The Leon Hess Business School is dedicated to providing an education that qualifies its graduates for positions of leadership. Curricula are developed, taught, and regularly updated by a faculty with strong academic and business experience. Critical thinking, effective communication skills, and a flexible managerial perspective are emphasized. The Leon Hess Business School is accredited by AACSB—the International Association to Advance Collegiate Schools of Business.

The MBA program is designed to develop a comprehensive background in the theory and practice of business management decision-making and concentrates on contemporary managerial responsibilities in a dynamic environment. All curricula underscore the complexity and diversity of managerial decisions in the global economy. Instruction in small-size classes stresses close contact with faculty and promotes collaborative work.

Within the Leon Hess Business School is the Kvernland Chair in Philosophy and Corporate Social Policy, which has been endowed through generous gifts in the name of Jack T. Kvernland, a late trustee of the University. Professor Guy Oakes of the Management and Marketing Department currently occupies this chair. Professor Oakes is studying problems concerning the relationship between corporate, public, and private values in American life. The School also administers the Kislak Real Estate Institute, which is directed by Interim Director Peter Reinhart of the Economics, Finance, and Real Estate Department. Dean Moliver holds the Steven and Elaine Pozyczki Endowed Professor Chair in Real Estate. The Center for Entrepreneurship, which is directed by Professor John Buzza, is also part of the Business School. The Center has been regarded as one of the nation’s outstanding programs in entrepreneurship.
