

### **New Dean's List Criteria, Effective Fall 2015**

The Dean's List is the official recognition of outstanding academic achievement. Inclusion on the Dean's List is based on the comparative semester grade point average for that semester. Monmouth University students who fall within the top 20% of their major program by semester grade point average are recognized on the Dean's List for that semester. Undeclared students will be grouped as one major. Students pursuing multiple degrees will be eligible for the Dean's List if they fall within the top 20% of any major they are pursuing. In addition to the requisite class standing, a student must have a cumulative grade point average above 3.30 and must have completed all semester course work, except for the Honors Thesis. This list is compiled each spring and fall semester immediately after the conclusion of the semester. Part-time students will be evaluated for inclusion on the fall or spring semester Dean's List each time 12 or more credits are accumulated in successive semesters. Credits utilized for inclusion on the Dean's List will not be considered for subsequent Dean's Lists.
