#### **The Monmouth University Superintendents' Academy Session IV: "Preparing Students for College and Careers: Implementing PARCC"**

**April 30, 2014:** The Monmouth University Superintendents' Academy's held their fourth session, "Preparing Students for College and Careers: Implementing PARCC" at Monmouth University's Varsity Rooms in the Multipurpose Activity Center (MAC). The session was facilitated by New Jersey Department of Education Chief Academic Officer, Dr. Tracey Sevens.

Dr. Sevens said that Common Core State Standards (CCSS) provide a consistent, clear understanding of what students are expected to learn to be college and career ready. PARCC Assessments measure student progress towards standards. The Achieve NJ Evaluation System provides individual teachers with targeted feedback and nuanced data to improve practice.

This was the last session for the 2013/2014 Academy. The 2014/2015 sessions will begin in fall 2014. For more information contact: School of Education, Dean's Office, [soesuperintendentsacademy@monmouth.edu](mailto:soesuperintendentsacademy@monmouth.edu), (732) 571-7518.
