Suturing and Wound Closure Workshop

Date: Tuesday, March 3, 2020

Time: 5:30-8:30pm

Place: Monmouth Corporate Park, Room 198

Fee: \$90 (A light dinner is included in the program fee)
\$80 (for current MU students and alumni)

This program will provide 3 contact hours for nurses.

This course is designed to provide the Advanced Practice Nurse or Healthcare provider hands on instruction in wound closure skills. The instructor will focus on factors affecting wound healing, selection of wound closure devices, wound aftercare, CDC tetanus guidelines, suture removal guidelines and pitfalls, and special considerations in wound closure.

Learning Outcome: Upon conclusion of this program participants will apply the knowledge gained in the assessment and management of wounds.

Topics will include:

- Principles of wound assessment and closure
- Wound closure techniques
- The use of local anesthesia in wound closure
- Guidelines for the use of tissue adhesive
- Review of prophylactic pharmaceutical treatment
- Factors effecting wound healing and follow up care of the wound

Presenter: Rose Knapp, DNP, RN, APN-C – Chair, Director of the MSN program and Coordinator of the Nurse Practitioner Program, Associate Professor, Marjorie K. Unterberg School of Nursing and Health Studies, Practicing APN Specializing Primary and Emergency Care
