<u>THURS</u>							P	R
	C	D	H	I	K	N	RPX	
<u>FRI</u>							*Note: 160 minute per week classes must meet twice weekly in the 4:30-5:50 time slot (frames M & N); that is, frames M & N cannot be used for cross-framing. In this model, fifteen minutes are allowed between classes; there are 18 different 2X80 minute frames (A-R). Overlaying frames O, P, Q, and R are four different 1X160 minute frames (OQX, PRX, QOX, and RPX).

ACADEMIC FRAME WORKSHEET (STACKED CLASSES 4:30-7:20/7:30-10:20)

							4:30-7:20	7:30 -10:20
<u>MON</u>							MOZ	QZZ
<u>TUES</u>							NPZ	RZZ
<u>WED</u>							OMZ	ZZQ
<u>THURS</u>							PNZ	ZZR
<u>FRI</u>							Note: Departments that wish to use stacked	

							classes will work collectively to ensure that an equal number of sections are taught in each of the eight stacked frames, so as to minimize the number of classrooms needed for stacked sections. Sections scheduled in the 7:30-10:20 pm time slot should be those with the greatest likelihood of having sufficient enrollment to run.
