

The Monmouth University School of Education is proud to announce a new initiative to further innovation in schools:

THE SCHOOL CHANGE ACADEMY

The School Change Academy is designed for principals or aspiring principals who are seeking to further their ability to lead innovation in schools. Academy participants will design and implement at least one change initiative in their school. Their work will be supported by professional development sessions, coaching and mentoring.

Professional Development Topics:

- Change Process
- Literacy
- Technology and Virtual Teaching
- Social Emotional Learning
- Social Justice

Monthly Meetings:

- Professional Development
- Collaborate
- Design
- Discuss

For more information, please contact Dr. Bill George at wgeorge@monmouth.edu.

There is a planning meeting scheduled for interested participants on Wednesday, Dec. 16 at 5:30 p.m.
