

Dear Parent or Guardian,

Your child has been selected by his/her classroom teacher to attend after school tutoring sessions. This free service is being offered every Monday from 3:30pm to 4:15pm which will be held on November 14th, November 21st, December 12th.

Parents are responsible for picking students up at the completion of each session. During these meetings, students will work with a Monmouth University Student who is studying to become a teacher. A Middle Road staff member will be supervising the instruction. These three tutoring sessions will focus on topics previously addressed in class. Please fill out the form below and return it to your child's classroom teacher stating whether or not your child will participate in this free service.

Sincerely,

Mrs. Zimmer
