.

6. The response of the campus population to the decision to shelter in place should be to immediately go indoors. Once inside members should:

a. Shut all windows and doors.

b. Seal any gaps around windows and doors with wet towels, clothing, etc.

c. If possible, go to a room with no windows.

d. Monitor by radio, University email, and University voicemail the circumstances of the emergency.

e. Avoid using the building phone system except for emergency use. Emergency responders may be trying to get in touch with you. If you have a cell phone and call your family/friends, advise them that you are sheltering in place and not to attempt to pick you up. Further advise them not to come to the campus until officials announce it is safe to do so.
f. Avoid the use of water until notified it is safe.

g. In the event of hazardous material contamination (chemical, biological, radiological), it is very important to separate those individuals who have been exposed. If possible, select a room in which those contaminated individuals might stay in until emergency assistance and decontamination can take place.

h. Remain in the shelter until University officials notify you that it is safe to leave.

i. It is important to remain calm and follow the recommendations of police personnel, administrators, area coordinators, and other designated leaders.

7. Different emergencies call for different responses. The following are basic courses of action to remember in specific Shelter-in-Place emergencies:

a. During a chemical release, you should seek shelter in a room above ground level (most chemicals settle to the lowest level), preferably one without windows. You should also follow step #6 which is listed above.

b. During a biological release, you should seek shelter in an internal room, preferably one without windows. You should also follow step #6 which is listed above.

c. In the event of a nuclear or radiological release, stay indoors and go to a basement or other underground area if available. You should also follow step #6 which is listed above.

d. During a tornado, you should go to an underground room if one is available. If possible you should take refuge in a small interior room, closet, or hallway. In a multiple-story building, go to the lowest floor and stay in interior rooms away from windows and doors. Go to the center of the room and avoid corners (they attract debris). You should lie on the floor under a table or other sturdy object. Use your arms to protect your head and neck. You should also avoid sheltering in places with a wide span roof such as auditoriums or gymnasiums. Lastly, you should not seek shelter in a vehicle.

e. During a flood, seek shelter above water level and do not touch electrical equipment if you are wet or standing in water.

f. During a hurricane, you should stay indoors and away from glass doors and windows. If possible you should take refuge in a small interior room, closet, or hallway. In a multiple-story building, go to the first or second floors and stay in interior rooms away from windows. Lastly, you should lie on the floor under a table or other sturdy object, while protecting your head and neck.

g. Although electrical storms are common occurrences, and you would not normally be notified of Shelter-in-Place plans, you should do the following:

- Seek shelter indoors (or in a vehicle) immediately.
- Avoid showering or bathing. Plumbing/bathroom fixtures conduct electricity.
- Avoid using a corded phone except for emergencies. Cordless and cell phones are safe to use.
- Unplug appliances and other electrical items such as computers. Power surges from lightning can cause serious damage.

8. Once notified of the “all clear,” those affected should:

a. Open windows and doors.

b. Turn on heating, air conditioning, or ventilation systems.

c. Go outside and wait until the buildings have been vented.

d. Remain outside until advised by University officials to go inside.

9. It is important to remember that during any emergency, the ability to contact Police Headquarters may be compromised due to the volume of incoming calls. Unless your call is of an emergency nature, you are requested to contact the Emergency Information Telephone Line at 732-263-5900 to receive updated information regarding what is taking place and what actions to take. This telephone line will be updated as the emergency situation unfolds. Naturally, if you need immediate assistance, you are requested to call the Police at 732-571-4444 or dial 911.

**Civil Disorders**

- Notify MUPD at ext. 4444, dial 911, or 732-571-4444 from your cell phone.
- Advise the police of the disturbance size, leaders, and objectives if known.
- Leave or avoid the area of disturbance if you can do so safely.
- Do not confront protestors and/or participants.
- Secure your room and/or office from damage.
Campus Security

CAMPUS SECURITY LEVELS POLICY:
The University, in recognizing the many types of threats it can face, has instituted a policy recognizing that a wide variety of potentially dangerous situations may result in various security measures being implemented to safeguard the campus community. These threats can be related to environmental, medical, haz-mat, political, weather, related, or other circumstances that may interfere with the safety of the campus community, and orderly functioning of the University. At Monmouth University, planning ahead for emergencies is part of normal business planning and campus life, and all members of the campus community share a responsibility for preparedness. Although every possible emergency situation can never be adequately planned for, the University has formulated the following policy to assist in minimizing injury and damage if a threatening event were to occur.

Security Levels in Detail

Security Level 1: Will be utilized when there is no apparent threat and normal University business is being conducted as usual. Security Level 1 will be the standard operating level of the University.

Security Level 2: Is a heightened security level and will be utilized under the following conditions:

- when there is an elevation in the National Terrorism Advisory System that could potentially impact Monmouth University.
- when there is an on-campus threat, event, or anticipated event, that could be better managed with an increase in security or a heightened awareness of those entering and exiting the campus.
- when security concerns dictate the immediate identification of the campus population.
- when there is a major event requiring not only the closing of the University, but also the consideration of Shelter-in-Place or evacuation of the University community.

