Pediatric Physical Assessment

Date: Saturday, March 9, 2019 **Time:** 9 am – 2:30 pm

Place: Monmouth Corporate Park

Fee: \$95 (a light lunch is included in the program fee)

This program will provide 5 contact hours for nurses.

The course is designed to enhance the physical assessment skills of the healthcare provider who cares for the school age child. A step-by-step process for physical exam will be reviewed. Using images and a case study format, participants are guided to describe and identify physical findings. Clinical guidelines and standards of care are incorporated throughout.

Desired Learning Outcomes: at completion of this program participants will apply the clinical knowledge gained in the assessment and care of the school age child.

Topics will include:

- An overview of normal and abnormal findings in health screenings
- Common pediatric disease and disorders
- The process and procedure for the assessment of the ear including demonstration of the otoscope.
- Guidelines for referral

Presenter: Steve Miller, DO - Pediatrician with Navesink Pediatrics – Affiliate Clinical Faculty/ Monmouth University, The Marjorie K. Unterberg School of Nursing and Health Studies.
