

# Effective Resumes for Scientists:

## And a few tips for working with professional recruiters

Michael Baldini, '06  
Monday, Oct. 14th  
Carol Afflito Room,  
Student Center,  
Workshop 6:00-7:30  
pm

Michael Baldini is Account Director in the Science Division of Atrium Staffing. He has been helping the School of Science find jobs for Alumni and students for 5 years.

Michael is with Atrium's Science Division leading a team of recruiters nationwide. During his tenure, Michael has placed over 500 applicants and has been the recipient of Atrium's MVP Award, winning in 2009, 2010 and 2012. His experience as a recruiter and account manager has made Michael an industry insider and talent acquisition specialist.

Sponsored by the School of Science  
Refreshments will be served.
