

**ARTICULATION AGREEMENT  
BETWEEN  
MONMOUTH UNIVERSITY AND  
BROOKDALE COMMUNITY COLLEGE**

Brookdale Community College and Monmouth University enter into this Articulation Agreement so that students enrolled in the Associate in Science in Homeland Security and Emergency Management at Brookdale Community College will be eligible for admission into the Bachelor of Science degree in Homeland Security program at Monmouth University provided the terms and conditions of this Agreement are met.

This agreement provides pre-approval for transferability, but does not assure transfer of every course or transfer at the same unit rate. This agreement is an acknowledgement of the overall program at Monmouth University but does not address specific areas that can be adjusted or changed each semester. A maximum of 72 credits is transferable into Monmouth University from a two-year community college. To facilitate the transfer of eligible Brookdale Community College graduates to Monmouth University, the parties agree to the following:

**I. Monmouth University Agrees to:**

Monmouth University will award transfer credits for courses listed in the attached sequence chart in which Brookdale Community College students receive a grade of C (2.0) or better.

Monmouth University will consider Brookdale Community College students who do not successfully complete all of the courses listed in the program of study or who pursue a program which does not conform to one of the programs listed in the attached sequence chart on an individual basis.

**II. Brookdale Community College Agrees to:**

Brookdale Community College will publicize this Articulation Agreement to prospective students in their admissions literature and to inform matriculated students of their conditional admission to Monmouth University under the conditions of this agreement.

Brookdale Community College will inform students of the requirements of Monmouth University's Transfer Admission Process and applicable Deadlines.

**III. Admission Requirements:**

Admission will be guaranteed to native Brookdale students (i.e., students who have only attended Brookdale for college-level coursework) with a 2.75 cumulative GPA, and at least a 2.5 GPA in the last two semesters of enrollment; students with below these requirements or who have attended multiple institutions may also be considered for admission. Notwithstanding anything to the contrary in the forgoing, in order to be admitted into the Bachelor of Science Degree in Homeland Security Program, transfer students must also satisfy the following requirements:

- a) Application: Submit an Application with a non-refundable application fee as established by Monmouth University;
- b) Transcripts: Official copy of transcripts from all colleges and universities attended must be provided to Monmouth University;
- c) Academic and Disciplinary Standing: Students must be in good academic and disciplinary standing; and

- d) Deadlines: The Application for the Fall Semester must be submitted by July 15<sup>th</sup>, and the Application for the Spring Semester must be submitted by December 1<sup>st</sup>.

Any misrepresentation by a student of his/her qualifications, experience, education, or references shall immediately disqualify a student from any further participation in the Program.

Brookdale Community College Students who are accepted pursuant to the terms of this Agreement will have the opportunity to transfer up to 72 credits towards the B.S. in Homeland Security. Students completing the Brookdale Community College requirements for an Associate in Science Degree in Homeland Security and Emergency Management as outlined in the Articulation Agreement will transfer with junior standing and will be able to complete the Monmouth University program in two years as outlined in the sequence chart.