IMPLEMENTATION OF SECURITY LEVELS:

Security Level 1
1. All normal University business conducted.

Security Level 2
1. The Executive Director for Campus Planning and Facilities Management after consultation with the University President and the Monmouth University Police Captain (or their designees) will be responsible for issuing the upgrade in security status.
2. The Executive Director for Campus Planning and Facilities Management and/or the Monmouth University Police Captain shall advise the campus community of the need for the elevation of security levels, along with any security plans or changes to the normal operational status of the University. Notification could be made through voicemail, email, the University Emergency Notification System, University radio, University signage, or some combination of these mechanisms.
3. Upon the conclusion of the need for enhanced security, the Executive Director for Campus Planning and Facilities Management and/or the Monmouth University Police Captain shall advise the campus community of the return to our normal operational level (Level 1).

Parking and Driving on Campus
Parking and Driving on Campus

General Information
Motor vehicle rules and regulations are necessary to establish safe and orderly driving conditions and to maximize available parking. The cooperation of each member of the University community is necessary to uphold this policy.

POLICY CHANGES AND AUTHORIZATION
The University reserves the right to make changes and/or provisions to regulations at any time, without prior notice.

AUTHORITY AND ENFORCEMENT
The Monmouth University Police Department must ensure that members of the University community comply with University parking and traffic regulations and New Jersey motor vehicle laws. University police officers and safety officers enforce the driving and parking rules and regulations by issuing warnings and citations, or by requesting that vehicles be towed.

LIABILITY
The University assumes no liability or responsibility for damages or losses to any vehicle driven or parked in University parking areas or facilities. Please keep your vehicle locked to protect its contents.

LOCAL STREETS
To maintain good community relations with our neighbors, students and employees should not park their vehicles on local streets when attending classes or functions, or when engaging in University business. Municipal, borough, and city citations are issued to violators of local ordinances.

FAMILY/BUSINESS VEHICLES
Violation expenses charged to any family or business vehicle not registered with the University are the responsibility of the family member associated with the University.

Motor Vehicle Registration
1. All vehicles operated or authorized to park in University parking lots must be registered with the Monmouth University Police Department.
2. The registration year is September 1 through August 31.
3. All University bills must be paid to register a vehicle. Individuals who are on the revoked list are not eligible to obtain a decal.
4. Employees and nonresident students may register up to two vehicles; however, only one vehicle may be parked on campus at a time. Resident students may register only one vehicle.
5. In person at Police Headquarters, Monday to Friday, 8 a.m. to 5 p.m. Employees may register their vehicles at https://etcentral.monmouth.edu/#/form/223.
6. Students and employees will be issued decals that must be displayed on the vehicle. A motor vehicle is not considered properly registered unless the appropriate form has been completed and filed with the police department and the assigned decal is properly affixed to the vehicle.
7. Vehicles registered after September 1 will be assessed a $50 late charge.
Decals and Permits

DISPLAY OF DECALS

1. All registered vehicles must display a valid decal or parking permit. In order to avoid confusion, expired decals should be removed before new decals are affixed.

2. The decal must be properly affixed and displayed on the vehicle on the inside of the rearmost driver’s side window. The decal must be displayed so that it is visible. On motorcycles, decals must be mounted on the left side of fork.

3. The decal must be affixed as directed; other means of affixing the decal, such as adhesive tape, plastic holders, or glue, are not acceptable. Failure to properly display the decal may result in a fine and/or towing. Resident students will be charged a replacement fee for decals lost as a result of improper display.

4. Parking decals are not transferable to another party or vehicle.

5. If a new nonresident decal is necessary, it will be replaced free of charge.

6. Lost or stolen decals should be reported immediately.

APPEALS

To appeal a University citation, you must fill out the Appeal Form, which can be found at: monmouth.edu/citationappeal.

Appeals may be submitted via the internet or in writing.

The appeal must be submitted within five days following the issue date of the citation. The appellant will receive a determination via email. If an appeal is denied, payment of the fine must be made at the Cashier’s Office or online within five business days from the date the email denying the appeal is sent. If the fine is not paid within that period, a late fee of $25 will be assessed.

Forgetfulness, parking for only a short period, not seeing the signs, and parking in a handicapped parking space without the proper authorization are unacceptable grounds for an appeal. Any appeal submitted on these grounds will be denied.

Unpaid Fines

If parking and/or traffic fines are not paid within the established time period, a nonnegotiable late fee of $25 will be assessed. University officials will be notified to take whatever action is appropriate.

Suspension of Campus Driving and Parking Privileges

If an individual receives four or more summonses and fails to pay those summonses, that individual’s University driving and parking privileges will be suspended, registration will be blocked, and transcripts will be held. In order for these privileges to be restored and the registration block removed, all fines must be paid in full.
