Free Electives (0 credits) 4				
	f free electives, if any, will be determined in with your advisor. ⁴			
General Educa	ation Requirements (30 credits) ⁵			
Complete 30 o table. ⁵	credits as outlined on the General Education	30		

BY-102 Applications in Biotechnology (3 cr.), BY-104 Human Biology (3 cr.), BY-105 Introductory Biology and Human Development (3 cr.), and BY-106 The Brain - Highs and Lows (3 cr.) are not available to BY majors.

² Minimum grade of "C" required for Education Courses

3 Students must complete the appropriate test requirement(s) with a passing score PRIOR to Clinical Practice.

Please consult with your advisor regarding the required number of free

electives that must be completed.

The General Education curriculum requires the completion of 45 credits. However, students may be able to share credits from within their major or interdisciplinary requirements. Please consult with your advisor to determine which General Education (https://catalog.monmouth.edu/undergraduate-catalog/academic-programs-support-services-regulations/general-education-requirements/) courses must be completed.

Additional Endorsements Available

- · TSD Teacher of Students with Disabilities Secondary
- ESL English as a Second Language Secondary

Notes

Total Credits

- 54 credits must be completed at the 200 level or higher.
- Education majors are required to have an overall GPA of 3.00 for State Certification.
- By state regulation, all Education Majors seeking content area endorsement must complete 30 content credits (12+ credits at the 300+ level).
