Are you looking to enhance your advanced practice skills?

Join us this year for an immersion program for Nurse Practitioners providing specialized training in key areas. The hands-on experience will be facilitated by content experts who will share knowledge, tips and techniques for practice. The boot camp is suitable for individuals who would like to update their knowledge and/or who are new to the role.

Participants will complete 2 modules daily, which may include:

- **Pediatric Assessment**
- **EKG Interpretation**
- **Care of Common Orthopedic Injuries and Splinting Basics**
- **Suturing and Wound Closure**
- **Clinical Decision Making**

Check our website this Spring for registration information and policies. Pre-registration is required and program registration is limited so please register early.
