On Wednesday, March 13th, a Freshman Outreach Scavenger Hunt was held in McAllan Hall for all freshmen (rising sophomores) who have been declared as education majors. The event was coordinated by three of our SOE Undergraduate Advisory Council members: Meaghan Brandt, Kelly Coulson, and Sarah Meyer.

The program provided students with an opportunity to get to know the building, locations of classrooms, the different advisors, and staff as well as offices in the building. They achieved this within the first half of the program with a scavenger hunt designed to have the students find faculty members and ask questions about the SOE. The next part of the program split the students into two groups to have open discussion with professors and upperclassman in regards to topics they need to be aware of as an education major.

The event was a huge success and the students were able to gain insight while having an enjoyable time. Not only was valuable information learned, but students seemed much more comfortable and familiar with everyone in the building. They also became more conscious of who they could talk to if they needed help.

On Wednesday, April 24th, the Undergraduate Advisory Council held a Celebration of Standard Based Projects throughout the hallways and classrooms of McAllan Hall. This event was held to celebrate the hard work of the education students and to inspire undergraduate students currently working on their projects. The Advisory Council put together an array of projects ranging from centers, webquests, Prezi presentations, Behavior Intervention Plans, Individualized Education Plans, lesson plans, thematic units, and SmartBoard activities. Projects from all contents and grade levels were on display. Students who attended had the ability to use the technology being showcased and manipulate the centers to gain a better understanding of the projects. There was also a raffle for gift certificates to the MU bookstore or Aramark.

The School of Education would like to thank the student volunteers who coordinated this event: Kelly Coulson, Meaghan Brandt, Alexandra McMahon, Billy Davison, and Sarah Meyer.
Pietro Sasso, Ph.D.
Assistant Professor in School Counseling

Dr. Sasso teaches courses in college counseling, student affairs, and internship. He is a new appointment to the School Counseling program and will teach courses in the Student Affairs & College Counseling track. He joins Monmouth from Old Dominion University where he recently completed his doctoral degree and was an academic support counselor and lecturer. Dr. Sasso has significant professional and teaching experience in post-secondary education. His research interests include identity construction of traditional undergraduates (college student development), alcohol misuse in higher education (student health outcomes), the impact of the college fraternity experience, and masculinity in higher education.

He is currently authoring several articles addressing alcohol misuse and masculinity issues among undergraduate college students to appear in national, peer-reviewed journals as well as a textbook to be entitled Today’s College Student: A Reader with Peter Lang Press. Dr. Sasso is also a certified college instructor, alcohol educator (ASTP, TIPS), and academic advisor (Master Advisor Certification). He is a member of ACA, NACADA, ACPA, and AFA. He is a recent recipient of the 2012 Association of Fraternity/Sorority Advisors research award for his article analyzing student learning and assessment in fraternity/sorority programs.

JoAnne Cascia, Ed.D.  CCC-SLP
Assistant Professor in Speech Pathology

Dr. JoAnne Cascia has worked as a Speech-Language Pathologist since 1994 in a variety of settings including public schools, private schools, home care, and private practice. She owned and operated a private practice in Middlesex County, NJ for six years before returning to school for her ED.D in Speech-Language Pathology. She has worked with Speech-Language Pathology students as a clinical supervisor and adjunct professor since 2007. Dr. Cascia’s research interests include clinical supervision, early language development, and communication/Autism Spectrum Disorders.
Pamela Jones, M.A. CCC-SLP  
Director of Clinical Practice. Speech & Language Program

Professor Pamela Jones has worked as an Audiologist and Audiology Consultant since 1982, and has been working as a Speech Language Pathologist since 2002, and holds her CCC-SLP. Professor Jones has worked in a variety of health care settings including hospitals, veteran’s hospitals, medical rehabilitation facilities, community clinics, behavioral/mental health facilities, developmental and residential settings, private practice settings, university and university clinics, individuals’ homes, group homes and sheltered workshops, preschools, state agencies and institutions, correctional institutions, research facilities, and industrial settings; treating clients in early language development, communication, language, phonological and articulation, autism spectrum, fluency, and cognitive disorders, apraxia, aphasia, augmentative/alternative communication and hearing impairment and rehabilitation. Research interests include: Hearing (early identification) and auditory processing disorders, clinical supervision, language development and intervention and traumatic brain injury.

