

The Center for Professional Development in Nursing and Health

Basic Life Support (BLS) for Healthcare Providers ~ American Heart Association

Dates: April 19, 2023 Time: 11AM – 3PM
May 5, 2023 Time: 1 - 5 PM

Location: Monmouth University – McAllan Hall 329

Fee: Community members \$85 Faculty/Staff and Preceptors \$55 MU Students \$40.

***Pre-registration is required and space is limited. Please register early.**

No contact hours will be provided for this program.

This course is intended for health and allied health providers (licensed and non-licensed), students working in healthcare settings, fire fighters, police officers, paramedics and EMT's. Following the AHA guidelines, this in-person training is designed to prepare individuals to provide BLS in a variety of settings. Upon completion of course requirements – participants will receive an American Heart Association (AHA) BLS provider completion card which is good for 2 years.

The following content will be included:

- AHA's Basic Life Support (BLS) principles and procedures for adults, children, and infants including simulated demonstration and repeat demonstration
- Administration of CPR
- Establishing effective ventilations using a barrier device
- Proper use of Automated External Defibrillators (AED)
- Relief of foreign-body airway obstruction (choking) for adults, children, and infants
- Working as a team in multi-rescuer resuscitation

Presenter: Thomas Alexander, RN, BSN, CEN, MICN - American Heart Association Basic Life Support (BLS) Instructor, currently practices as an EMT, and at Hackensack Meridian Health JFK EMS as a Mobile Intensive Care Nurse.
