The Division of Student and Community Services at Monmouth University offers many important student services for resident and commuter students. Staff members promote personal and intellectual growth, while aiding students in resolving problems and helping them adapt to the college experience. The Student Handbook provides a more in-depth description of these services and all the regulations relevant to student life. Students should become familiar with the handbook at the start of every academic year.

SERVICES FOR STUDENTS:
ORIENTATION

A student’s introduction to student life at Monmouth begins even before classes start. All new students participate in orientation programs designed specifically for their needs.

First-year students

All new first-year students, commuters and residents, are expected to take part in an intensive two-day, one-night New Student Orientation Program during the month of July. This structured program includes educational and social activities designed to ease the transition to college life at Monmouth and to give students opportunities to meet and interact with other new students. Prior to the program, students must complete an online Math Placement Test. During orientation, students will attend an advising/registration program during which they will work with a First-Year Advisor to develop a schedule for the fall semester. They will also meet faculty, staff, and students with whom they’ll be interacting during the first year.

Families of first-year students have opportunities to come to campus to learn about life at Monmouth University during their student’s first year on campus. The first is a Family Program, offered in June, before New Student Orientation. Families will receive important information about their student’s upcoming transition into life as a university student and meet representatives from across campus that can provide information during our Resource Fair. All are invited back to campus again for Family Weekend, which usually takes place in October or November.

Transfer Students

The Center for Student Success (CSS) coordinates the connections between full-time and part-time transfer students (with eighteen or more credits) and their academic departments to ensure a smooth transition to Monmouth University. The
Associate Dean for CSS Support Services and Articulation and Student Development Counselors are available to assist transfer students with their personal adjustment and educational plans. At the beginning of each semester, all new transfer students are welcomed to the University at a specially designed orientation program.

**HOUSING OPTIONS**

**Residents**

The University offers a variety of housing options in seventeen locations: Beechwood, Birch, Cedar, Mullaney, Spruce, Willow, Laurel, Elmwood, Pinewood, Oakwood, Redwood, and Maplewood Halls; the Garden, Great Lawn, Fountain Garden, and Diplomat apartment complexes; and Pier Village. Living styles include traditional room arrangements, usually for first-year students; suite style, usually for first-year and upper-class students; and apartments for juniors and seniors. Residence halls are typically co-ed by floor, and the majority of students share double rooms. In an effort to make a comfortable match, new students are asked to complete a questionnaire before room assignments are made. Housing is guaranteed for first-year students only.

Each residential area is staffed by full-time professional Area Coordinators who reside on campus. Each hall is staffed by Resident Assistants, all of whom are intensively trained in providing assistance, information, activities, and programs for resident students. The Associate Vice President for Student Services, two Associate Directors of Residential Life, and one Assistant Director of Residential Life reside near campus and provide additional, professional support for the Residence Life program.

All on-campus halls provide laundry facilities that utilize vending cards, which can be purchased on campus. All resident students not living in a University-owned or -sponsored apartment are required to be on the meal plan of the Residence Dining Hall. Students may choose either a carte blanche plan, which allows you unlimited access to the Residential Dining Hall, or one of three “block” meal plans, which provides students with a set number of meals for the semester. First-year students may not select a “block” lower than 195 until their sophomore year.

Cars are unnecessary, as everything generally is within walking distance of campus. Many students use bicycles. While students are not prohibited from bringing cars (parking is extremely limited and a parking decal is required), they are discouraged from having cars on campus so that they may fully experience University life and all that it has to offer.

**Commuters**

There are traditional, nontraditional, full-time, part-time, graduate, and undergraduate students who commute to campus every year. Monmouth University recognizes that its commuter students are unique and that they have a variety of needs which the University attempts to address each semester. As such, the Office of Off-Campus and Commuter Services (OCCS) is available to provide support and guidance to all of the commuter students who attend Monmouth University. Commuter students are notified as early as summer orientation where information sessions are offered. They can also communicate with student leaders to find out how to navigate the programs and services that are available on campus. Students who have an interest in getting involved are encouraged to contact the Office of Student Activities or any of the ninety recognized clubs and organizations that exist at Monmouth.

There are a wide range of extracurricular events and leadership opportunities that take place, and programs are planned so that commuters can participate during the day. Furthermore, commuter students may choose from a number of dining options that include a la carte and meal plan services in the Student Center Cafeteria, Java City, Bey Hall Express, the Magill Commons Dining Hall, and the Café at the Library. Commuter students will find parking at any time of the day or night. For more information, contact OCCS at 732-263-5651 or refer to the Office’s Web site at www.monmouth.edu/commuter.

STUDENT ORGANIZATIONS

There are more than eighty-five different clubs and organizations on campus. Active involvement in a club or organization helps a student develop new leadership skills and meet new friends. Students can select from clubs related to their majors or take the opportunity to join something related to a special interest or hobby. Each year the Office of Student Activities and Student Center Operations hosts an Involvement Fair to assist students in getting connected to a club or organization. Students should read the bulletin boards, table tents, e-mail, electronic boards, and the student newspaper, The Outlook, to learn more about club activities throughout the year.

Student Center

An integral part of Monmouth’s overall campus life program, the Student Center serves as a gathering area for all segments of the University community. It is an area where students meet informally and formally to share common interests and develop friendships. The Student Center includes dining facilities, lounges, the Sovereign Bank office and ATM, a computer lab, and meeting rooms, and is the site of many campus and community events. The facility also houses the Student Government Association, the Student Activities Board, and many student organization offices.

The Student Center is the site of the Division of Student and Community Services, the Center for Student Success, the Office of Career Services, Student Activities/Operations, Judicial Affairs, International Student Services, Central Scheduling, the Office of Off-Campus and Commuter Services, Conference and Event Services, the Study Abroad Office, the Office of Student Employment, the Academic Foundations Office, the Office for Disability Services, and the Office of Veteran Services.

The SAB presents numerous opportunities for students to get involved both as spectators and as active board members. Students can join eight committees, which include: Novelty, Awareness, Diversity Programs, Major Events, Comedy, Concerts, Festivals, and Travel and Tour. Involvement in SAB may relate to a student’s major or may just be something enjoyable.

Cultural Activities

The Lauren K. Woods Theatre is the home of the Department of Music and Theatre Arts, offering a schedule of student productions during the academic year, and the professional theatre, The Shadow Lawn Stage, in the summer. The Theatre major at Monmouth University is a challenging program that guides students as they grow into accomplished performers, stage managers, designers, or technicians. Applied Music study in voice, piano, woodwinds, brass, guitar, strings, and percussion serves students interested in a major in Music Education, Music Performance, or Music Industry. Private weekly instrumental or vocal instruction with a professional is available to all students regardless of their major.

While Monmouth has no religious affiliation, it does recognize the important place that religion has in the lives of many of its students. Cru, the Catholic Centre, Hillel, and the Muslim Student Association are all active on campus. In addition, churches and synagogues representing the major religious faiths are within convenient reach of the campus and are available for services and personal counseling. A listing of area places of worship is available at the Office of Student Services.