Elisabeth Mlawski, M.S., CCC-SLP  
Assistant Professor

Elisabeth Mlawski has worked as a Speech-Language Pathologist since 1994 in a variety of clinical settings including the New York City Board of Education, Jersey City Medical Center, Cornerstone Day School, and the Springfield Public Schools. She worked as a clinical supervisor and adjunct professor since 2006. As an adjunct professor she has taught introduction to Speech-Language Pathology, language development, language disorders, disorders of speech production and voice, phonetics, and developmental phonology. Her research interests include effectiveness of treatment, language development across the lifespan, and language and literacy in school-age children.

Patricia A. Remshifski, Ph.D. CCC-SLP  
Assistant Professor

Patricia A. Remshifski PhD CCC-SLP is an Assistant Professor of Speech-Language Pathology. A medical speech-language pathologist with over 20 years of clinical experience, she specializes in disordered swallowing, feeding and communication coaching in adults with complex cognitive and language disorders. She has extensive experience working with adults with dysphagia and aphasia due to stroke, degenerative disease and traumatic brain injury. She is currently conducting research in the area of swallowing and communication disorders for individuals with Rett syndrome. Dr. Remshifski serves as Chair of the Higher Education Committee for the New Jersey Speech-Language Hearing Association.

Alum Katie Horsley married Adam Tivald on July 14, 2013. Katie was a Graduate Assistant in the Dean’s office from 2010-2011. She graduated with her MSED in School Counseling in 2012. Katie is a School Counselor at Hazlet Middle School and her husband, Adam, is a Physical Education Teacher at Carl Sandburg Middle School in Old Bridge.

Congratulations & Best Wishes to Mrs. & Mrs. Adam Tivald!
Mayors’ Book Club Inspires and Rewards Young Readers

Mount Arlington Mayor Art Ondish, President of the New Jersey League of Municipalities Educational Foundation, joined Host Mayor Gerry Tarantolo of Eatontown on May 30, to honor the accomplishments of the first grade students at the Margaret L. Vettes School. Celebrating months of learning and enjoyment, under the auspices of the Mayors’ Book Club, the Mayors were joined by Monmouth University School of Education Dean Lynn Romeo. Dean Romeo had guided faculty, administrators, and undergraduate teacher education candidates to promote engagement, interest, and wide reading and writing for first grade students in selected schools, sponsored by local Mayors.

The following schools were chosen and participated in the 2013 Mayors’ Book Club: James A. McDivitt Elementary School, Old Bridge Township; James J. Flynn School, Perth Amboy; Margaret L. Vetter Elementary School, Eatontown; Middle Road School, Hazlet Township; Drum Point Elementary School, Brick Township; and Nellie F. Bennett Elementary School, Point Pleasant. All of the participating first grades exceeded the 1,000 book goal and were awarded $1,000 each to be spent on books for their first-grade classroom libraries.

The Mayor’s Book Club is designed to support and enhance the literacy development of first graders. The students participating in the program must read a total of eight books over a four-month period starting in January and will have the opportunity to be read to by a special guest reader, their own Mayor. Each student who participates in the program will receive a book at the conclusion of the program. In addition, the participating first grades in each school that have read at least 1,000 books will be given $1,000 to be spent on books for their first-grade classroom libraries.

The Central Jersey Consortium for Excellence and Equity (CJCEE), entering its 2nd year, is an evolving collaboration of administrators, teachers, support staff, parents, and elementary and secondary students that are collectively committed to learning and working together to enhance the achievement and well-being of all students, as well as increasing the academic performance, engagement, and future success of traditionally underachieving students.

The Central Jersey Consortium for Excellence and Equity (CJCEE), held their eighth workshop “Voices of our Diverse Student Leaders: Identifying Promising Strategies for Closing the Achievement Gap” at Monmouth University’s Rebecca Stafford Student Center in Anacon Hall. Dr. Tina Paone, chair of the School of Education’s Educational Leadership, School Counseling, and Special Education department and associate professor of counseling, coordinated the event in which 88 middle and high school students from local school districts participated. These districts included Asbury Park, Eatontown, Hazlet Township, Keansburg, Keyport, Long Branch, Matawan-Aberdeen Regional, Middletown Township, Red Bank Charter School, and Red Bank Regional High School.
The 2013 Dr. Susan Young Memorial Scholarship Fund Gift Auction was a huge success! Over 110 people attended and truly enjoyed the event. Thank you to everyone who attended! We look forward to seeing you next year! — at the Jumping Brook Country Club on Thursday, April 3, 2014.
Thank You for your support!
