

## The Center for Professional Development in Nursing and Health

# Wound Management and Suturing Workshop

---

**Date:** December 13, 2022      **Time:** 5:30-8:30 PM

**Location:** Monmouth University – Monmouth Corporate Park

**Fee:** \$95    MU Students, Alumni and Preceptors \$85    3.0 Contact Hours for Nurses

**A light dinner is included in the program fee**

This course is designed to provide the Advanced Practice Nurse or Healthcare provider hands-on instruction in wound closure skills. The instructor will focus on factors affecting wound healing, selection of wound closure devices, wound aftercare, CDC tetanus guidelines, suture removal guidelines and pitfalls, and special considerations in wound closure.

### Key topic areas include:

- Principles of wound assessment and closure
- Wound closure techniques
- The use of local anesthesia in wound closure
- Guidelines for the use of tissue adhesive
- Review of prophylactic pharmaceutical treatment
- Factors effecting wound healing and follow up care of the wound

**Learning Outcome:** Upon conclusion of this program participants will apply the knowledge gained in the assessment and management of wounds.

**Presenter:** Rose Knapp, DNP, RN, APN-C – Associate Professor, Graduate Faculty - Marjorie K. Unterberg School of Nursing and Health Studies. Specializing in Urgent Care, Emergency Care and Primary Care.

**Successful Completion:** Participants will attend 95% of the program, and complete an online evaluation to receive contact hours. Planners, content experts and speakers have declared no conflict of interest. There is no commercial support for this activity.
