

**The Center for Professional Development in Nursing and Health  
400 Cedar Ave, West Long Branch, NJ, 07764**

**Sexual Assault Examination Across the Lifespan**

**Dates:** **Online (pre-course)** May 5 – June 7 (approximately 20 hours self-paced study)

**Classroom** (must attend all dates): June 8 – 11, 2020 from 9am – 5pm

**Online** (post-course) be completed by June 30, 2020

**Place:** Monmouth University

**Fee:** \$875

Seventy contact hours will be provided. (In addition to the classroom hours, approximately 45 hours of self-directed study including pre-course assignments and 20 hours of self-paced post-course assignments will be required). Study materials for the pre-course will be provided by the second week of May for completion prior to the start of the course.

This course reflects the International Association of Forensic Nurses (IAFN) standards for adolescent, adult, and pediatric SANE education and the revised requirements of the NJ Board of Nursing for Forensic Nurse Examiner education. **For MU Forensic Nursing Students, this course satisfies requirements for the SANE course in the certificate and MSN program.**

This program is designed for the RN with at least 2 yrs recent clinical experience desiring to obtain the in-depth knowledge & skills needed to provide effective health care & services to victims of sexual assault. Content will include the biological, psychological, social & medico-legal dynamics of sexual assault incl. care of both male & female survivors across the lifespan.

Topics will include: role of the Forensic Nurse Examiner in caring for sexual assault and abuse victims across the lifespan, assessment and evaluation of adult, adolescent, and pediatric survivors, nursing management of the sexually assaulted patient, evidence collection and analysis, exam documentation, clinical skill demonstrations, interdisciplinary collaboration, NJ laws, regulations, and an overview of the criminal justice system including tips on testifying.

**Instructor: Eileen Allen, MSN, RN, FN-CSA, SANE-A, SANE –P:** Nationally certified sexual assault examiner & practicing forensic nurse, coordinator of the Monmouth County FNE/SART program. She has presented numerous lectures on a variety of topics related to Forensic Nursing for local, regional, and national audiences.

Guest lectures will also be presented by experts from the scientific and legal community. Gynecological Teaching Associates (live models) are used to enhance clinical training experience.
