Monmouth University Principals' Academy: "PARCC/Course Assessments"

Thursday, March 27, 2014: The Professional Development Forum Session 3 on "PARCC/Course Assessments" was held in Magill Commons where Principal Will Smith of Raritan High School presented on "Common Core Create Open Space for PARCC & Re-creation."

The presentation included; readiness, evidence, synthesis, program initiatives, and portable skills. One participant stated that "the presenter brought charisma therefore the audience was engaged throughout the entire presentation." Another participant stated that "the collegial discussion on best practices was very beneficial."

The majority of the participants felt the presentation was extremely relevant. Participants included representatives from Monmouth University and the following school districts: Neptune Township; Jackson Township; Manalapan Englishtown Regional Schools; Middletown Township; Manchester Township; and Matawan-Aberdeen Regional Schools.
